

Cabinet—

(Continued from page one)
expected to increase. Gladfelter said it would, and added that some women's news was being allocated to other pages.

Allocated on a basis of amounts collected by the organizations, distribution of the \$10,402.67 collected by the Campus chest was broken down for cabinet by Chairman Herbert Axford. Of the \$7,896.57 collected by student groups, PSCA will get 48 per cent, or \$3,517; World Student Service fund will get 11 per cent, or \$841.12; Scholargrams will get eight per cent, or \$611.73; and WSGA's Christmas fund will get six per cent, or \$458.79.

Five per cent cuts of \$382.33 will go to the Houck Cancer fund, the Tuberculosis fund, the March of Dimes, the Heart fund, and the Salvation Army, while the State College Community fund will receive one per cent, or \$76.47.

Faculty Contributions

Of \$2506.10 collected by faculty groups, PSCA will receive \$1483.53; WSSF, \$471.84; WSGA Christmas fund, \$302.91; and Scholargrams, \$247.82. A fund of \$229.40 was retained for future working capital.

Cabinet received a committee recommendation that a system of activities cards be set up for every male student on campus. The cards would be made out by individual student councils, which would insure their accuracy, eliminating the possibility of student "padding."

Drill Night

From a point high on the campus, a radar beam searches the sky. Lights burn in classrooms. Khaki replaces tweed and covert for the night as college men assigned to Reserve units study the machines and methods of defense.

Preparedness is the order of the day.

And the Bell System stands prepared. In five busy years, we have added more than 12,500,000 telephones. Many improvements have been made in the quality and speed of service. Our force of highly skilled, experienced men and women has been greatly enlarged—and now numbers more than 600,000.

A nation in a hurry goes by telephone. This country has the best telephone service in the world.
