## Honorary Sets Up File Of Chaperones

Mortar Board, senior women's honorary, has set up a file of College faculty members who are available to act as chaperones at social functions.

The file has been placed in the Dean of Women's office in Old Main, and is available to all organizations needing chaperones for social functions. The file includes the names and addresses of all faculty members who are willing to act as chaperones.

Mortar Board sent out letters this week to campus organizations, informing them of the installation of the file. The letters also included suggestions on the proper courtesies to be shown to chaperones.
