## Thespians 'Some Punkins' Opens Tonight In Schwab

"Some Punkins," Thespians' first show this season, opens tonight at 8 o'clock in Schwab auditorium.

The new review will run through Saturday night. Tickets, on sale at student union, are 90 cents tonight, \$1.20 tomorrow and Saturday.

Over 100 students are in the cast. The production, as usual, has men from Thespians, women from Masquerette.

Except for one skit, the entire show is student-written. Frank Lewis and David Weiner scored it. The only sequence lifted from another show is the George S. Kaufman routine, "The Claghorns at Home."

Two of the more spectacular dances planned are a "Wharf Scene," an afro-cuban pantomime with a voodoo theme, and a "Cat Dance" on the head of a huge drum.

Ray Fortunato, advisor to Thespians, directs the production. Fortunato directed "Girl Crazy" and "Welcome Willy" last year.

Harry Woolever is dance director for "Some Punkins." The show features nine dance routines and several skits.

As a review, the show headlines no stars. Featured in some of the 12 scenes are Joseph Bird, Mary Foucart, Pat Hale, Alan McChesney, Edward Rolf, Anne Sweger, Cookie Weber, Woolever, and the Troubadour Quartet with Herky Allison, George Jeffries, Ted Myers, and Gordon Seward.

## Sophs To Plan Annual Dance

Discussion on the possibility of starting a formal sophomore dance as an annual affair will be the main business at the sophomore class meeting tonight at 7 p.m. in 107 Main Engineering, Jack Baron, secretary-treasurer announced today.

Baron would like suggestions for setting the date for the dance which would take the place of small informal dances held by the class in the past.

A report on the parade planned for half time of the Temple game will be made. Baron said the parade had to be dropped because of the track meet scheduled at that time.

According to Baron, Collegian was in error in announcing yesterday that Edward Brenner was in charge of the meeting, since only officers of the class may call a meeting. But since the meeting was called, the officers are going through with it and will turn the meeting over to Brenner.

## Extra Fee Not Penalty—Bursar

The student-assessment fee of \$2.35 which appeared on freshman fee receipts was not an assessment for damage incurred by residents of the West dormitory area, David C. Hogan, college bursar, said yesterday.

It is a regular fee paid by freshmen and upperclassmen alike, except for the fact that upperclassmen pay an additional two dollars for La Vie.

The \$2.35 is broken down this way, said Van Bissey, fee assessor. The interclass budget system which supports the student government gets seventy-five cents. Collegian gets seventy-five cents. The Blue Band and the Association of Independent Men get twenty-five cents apiece. The College glee club and the forensic council split another thirty-five cents to make up the total of \$2.35.

College administrators refused to say whether residents of Thompson hall in the West dormitory area would forfeit any of the ten dollar key and damage deposit which all dormitory residents are required to make at the beginning of the semester, for the damage to that dormitory.

## Expect 25,000 Alumni Visitors At Homecoming

Between 20,000 and 25,000 alumni are expected to visit the campus this weekend to take part in the annual homecoming celebration.

The activities will officially open at 1 p. m. Friday with registration for the alumni at Rec Hall. From Friday afternoon until Saturday night, a complete program has been prepared for the "old grads" by the Alumni Association office. The program is under the direction of Ridge Riley, executive secretary-treasurer of the Alumni association and Ros Lehman, assistant executive secretary.

**Annual Banquet**  
First scheduled event for Friday is the annual banquet of the Varsity S club, at 7 p. m. at the Center Hills country club. The club is made up of alumni who were varsity lettermen at the College.

Saturday morning, two events are scheduled at 10 a. m. A soccer game between the Nittany squad, undefeated in 19 straight, and Colgate is scheduled for the field behind the stands of Beaver field.

At the same time, a meeting of the alumni council will be held in Rec hall. Three hundred grads are members of the council, which is the policy making body of the alumni association. B. C. "Casey" Jones, president of the Alumni association, will preside at the meeting.

At 11:30 a. m. a luncheon will be held for all alumni in Rec hall. Besides the alumni, President Milton S. Eisenhower is expected to attend and address the diners, unless Mrs. Eisenhower's condition makes it impossible.

**State Vs. Temple**  
At 2 p. m., the Big White will meet the Owls of Temple on Beaver field, with 9000 alumni tickets already sold.

Saturday night, starting at 8:30 o'clock, a cider party will be held.

## IFC Proposal To Change Drinking Ban Revealed

By ERNIE MOORE

A proposal asking for a change in the drinking ban has been in the hands of the administration for almost two weeks, it was revealed last night by Interfraternity council President Harold Leinbach.

The proposal, drawn up by Leinbach and submitted to Wilmer E. Kenworthy, assistant to the President in charge of student affairs, is as follows:

1. To have mixed, chaperoned drinking and to have the chaperones approved by IFC and the administration.

2. Chaperones would have the authority to report the following violations to IFC: Drinking other than in the social room; room parties; refusal of vulgar or intoxicated members of the party to leave at his or house officer's request.

### Other Plan Bypassed

The proposal was approved last night as the official IFC plan instead of a proposal drawn up by the social committee of the fraternity workshop. The vote was 43-3 for Leinbach's measure. Three fraternities had no representatives at the meeting.

The proposal drawn up by the social committee was not made available for publication, but one member of the committee reported that 37 of the 38 delegates of fraternities represented on the committee were in favor of mixed drinking.

This proposal was tabled by the council until some action is taken on the plan already before the administration. It was hinted that this proposal would be put before the administration in the event of unfavorable reaction to what now is the official proposal.

Patrick J. Boner, instructor in Economics and Commerce spoke on a proposed house management system to the council. The Daily Collegian reporter covering the meeting was asked to leave while Boner spoke.

The council also nominated bands for IFC-Panhel ball. Bands (Continued on page four)

## Campus Chest Solicitors Hear Talk Tonight

James Flint, director of Religious Affairs office in Berlin, Germany, will be the principal speaker at the "kick-off" meeting for Campus Chest solicitors in 105 White hall at 7 o'clock tonight.

### Became Director

Flint went to Germany with the American Friend Service commission and became director of the plan. He also was director of CRALOG, the agency which was responsible for all relief supplies sent to Germany after the war. Last summer he took a group of University of Minnesota students to Germany under the sponsorship of Student Project for Amity Among Nations.

A "kick-off" tea, sponsored by Wilmer E. Kenworthy, will be held at President Eisenhower's home from 5 to 6 this afternoon. Heads of divisions, assistant heads, and committee members of the drive will attend.

### Begins Saturday

The drive begins Saturday and will continue until Nov. 4. Canvassers will ask students to sign pledge cards authorizing that \$2 be added to their fees or deducted from book receipts. Students may contribute any amount, but \$2 has been set as an individual goal.

## Nittany, Pollock Council Divides

Because of a technicality in the AIM constitution, the combined Nittany and Pollock council will be divided into separate units, the council learned at its meeting Monday night.

In a letter from Richard Bard, chairman of the AIM board of governors, it was discovered that the AIM constitution calls for two councils in the dormitory area. In order to amend the constitution, the board of governors must be elected and meet for that purpose.

The council, under the direction of John Laubach, president, decided to split the councils for an indefinite period. William Ray (Continued on page four)
