## State Party Wins 4 Of 6 Offices

### Freshmen Elect Three Candidates Of State Party

By JACK GARRETSON-BUTT  
The State party swept the freshmen election yesterday winning each office by approximately 100 votes.

Of the 1387 freshmen eligible to vote, a record number of 870, or slightly more than 62 per cent, voted yesterday, as compared with the 53 per cent freshman vote last year.

The all-College elections committee penalized each State candidate 50 votes for violations of the elections code, but the penalties did not affect the outcome for any office.

The complete tabulation before the 50 votes were subtracted was:

<b>President</b>	
Augustine Ormrod (L) .....	345
Gerald Maurey (S) .....	520
<b>Vice-president</b>	
John White (L) .....	363
Bernard Kelley (S) .....	503
<b>Secretary-treasurer</b>	
Guyla Woodward (L) .....	396
Neida Fralich (S) .....	474

Gerald Maurey, the successful State party candidate for president of the freshman class, had a margin of 185 votes over his Lion opponent, Augustine Ormrod. With the 50-vote penalty, Maurey still led by 135 votes. He got 60.1 per cent of the ballots cast for that office while Ormrod received 39.9 per cent.

The State party's vice-presidential candidate, Bernard Kelley, had an actual margin of 140 votes over the Lion candidate, Jack White. With the 50 votes subtracted, his margin was 90 votes. Fifty-eight per cent of the ballots cast for freshman vice-president went to Kelley, while White got 42 per cent of the vote.

The freshmen voted for Neida Fralich, the State party candidate for secretary-treasurer, over Guyla Woodward, Lion candidate, by a 54.4 to 45.6 per cent margin. Miss Fralich's margin was 78 ballots, or 28 votes over Miss Woodward with the 50-vote penalty.

Last fall, with no men on campus, freshman women candidates of the State party took all offices of the class. Last year's freshman officers were: Marion Whiteley, president; Joan Yenger, vice-president; Lucy Barr, secretary-treasurer.

The total of freshmen eligible to vote last year was 553. Of this number, 295, or 53 per cent, voted.

## Chest Misses Goal By 25%

Campus chest missed its goal of \$14,000 by about \$3500 according to figures released yesterday by Herbert Axford, chairman, thus gaining 75% of its goal.

Axford announced that \$10,227.42 had been received at chest headquarters as of yesterday with all but a few solicitors reporting. By the time all the money is turned in, the total will probably reach \$10,500, he said.

Student contributions to the chest amounted to \$7897.02 while faculty and college personnel donated \$2330.40. Axford said that complete figures and the amounts each organization will receive from the drive will be available early next week.

**Approximate Breakdown**  
The approximate amounts each will receive, however, are as follows:

Penn State Christian association, \$5,000; Women's Student Government association's Christmas fund, \$500; World Student Service fund, \$1000; Scholargram, \$700; State College Christmas fund, \$100; and Salvation Army, \$500. In addition, the Tuberculosis fund, the March of Dimes, the Leo Houck Cancer fund, and the Heart drive will share about \$1700. \$300 will go to a working fund for the chest.

The drive was originally scheduled to be held from Oct. 29 until Nov. 4 but was extended one week for the benefit of the solicitors who were unable to contact students in the allotted time.

**Budgets Curtailed**  
The failure of the chest to make the goal will mean a curtailment in the budgets of several organizations in the chest, the most notable being the PSCA. The sum it will receive will be about \$1300 under its budget.

This was the first year for the campus chest drive on this campus. In former years, the group, participating in the drive each held their own solicitation for funds separately. The campus chest will be the sole drive for funds on campus this year.

### Student Directory Ready Wednesday

The 1950-51 Student Directory will probably be ready for distribution by next Wednesday, Lewis H. Bell, director of the Office of Public Information said yesterday.

The directory, which lists the local and home addresses of undergraduate and graduate students as well as their curricula, had been expected Wednesday, but a delay in printing has held up delivery.

The directory will sell for 25 cents and will be distributed at the Student Union desk in Old Main, the recorder's office in Willard hall, and in downtown bookstores.

### Sculptors Lend Works To Old Main Collection

Two American sculptors, Jacob Epstein and William Zorach, have loaned works to the art collection in the lobby of Old Main.

Epstein's work is a large portrait bust of Philip Sayers and was lent by the subject's son. The piece of sculpturing was modeled in clay and finished in bronze.

Zorach's contribution is the figure of his young daughter, carved in maple wood and finished in bronze.

The two works represent direct opposites in approach to the sculptor's craft. They have been loaned to the college for an indefinite period.

### Bair, Rosfeld Win Top Soph Offices For Lions

By BOB SCHOOLEY

The Lion party won two out of three sophomore class offices in elections yesterday, with 44.6 per cent of the total eligible voters casting ballots.

William Bair, Lion candidate, won the election for the class presidency with a 41-vote margin over Glenn Wiggins, State candidate.

Arthur Rosfeld, Lion candidate for vice-president, won easily with a 281-vote margin over Joseph Simone, State party. This margin was the largest rolled up by any candidate in either class election.

### Pledges To Repel Shrine Painters

Pi Lambda Phi fraternity pledges will stand as defenders of the Lion shrine again tonight to prevent its being painted by ardent Rutgers fans prior to tomorrow's game.

The pledges' first protective attempt proved a success when they prevented the shrine from being smeared by Temple fans on the night of Oct. 27 for the first time since its erection in 1941.

Samuel Burkman, Richard Floum, Marvin Melaten, and Arnold Helman, will again be on hand to guard the shrine.

### Rally To Feature Varsity Coaches

Coaches from three Penn State varsity sports will speak at the pep rally tonight. The rally is the last of the season and plans have been made to make it the biggest.

The rally will begin as usual with a parade. All hatmen have been asked to report to the Lion Shrine at 7 p.m. The hatmen and students from the West dorms will march to the women's dormitories on Shortlidge road. Then the marchers, led by the Blue band and the cheerleaders, will move past Atherton hall and across Holmes field, ending on the steps of Old Main about 7:30 p.m.

Speeches at the rally, emceed by Harry Kondourajian, president of Skull and Bones, will be given by soccer Coach Bill Jeffrey, cross country Coach Chick Werner, and assistant football Coach James O'Hara.

The Nittany Lion, who helped bury West Virginia's football team at the rally last week, will again put in an appearance. Rumor has it that the Lion has been improving his manners during the week. He expects to meet royalty when he entertains the "Queen's Men" from Rutgers tomorrow.

The rally was planned by Parri Nous and Cwens in conjunction with the cheerleaders.

### Post-Game Dance Set For Saturday

A benefit dance for the rheumatic fever fund will be sponsored by the Association of Independent Men and Phi Sigma Sigma sorority in Recreation hall following the Rutgers game from 8 p.m. to midnight.

Boyd and his Musical Mountaineers will play for square dancing, and Ray Evert and his Artists in Melody will play for round dancing.

Tickets are 25 cents and may be secured from social chairmen in the West dorms and Nittany-Pollock areas, members of Phi Sigma Sigma, or at Student Union desk in Old Main. Tickets will be sold at the door.

### Penalize State Party

The all-College elections committee, in a short meeting before counting the ballots, penalized the State party 50 votes for each candidate for violations of the elections code. The penalties did not make any difference in the final results.

Last year the State party swept the fall elections for both classes. Complete returns of the voting before the 50 vote penalty was subtracted gave:

<b>President</b>	
William Bair (L) .....	628
Glenn Wiggins (S) .....	587
<b>Vice-President</b>	
Arthur Rosfeld (L) .....	750
Joseph Simone (S) .....	469
<b>Secretary-Treasurer</b>	
Josephine Waterhouse (L) ..	557
Nancy Showers (S) .....	657

Edwin Barnitz, chairman of the elections committee, said, "I am quite pleased with the total number that voted, considering the weather, and I am very pleased that over 62 per cent of the freshmen voted." He said that the record percentage in the freshman vote showed a definite increase in school spirit.

### Rosfeld Highest

Highest vote for either party was polled by Rosfeld, who received 750 votes while his opponent in the vice-presidential race had the lowest vote. Simone got 469 votes before the 50-vote penalty was subtracted.

Closest race was between the presidential candidates, Bair and Wiggins. Bair's 628 votes gave him a margin of only 3.2 per cent.
