# Lion Tennis Team Opens Campaign At Bucknell Friday, Georgetown Sat.

By JOHN SHEPPARD

Come Friday, and the Nittany Lion tennis squad will open the 1951 net season when it tangles with the Bucknell courtmen at Lewisburg.

Saturday afternoon the Foggmen will meet the Georgetown net combine in Washington, D.C.

In their initial start against Bucknell on Friday afternoon, the Lions will be at a definite disadvantage, for they will be opposing a team which is in the middle of its schedule. The Bisons will have played seven matches prior to their fray with the Foggmen.

However, having watched the Lions' '51 net club run through its paces, it seems evident that the veteran star-studded lineup will overcome the handicap, and bring home the laurels for Coach Fogg.

### Double Win

Last year the Nittanians opened their season with a double triumph over the men of Bucknell, defeating them 5-4 in their first contest, and romping to an 8-1 conquest in the final engagement.

A check of last year's billing showed that Captain Owen "Sonny" Landon, No. 1 man on Fogg's team this year, Dick Wieland, No. 2 man, and Ed Davis, No. 4 man this season, registered singles victories.

Captain Landon won 6-4, 6-3. Wieland downed his opponent 6-1, 6-3, while Davis stopped his opponent 6-1, 6-3, while Davis stopped his man 6-3, 6-3. The other three single competitors also captured wins, thus allowing the Statesmen to make a clean sweep of the singles activity.

### Lone Point

Bucknell chalked up its lone point in the doubles action, as the Lions' No. 2 twosome suffered 6-4, 6-3 setbacks.

However, the doubles combinations of Landon and Wieland, Bill Wood and Bill Walks, and Davis and Boyer retaliated for the Lions.

Thus far, Coach Fogg has selected his first 3 starters in the singles event. Either Bill Aiken or Davis will start as the No. 3 or No. 4 man. The No. 6 post is wide open and at the present sophomore Bill Forrey, and Gus Bigott are vieing for the starting call.

### Newcomers

Coach Fogg also said that several of the newcomers are displaying fine form, and perhaps as the season progresses, they will edge the veterans from their starting jobs.

Sophomore Bill Ray, Pete Farrell, State College's 6-7 giant, and Forrey are the new hopefuls who have been impressive thus far, Fogg added.

### Rip Engle To Speak At Boy Scout Council

Head football coach Rip Engle will speak at the 21st annual meeting and dinner of the Juniata Valley council of Boy Scouts at the Seven Mountains Scout camp today at 6:45 p.m.

Nearly 100 candidates answered the call for football drills at Penn State this spring.

# 'Slammin' Sam Slams Golf Ball Over Scoreboard

CHICAGO, April 17 (AP)—Sammy Snead settled a long-standing argument today over whether a golf ball could be driven from home plate over the towering centerfield score board at Wrigley field. It can, by a golfer like Sam.

Wearing street clothes, Snead sent a ball zooming well over the score-board with a No. 2 iron after hitting the board with a swing with a No. 4 iron. Snead calculated the carry was 175 yards. The score-board rises 89 feet in the air some 50 feet behind the 400-mark on the centerfield wall.

Snead did the trick before the Cincinnati-Chicago Cubs opener. Sam was in town for an x-ray of his recently-broken left hand. He said the examination revealed the break was mending properly, but that exercising of the hand was necessary.
