

# Sixteen Teams To Compete In EIWA Tourney

## Penn State Only Unbeaten Team In Rec Hall Tilts

By GEORGE GLAZER

Sixteen teams, all members of the Eastern Intercollegiate Wrestling association, will begin to move into State College Thursday evening in preparation for the 47th annual EIWA championships to be held in Rec hall Friday and Saturday.

Rec hall will have a semi face-lifting job done on it to accommodate the tournament. Three wrestling mats will take up most of the floor space on Friday. Timers, scorers, and the press will be placed at a table with rows of chairs stretching the entire length of the floor.

There will be no radio broadcast of the matches, but there is a possibility that some matches, probably the finals, will be filmed and televised later.

### Bus Service

Penn State will provide a shuttle-bus service for visiting teams to and from Rec hall to the Nittany-Pollock dorm area where the visiting teams will be housed. The buses will make trips every 15 minutes.

Of the teams entered, only Penn State will field an undefeated team. The Lions ended their season Saturday with a 20-6 victory over Cornell and became the first Penn State team since 1936 to end the dual meet season without a defeat.

Three other teams, Brown, Lehigh, and Rutgers will come into the tourney with only one loss. Brown has won eight times, Lehigh nine, and Rutgers seven.

### Syracuse In Running

Despite the fact that defending EIWA champion Syracuse has only a mediocre 3-4 record for the season, most sources refuse to count them out of the running. In addition to Syracuse and Penn State, Lehigh, beaten by State in the first match of the season, Brown and Rutgers are considered the top choices for the crown.

Lion mat Coach Charlie Speidel early in the campaign tabbed Rutgers as the "dark horse" of the meet. Rutgers' lone Eastern champ, Emil Perona, 167, was beaten this season by Don Thomas, Navy's candidate for title honors.

Speidel will renew his long-time rivalry with Lehigh Coach Billy Sheridan, who has been at the helm of the Engineers for 39 years. Speidel has led the Lion mat fortunes for the last 25 yrs. Sheridan is now in Buenos Aires with the Pan American wrestling team and will return in time for the tournament.

Lehigh and the Big Red of Cornell lead the 16 teams in the number of team titles garnered since the inception of the EIWA. The Engineers have 13 titles, Cornell 11. Lehigh came into the loop in 1908, Cornell in 1913. Penn State,

## They'll Represent the Nittany Lions

WITH THE POSSIBLE exception of Dean Harbold wrestling at 130 in place of Jack Dreibelbis, these eight matmen will represent Penn State in the Eastern Intercollegiate Wrestling association championships which will be held at

Rec hall starting Friday. Barr, captain and heavyweight who'll be seeking his third straight title, Reese, Dreibelbis, and Rubino are seniors. Lemyre and Frey are sophomores. Santel is a junior.

which joined the league in 1918, has nine team titles.

Cornell holds the lead in individual EIWA titles, with 63, 31 of which came before 1918. The Nittanians have taken in 57 titles, followed by Lehigh with 56. The Staters also boast the distinction of having taken six out of seven individual titles in 1918. The most Lehigh could gather in one year was four in 1939.

## Schott Participates In NCAA Confab Barring Game TV

As a member of the policy-making council of the National Collegiate Athletic association, Dr. Carl Schott, dean of the Physical Education school, participated in the weekend Chicago meeting which agreed to ban live television of college games.

him first place in the next day's meet and eliminated any chance of his training for the Eastern tourney. He won it anyway, binding the wrist tightly and favoring it throughout his routines.

Unfortunately the wrist could not be brought around in time for the Nationals and he had to forego the tournament until this year.

Speaking of next week's Easterns, Valentino said that he tires himself out practicing before a meet. So he will go into competition "cold"—without any practice.

Well, at least there have been no fire-hydrants this year. Not yet!

## Council To Repair N. Atherton Street

State College Borough council Monday night adopted a resolution to have the Department of Highways widen and improve N. Atherton street.

Final improvement plans are not completed yet but will be subject to council review when finished. George E. Nagele, district engineer, said complete plans would be ready soon, and that the project would probably be started this year.

Council took this action to widen the highway after a request by College Heights school parents that steps be made for the safety of the children in that area.
