

# Stickmen Prepare For Opener As Blue Team Routs Yellows

By TOM SAYLOR

Lacrosse Coach Nick Thiel's blue team soundly whipped Assistant Coach John McHugh's yellow squad, 11-3, as the Lion team tuned up for successive games this weekend with Western Maryland and Navy.

The match was close until the third period when the blue team rammed home four straight goals inside 2:20 to make a rout of the contest. These four scores gave Thiel's squad a commanding 9-3 lead.

The blue team also drew first blood in the contest when attackman John Walker scored from 12-feet out a 5:35. McHugh's team quickly knotted the count when Dick Rostmeyer netted a shot from straight out at 7:55. However, Thiel's blue team bolted back into the lead when Jim Fulton, who started at one of the midfield positions, scored to give his team a 2-1 edge as the quarter ended.

### Three More

The blue squad continued its attack in the second period as they added three points to its total on goals by Jim Reed, John Wilcox, the first of four he was to score, and midfielder Bud Wolfram. These scores gave the blue team a 5-1 margin at half.

McHugh's squad showed some life at the start of the second half when midfielder John Yohman scored twice in rapid order at 31:35 and 34:00.

### Rout Begins

Then came the onslaught and with it the blue team's four consecutive goals inside of 2:20 which turned the contest into a rout. Fulton scored the first at 35:00 and then Wilcox really went to work as he poured two into the net within the exact time of 2 minutes. Reed's score at 37:20 ended the massacre. Fourth-quarter goals by sub Ed Duffy and another by Wilcox were merely incidental as the damage had already been done.

As to the contest, Coach Thiel had this to say: "Our shooting wasn't as good as it should have been. The ball handling also left something to be desired."

### Frosh Practice

Coach Dick Garber has also been working hard with his freshman lacrosse squad. According to Garber: "The strong part of our team is its defense. Thus far at this spot, Jim Devoe, Bob Beaumont, and Phil Greenburg have all looked fairly well. At the goalie position, we have a good man in Don Bell, who has played some box lacrosse. At attack, Dave Arnold and Charles Gibbs have looked especially good. At midfield, there's Ed Forney, Bob Myers, Bob Zinn, and Jerry Henderson; these four have looked good at midfield."

Thus far, 35 frosh have reported daily for practice. The frosh have been working with the zone defense, simple screens for the offense, and other setups which correspond to the varsity's.

# Chicago Rookie Hurls 5 Hitter

LITTLE ROCK, Ark., April 9 —(AP)—The Chicago Cubs, behind the five-hit pitching of Omar Lown, defeated the Little Rock Travelers of the Southern association, 6-1, today. It was the Cubs' 16th baseball exhibition win against nine losses.

Lown, 27-year-old rookie from Montreal, spaced the five hits over eight innings. Bob Kelly pitched the ninth for the Chicagoans.

The Cubs made four of the runs off Dutch McCall, former Cub lefty—one on Hal Jeffcoat's theft of home in the fourth inning and three on Hank Sauer's No. 8 homer in the fifth.

No site was set for next year's tournament, which will feature ten weights because of the Olympics next spring.

# Should Have Stood In Bed

"Should have stood in bed" is what Jim Boyer, Western Maryland coach, must have said to himself after watching the Lion maulers pile up 18 runs in two innings.

# Lag., Leonard Pace Hitters

(continued from page six)

In the attack department, the State diamondmen collected seventeen hits off four ineffectual Terror pitchers, and coupled these bingles with six stolen bases, sixteen walks, and five defensive errors. Bill Leonard and Stan Laganosky each rapped out three hits to lead the onslaught. Leonard and Bill Hopper paced their mates in total bases as they each blasted two doubles.

Coach Joe Bedenk's charges play host to Georgetown in a two game series this Friday and Saturday.

# Daffy Spring Training Grind Closing Fast

## Indians, Kids, Fire Add To Festivities

Indians, a fire, kids, matrimony, and tongue-in-cheek predictions provided a lot of chuckles during the baseball spring training session which is rapidly drawing to a close.

Jimmy Dykes, fiery manager of the Philadelphia Athletics, had the somewhat dubious honor of having a day of practice cancelled when a band of Seminole Indians took over his playing field.

A usual umpire needed par excellence, Dykes had a rare day when he lost his voice, on a different occasion, and couldn't even say "beans" to an arbiter.

### Where's Konstanty

Both the Pittsburgh Pirates and the Chicago Cubs and even the spectators were forced to leave the field in New Orleans when a fire broke out in the stands. Picture the bewildered umpire in front of home plate speaking in a hesitant voice, "Game called because of . . . fire!"

The children of the Philadelphia Philly players definitely wanted to get into the act the day they charged out of the stands en masse to imitate Daffy. Little Leaguers no doubt!

### Marry Men

Always dependable Branch Rickey of the Pirates pulled another first the day he offered eligible bachelors on the Pirate squad bonuses to get hitched. He thinks it's "a key to baseball success." Perish the thought you would—be major leaguers. It

# Lion Trackmen Compete For 4-Mile Relay Posts

By JAKE HIGHTON

Distance men on the Lion track squad have only one goal at present—to make the four mile relay team for the Penn Relays, April 27-28.

The reason for the mile emphasis is that Coaches Chick Werner and Norm Gordon are plotting to sabotage the carnival's four mile relay record which now stands at 17:16.

## 4 Mile Relay Star

BILL ASHENFELTER, almost a certain starter when the Lion 4-mile relay team goes after a new record in the Penn Relays April 27-28, turned in a 4:11 mile last spring in the Boardwalk mile and hopes to better that in Philadelphia later this month.

Penn State has the potential to lower that mark to near 17 minutes. Of the certain starters, Bill Ashenfelter has run a mile in 4:11 in the Boardwalk mile last spring; Bob Freebairn did 4:15 this winter on Army's indoor clay track; and Don Ashenfelter has been clocked as fast as 4:19.

### No Problem

To find a fourth top-notch miler is Werner's problem. Actually it is no problem. He has almost 15 men who will be putting out everything in time trials this Saturday afternoon to make the coveted fourth spot.

With good weather Saturday, it may develop that several milers will be recorded for a near 4:20 and still be shut out. That is how keen competition will be. Werner expects some new faces to make the boys with the clippings really dig out.

### Aspirants

Here is a list of the aspirants for the wide open slot who will vie in the Saturday trials: Dud Foster, Bill Gordon, John McCall, Jack St. Clair, Pete Sarantopoulos, Vinton Singer, Dave Pierson, Jack Horner, Stan Lindner, Bob Parsons, Bob Gehman, Sam Hamilton and Bob Rossler.

A pair of track frosh runners, Don Bagby, and Red Hollen are likely to run swifter miles than some of the varsity men, but unfortunately they are unable to compete.

takes more than a mate to hit at the plate!

There goes that song again department: Joe DiMaggio and Smokey Joe Page indicated they will quit baseball if they don't click this season. Ted Williams will hit to left field against the Williams shift.

Get out the saw, Mom, the boys are out on a limb again.

# "Clothes for the College Man"

by Men YOU Know

If there happened to be a college honorary named, Beta Delta Mu (best dressed men), these fellows would certainly be distinguished members. Their appearance is always the best. Each article of clothing they wear is chosen in good taste. Their claim to fame is the knack of knowing what clothes the college man should wear. That is why they have been chosen to be the best dressed by their fraternities. Come to HUR's this week and see their choices displayed in the show windows. You'll see fine taste in "clothes for the college man."
