

Cagers Continue Streak, Beat Navy 44-41

Good Foul Shooting Helps Grossmen Dump Middies For Fifth Straight Win

By ERNIE MOORE

Penn State's basketball team continued to play havoc with the odds-makers yesterday afternoon when the Nittany Lions upset the crack Navy team at Annapolis, 44-41.

The win over the Middies followed close on the heels of the Lions' surprising upset of Georgetown, 76-70 in Washington, D.C., Tuesday night.

In a tight defensive game yesterday afternoon which saw the Midshipmen of the U.S. Naval Academy score two more field goals than the Lions, Coach Elmer Gross' courtmen capitalized on free throws to turn back Coach Ben Carneval's Navy cagers.

Navy Leaps

The Midshipmen, who were out for their fourteenth win in 17 starts, jumped in the lead and ran the score to 9-3. State fought back and tied it at 12-12 on Ted Panoplos' lay up shot. Navy took the lead again but the Lions got rolling and took a 19-16 lead at halftime.

With the score tied at 39-39 with less than three minutes left in the contest and Tiny McMahan and Captain Lou Lamie out on personals, Junie Moore converted two fouls to give the Lions a 41-39 edge. Hardy Williams and Herm Sledzik each chipped in free throws with only 55 seconds to go. Dave Mullany hit on a tap in to bring the Middies within 2 points, 43-41. But with 15 seconds left, Sledzik put the game on ice with another foul shot and the game ended, Penn State 44 Navy 41.

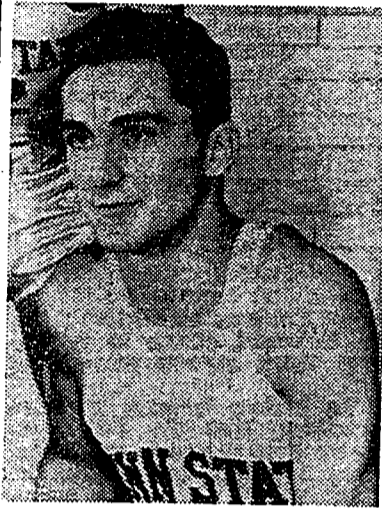

Frosh Lose

The Navy plebes rolled an easy 71-43 victory over the State frosh. Jack Clune took scoring honors for the plebes with 19 points. John Millen was high man for the Lion cubs with 11 markers.

The summary:

Penn State	FG	F	T	Navy	FG	F	T
Lamie, f	5	3	13	Corrigan, f	2	0	4
Williams, f	1	7	9	McDonogh, f	0	3	3
McMahan, c	1	0	2	Wilson, c	6	7	19
Panoplos, g	3	1	7	Mullaney, g	4	3	11
Moore, g	2	3	7	Fitzpatrick, g	2	0	4
Sledzik, f	0	3	3				
Makarewicz, c	0	1	1				
Lynch, g	0	2	2				
Totals	12	20	44	Totals	14	13	41
Halftime score: Penn State 19, Navy 16.

Baseball Meeting Set By Chandler

CINCINNATI, Feb. 7—(AP)—Baseball Commissioner A. B. Chandler today called a joint meeting of the National and American league club owners for March 12 to name a new commissioner.

In New York, Chandler refused to amplify on the announcement from Cincinnati.

"Just let the statement stand for itself," said Chandler.

Chandler has been campaigning to retain his \$65,000-year-job and by his attitude indicated he felt he still was in the running.

The meeting will be held at the Shoremeade Hotel, Miami Beach, Fla., at 11 a.m.

Army Outshoots Lion Rifle Team

Coach Felipe Vias' varsity sharpshooters fired a 1404, their highest score of the 1950-'51 season, but still lost to Army's powerful rifle team which scored 1410 points in a telegraphic meet held between semesters.

The riflemen's score of 1404 did defeat Rutgers and Dartmouth to raise their season record to 14 wins against 11 losses. The loss to Army did not cause Penn State to lose any prestige, Coach Vias said, since last year the West Pointers hit the bullseye for a 1417 score to capture the Intercollegiate title, and were ranked number one in the country.

This week the team will have a postal match with eight more schools including Missouri School of Mines, Clarkson Tech, Wyoming, California, Tennessee, Drexel Institute, Harvard, and New Hampshire. The freshmen riflemen will compete against Maryland and Cornell in other telegraphic matches.

Leading scorers for the varsity have been Walt Beers, Nelson Bevard, Sam Carnahan, Roger Colborn, Rod Ingleright, John Stoudt, Fred Wessman, Dick White, and Clarke Young.

Robert Hess of the freshmen team has the highest individual score recorded this season, while Bevard's 287 leads the varsity scoring. The freshmen have a 3-3 record, having beaten New Hampshire, North Georgia, and Wyom-

Powerful Army Wrestlers Will Test Penn State Mat Squad Here Saturday

The question of just how good Penn State's wrestling team is this season may be settled this weekend in Rec hall when the Nittanians of Coach Charlie Speidel play host to the powerful Cadets from West Point.

The Black Knights have lost one match this season, their opener, to Cornell by a 16-14 score. Since then they have trampled Harvard, 26-6, got past Columbia, 18-14, posted a 21-9 score over Pitt and last week dropped Syracuse, Eastern Intercollegiate Wrestling association champion last year, by a 17-13 score.

Last year, the Lions took the measure of the Cadets with an easy 29-5 win, and the Black Knights finished the season with a 4-3-2 record.

5 Veterans Back
Five lettermen make up the nucleus of this year's version of the Army mat squad.

Coach Lloyd Appleton, beginning his 14th season with the Army, will probably stick with the same lineup that pulled out the win over Syracuse.

Bob Karns, a sophomore who has been undefeated since he started out with the freshman team last year, will be Appleton's starter at 123. Pat Brian will probably follow him at 130.

In the 137 pound class, the Black and Gold will probably send Dick Wasson to the mats and follow up with Dan Myers at 147. Don Swygert, who finished fourth in the Easterns last year, will be at 157.

Mulder at 167
Army captain Dean Mulder, undefeated this year, will grapple in 167 for the Kaydets. Mulder last year jumped back and forth between 157 and 167 but wrestled at the heavier weight in the Easterns and finished third.

An ex-Pennsylvania scholastic champion, Al Paulekas, of Farrell, will probably take over in the 177 pound match. Paulekas, like his teammate Karns, was undefeated in his freshman year and also this season.

Army's heavyweight will probably be J. D. Kimmel, a 220-pounder who played defensive tackle for Coach Earl Blaik's football team this season and was placed on the Nittany Lions' football all-opponent team.

Dean Mulder

DiMaggio Signs For \$100,000

NEW YORK, Feb. 7 (AP)—The New York Yankees today received their best piece of news since their World Series sweep of the Philadelphia Phils last October in the receipt of the signed contract of Joe DiMaggio, who will play this season for another \$100,000.

As per custom, no salary figures were announced but General Manager George Weiss said that the star centerfielder will earn as much as he made in each of the 1949 and 1950 seasons when his salary was a reported \$100,000.

DiMaggio's acceptance of terms was interpreted by Weiss as a good sign in more ways than one. He hoped that Joe's action would spur other Yankee regulars, who up to now have shown a reluctance to come into the fold. DiMag is only the fourth Yankee regular to sign for 1951.

Bell Settles Pro Grid Squabble

PHILADELPHIA, Feb. 7 (AP)—The National Football league squabble over conference alignment and schedules was settled today by Commissioner Bert Bell despite objections by some owners.

"Since the owners cannot agree on conference structure and a schedule I am, at their direction, placing in effect a fair and equitable setup. The basis for the schedule is now set and all I have to do is make up the actual schedule with dates," said Bert.

Under the Bell plan the two conferences will be the same as in 1950. Philadelphia, Cleveland, Pittsburgh, Chicago Cards, New York Giants, and Washington Redskins are in the American conference. Chicago Bears, Los Angeles, New York Yanks, Green Bay, Detroit, and San Francisco lineup in the National.

They have lost to the Army plebes, Navy, and Clarkson College of Tech.
