

Final Surrender Demand Rejected By Red Premier

North Korean Premier Kim Il Sung has flatly rejected General MacArthur's final surrender demand. He has ordered all Communist forces in Korea to fight to the death.

The Red leader admitted that his army is faced with "a grave crisis," but called on "the entire people's army, partisans and all people to fight until the final day of victory."

Meanwhile, South Korean troops were fanning out from the captured port of Wonsan and United States First Cavalry reached a point only 85 air miles south of the Northern capitol, Pyongyang. Communist troops are resisting stubbornly along most of the front.

Freshman men will be permitted to date for the Dungaree Drag this Saturday night and also for the Belle Hop ball Oct. 21, Neil See, Tribunal chairman, announced at last night's meeting of All-College cabinet.

See also recommended that a committee be appointed to coordinate men's and women's customs so that they may be carried out more effectively next year.

Freshman Dorm Officers Want Constitution Change

The recently elected West dormitory council held its organizational meeting Monday night and immediately was involved in a discussion whether freshmen should be permitted to be council officers.

According to the new constitution of the Association of Independent Men, adopted last spring, council officers must

have an all-College average of 1. This provision would exclude freshmen from holding any offices.

Several freshmen vigorously opposed this measure and called for either an amendment to the AIM constitution or a different interpretation of the provision. Freshmen form a majority in the council.

Four freshmen council members, Kenneth White, George Levchak, Richard Lemyre, and Charles Mollenkopf, were chosen to meet with the AIM board of governors Wednesday night to straighten out the situation.

The freshmen committee will report the outcome of the meeting to the council Thursday night. The council plans to have officer nominations at that time. Elections will be held Monday night. The officers of the council will be members of the AIM board of governors.
