

### Informal Rushing To Begin Monday

Informal sorority rushing will begin at 8 a.m., Monday, announced Nancy George, president of the Panhellenic Council. The rushing period will continue until the end of the semester. When a sorority decides to bid a woman through informal rushing, a member of the group must submit a written invitation to the Dean of Women's office. The office, in turn, delivers the invitation to the rushee. She is given two weeks to accept or decline the bid. During this time a strict silent period exists. When she makes her decision the rushee must turn in a written acceptance or refusal to the dean's office.

## Campus Interviews on Cigarette Tests Number 3...THE FLICKER

"One question...  
 Where do I flick my ashes?"

Don't think our neat-pleated friend with the drape-shape doesn't know the score! He's plenty hep to all those tricky cigarette tests! If you're in the groove, they're not fooling you, either. You know, from your own smoking experience, that just one puff of this brand ... then one puff of that brand isn't going to give you the answer you want. What can you possibly tell by a quick inhale and exhale, a whiff or a sniff?

The sensible test — the one that gives you the proper answer — is a day after day, pack-after-pack tryout for 30 days. It's the Camel 30-Day Mildness Test! You judge Camels for 30 days in your own "T-Zone" (T for Throat, T for Taste) — the real proving ground for a cigarette. Once you've tested Camels as a steady smoke, you'll know why ...

**More People Smoke Camels than any other cigarette!**
