

### Jr. Panhel Has First Birthday

The junior Panhellenic association is having birthday No. 1. It was last year at this time that this group was organized, and held its first meeting March 7.

All sorority pledges are members of the junior Panhellenic association. Two members of each sorority pledge class form the council, which is the governing body. These delegates serve from the time of their pledging in the fall until March 15, even though they may be initiated within that time.

#### Advisory Group Assists

Working with the council is an advisory group consisting of Lynn Levitt, vice-president of the senior Panhellenic council; Mary E. Brewer, assistant to the dean of women; and Cathryn Lang and Mrs. A. K. Anderson, who are sorority alumni of State College.

The purpose of this organization is to further campus and inter-sorority spirit and to develop within the member groups cooperation and responsibility as well as develop interest in all campus activities. It acts as a forum for discussion of Panhellenic questions of interest to both actives and pledges and promotes sound scholarship and high social standards among pledge groups.

#### Held Tea For Pledges

Last fall junior Panhellenic held a tea for all sorority pledges to get acquainted. They will assist the senior Panhellenic group in their work-shop this spring. Students from all schools having Panhellenic organizations, as well as a few out of state, will be welcomed to participate in this work shop.

This spring junior Panhellenic plans to hold a meeting with all freshman women who are interested in receiving information on sororities whether they are going to go through rushing in the fall or not.

Officers of the council are: Mary Lou Elliot, president; Susan Knapp, vice president; Sally Lydden, treasurer; and Eleanor Yechinevich, secretary.

Nancy George, Panhellenic president, was the initiator of the junior Panhellenic association formed on the campus last year.
