UN Stops Russian Attempt To Block Korean Debate

LAKE SUCCESS — An attempt by Russia to block United Nations debate on an American-backed demand for immediate withdrawal of Communist Chinese troops from Korea failed yesterday.

Russia's Jacob Malik insisted on withdrawal of what he called "foreign interventionists," and made a motion to take the Korean problem off the agenda. His motion was rebuffed by a ten-to-one vote.

France led off the debate with an appeal for immediate UN action to assure the Chinese Communist government that the UN had no intention of crossing the Manchurian border.

Strike Talks Futile

NEW YORK — Government mediators failed yesterday in new attempts to end the telephone strike.

Two divisions, one representing 5,000 striking warehousemen and distribution workers, and the other 11,000 striking installation workers, met in separate sessions. Both sessions ended with no progress.

Scores of phone booths in downtown Manhattan were sabotaged yesterday. A heavy guard was ordered in the vicinity of the Western Electric building, as tele-

phone receivers were ripped out in booths, in bars, stores, and in the Pennsylvania station.

Nobel Prizes Awarded

STOCKHOLM — Nobel literary prizes for 1949 and 1950 went to American novelist William Faulkner and British philosopher Bertrand Russell yesterday.

Faulkner, of Oxford, Miss., was chosen by the Swedish Academy as winner of the 1949 prize—withheld last fall. The 78-year-old Russell, internationally famed philosopher, mathematician and moralist, was awarded this year's prize.

This year's prize money totals \$1,715, while the sum frozen from last year totaled \$30,007.

Faulkner is the fourth American winner of the Nobel prize for literature. Others were Sinclair Lewis, Pearl Buck, and Eugene O'Neill.

Coed Councils Plan Retreat

Saturday, Dec. 9 was set as the tentative date for the combined retreat of WSGA, WRA, Panhellenic council, and Leonides at the WSGA Senate meeting Wednesday night.

The retreat, which will be held at Watts lodge, the Christian association cabin, will be highlighted by discussions endeavoring to bring the women's organizations of the College into closer contact with one another. Changes in the constitutions of the various organizations will be discussed and put into effect.

Plans were also made at the meeting to have the weekly agenda of the WRA included on the WSGA Senate agenda sheet, and vice versa, to enable the two organizations to work in close harmony.

24 Education Students Visit United Nations

Twenty-four students in the School of Education, including seniors and graduate students, visited the United Nations Assembly and Security Council last Saturday.

Dr. J. W. C. Remaley, assistant professor of secondary education at the College, had charge of the group. Elizabeth Warnock, air advisor for the State Department of Public Instruction at Harrisburg, under whose direction arrangements for the tour were made, also accompanied the students. The trip to and from New York city was made by air.

COMPARE CHESTERFIELD WITH ANY OTHER CIGARETTE!

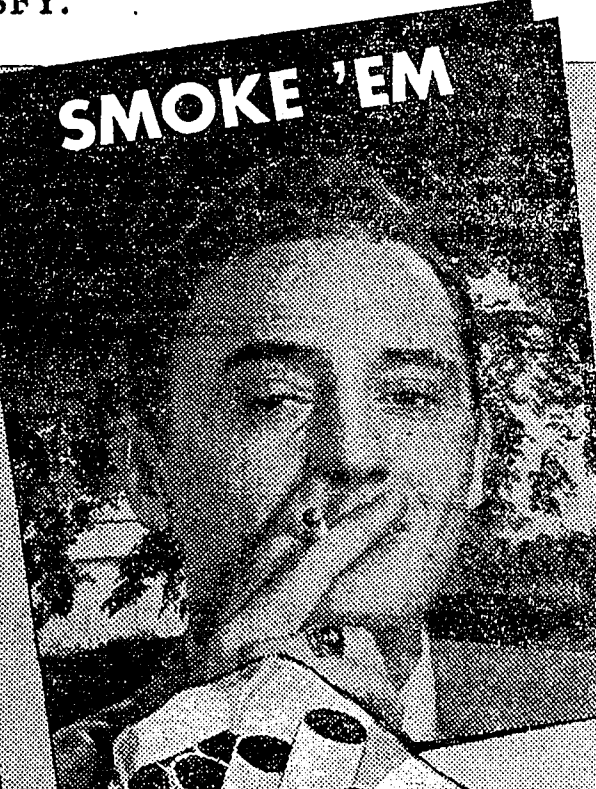

BEFORE YOU SMOKE THEM

...you can tell Chesterfields will smoke milder, because tobaccos that smell milder smoke milder.

AFTER YOU SMOKE THEM

...you have no unpleasant after-taste.

WHILE YOU SMOKE THEM you get more pleasure than any other cigarette can give you — *that's why millions of smokers say: THEY SATISFY.*
