

WSGA House To Establish New Committee

Ruth Johnson, WSGA social chairman, at the meeting of the House of Representatives last Thursday night, asked each member of the House to appoint a member of her living unit as social chairman. These chairmen will comprise the Women's Student Social committee.

As its first function the committee will conduct a survey among the women students to determine how many would be willing to participate in a planned social program with the men on campus, and also what specific activities the women would prefer to be included in these programs.

Virginia Miller, chairman of the House, announced that upperclass women will receive 11 o'clock permissions for Dec. 3 and 4 because of the suspension of classes during these two days to permit re-registration.

Boxes will be placed in the offices of the hostesses of those units in which junior or senior women live. The women will be asked to suggest the names of the faculty members whom they wish to receive invitations to the Junior-Senior Faculty reception which will be held on May 2.

High-flying Publicity ...

POSED WITH their balloon which was sent aloft during Saturday's Rutgers game is the group of architects at New Beaver field. The stunt attracted much stiff-necked attention as the balloon went aloft with colored streamers floating in the breeze. A bag of confetti was broken open by a pull string.

Rip Satisfied With Lions' Play—

(Continued from page four) stopped by tacklers—for the winning touchdown.

Orsini Scores
The Lions were never ahead until the final 6 minutes of play when Orsini broke loose behind the clever interference of sophomore end Joe Yukica to produce the victory margin.

At that the Scarlet looked as if it would turn the game into a rout when they marched 79 yards through the Nittany defense in 8 plays to register their initial touchdown late in the first period. Jimmy Monahan turned right end from 11 yards out and Jack Denardo added the extra point as the Scarlet jumped out to a 7-0 lead.

The Lions came within inches of tying the count, but a 74-yard drive sputtered on the Rutgers 5 and Ted Shattuck missed the score by inches. Late in the second quarter, the Nittanies moved 54 yards in 6 plays with O'Bara's 24-yard pass to Owen Dougherty accounting for the TD. O'Bara missed the conversion and Rutgers still led, 7-6.

Rutgers crashed back four minutes later as the tempo of the

battle quickened, rolling 69 yards in 6 plays. Monahan pitched 16 yards to D'Amato for the touchdown. Bill Pellington converted and Rutgers walked off with a 14-6 halftime edge.

Taking the second-half kickoff, the Lions marched 79 yards in 14 plays, O'Bara completing 4 passes for 61 yards. Bob Pollard slammed over from the one-foot line, but O'Bara missed again and the Lions trailed, 14-12, setting the stage for Orsini's run.

Patrick Schemes—

(Continued from page five) seen State play only four times in two years. His wife sees almost every home game plus the Pitt game. It's hard to tell just who worries more about the football fortunes of the Lions.

There is no doubt in our mind that she knows the plays and strategy of the Nittanies as well as the coaching staff and the players.

But Mrs. Pat definitely has two things over the rest of the boys. She's pretty and makes excellent coffee.

Harriers Set For NCAA Run Mon.

(Continued from page four)

With three hundred and eighty-eight runners — representing 40 schools—making the long trek, the race route was a scene of mass confusion. For the first two miles of the varsity race, which was run against a stiff wind and during a slight rainfall, the runners were knotted in a tight group.

Shea Pulls Away

The tiring pace set by Shea was evident at about the three-mile mark as the field began to spread out. At the three-mile post it was evident that the Lions were going to cop their first IC-4A title in 20 years. The seven State men were running among the first 25.

At the four-mile post Shea had outdistanced the entire field by about 150 yards and was still pulling away. Bill Ashenfelter and Lucas were fighting a bitter duel for the second place at the same mark, but in the last 300 yards Bill, with a final sprint, moved in front of the Manhattan ace.

The Lions once again proved

their group strength. Although some of the big-name runners moved into the first positions, the team strength of the Lions was too much for any of the schools to cope with.
