

Army Defeats Navy In WRA Basketball Tilt

Army defeated Navy, 31-7, last night in the first game of the Women's Recreation association's Army-Navy basketball series.

Members of these teams were selected from outstanding players in women's intramural basketball by Miss Mildred Lucy, WRA faculty advisor, and game officials. Marilyn Williams, intramural chairman of the association, is in charge of the series. These teams will play again tonight and tomorrow night.

Girls on the Army team are forwards—Dolores Bertoli, Betty Gleim, Eve Laning, Molly Malard, Ann Miller, and Marilyn Porter; guards—Peggy Lamaster, Mabel Marple, Nancy Mohan, Nancy Roess, and Helen Rusinko.

Playing for Navy are forwards—Pete Caraway, Chippy Duda, Sandy Hackett, JoAnne Hoy, Dotty Rose, and Mimi Unger; guards—Ann Broomall, Gene Decker, Jane Shettel, Louise Waltz, and Jane Whitney.

Little Honored—

(Continued from page three) dribbling of the slim-built star was the deciding factor in many games during his four-year career at State. One of the many highlights of his play for Jeffrey was a last minute goal in the 1950 Soccer Bowl which averted defeat by San Francisco and enabled the Lions to bring a 2-2 tie back to State College.

Clothing Drive

The annual WSGA clothing drive began yesterday and will continue until Friday. The clothes which are donated will be given to the Friends association. They will send them to needy children in Europe and Korea. The collection boxes were decorated by members of the house of representatives and have been placed in the hostesses' offices.

Campus Interviews on Cigarette Tests

Number 11...

THE OPOSSUM

The class clown went out on a limb and tried to prove

cigarette mildness by the quick-trick method! He tried the fast inhale, fast

exhale test—a whiff, a sniff—and they still left him up in the air!

But then he got his feet on the ground. He learned that there is

a reliable way to discover how mild a cigarette can be!

And that test is...

The sensible test... the 30-Day Camel Mildness Test

which simply asks you to try Camels as a steady smoke—on a

pack after pack, day after day basis. No snap

judgments needed. After you've enjoyed Camels—

and only Camels—for 30 days in your "T-Zone" (T for Throat,

T for Taste), we believe you'll know why...

More People Smoke Camels than any other cigarette!
