

Active Frosh Women Eligible For Cwens, Soph Honorary

On the basis of leadership, scholarship and participation in activities, girls are chosen for membership in Cwens, national sophomore honorary which functions as a service unit to the College.

Girls are tapped during the spring semester of their Freshman year. For the last few years, because of the College farm-out system, girls were tapped during the fall semester of their sophomore year on the basis of work done at their respective colleges and participation in campus activities their first semester here. A 1.5 all-college average is required.

National Convention

This year Cwens' bi-annual national convention will be held at the College November 3, 4, 5. The society was founded at the University of Pittsburgh June 4, 1927.

The Dungaree Drag, a girl-ask-boy affair, is sponsored by Cwens each year in the fall. Last year the girls sold tags for scholarships and to support an orphan, and entered a float in the Spring Carnival. Cwens and Chimes cooperate in the orientation of all new women students.

Approximately 25 girls are tapped each year. After their initiation they become the functioning service group while the previous members retire as alumnae.
