Wengert Named IFC President

By MOYLAN MILLS

Stanley Wengert, Alpha Tau Omega, was elected president of Interfraternity council for next year by a close vote over Jerome Gibson, Alpha Sigma Phi. The vote was 25 to 22.

Other officers elected at last night's meeting of IFC were James Wharton, Sigma Nu, vice-president, and John Allison, Phi Kappa

Cabinet To Get Early Report On Final Vote

Final election returns will be announced at the All-College cabinet meeting tonight at 8 o'clock in 201 Old Main.

All-College President Robert Davis will announce the name of his successor immediately after the votes have been tabulated.

Reports from three committees are on the agenda for the meeting.

A final report from Owen Landon, chairman of the Student Handbook committee will be heard.

David Mutchler and Mary Ellen Grube will report on the progress of the Awards committee which is working on the selection of a faculty or administration member to receive an achievement award.

A report for the Ice-Skating committee will be made by Jay McMahan.

The second vote on an appropriation for awards to be made to the College soccer, wrestling, and cross-country teams will be among the other items on the agenda.

Kimbrough's Life Full Of Adventure, Mishaps

Emily Kimbrough, authoress and lecturer who will be the fourth Community forum speaker of the year tonight at 8 o'clock in Schwab auditorium, has led as fascinating life of adventure and mishap.

Single tickets, priced at \$1, are on sale for the lecture at the Student Union desk in Old Main. Season tickets will be honored at the door.

Miss Kimbrough, who has been an editor and screen writer as well as author and lecturer, got her first job by mistake. She walked into the advertising department of the Marshall Field store in Chicago wearing a picture hat and carrying a poodle.

She Got The Job

She never expected to get the position because she was dressed to go to a party instead of to work, but she got the job and a short time later became editor of Field's "Fashions of the Hour."

Following her job with the Field store, Miss Kimbrough became fashion editor of Ladies' Home Journal and eventually managing editor of the Journal. It was during her stay with that magazine that she scandalized the dignified office staff by looking at fashion sketches while flat on her stomach on the floor.

Unusual Position

Every once in awhile, Miss Kimbrough would roll over on her back and peruse the sketches at arms' length. Memo after memo poured into her office citing the dignity of the company and its responsibilities to its readers, but there is no record that the memos produced the desired effect.

Miss Kimbrough's lecture style is bright and biographical. She often repeats some of her favorite adventures or tells of the unusual persons she has met.

Two of her lecture subjects are

Wharton Beats Koons
Wharton won over Robert Koons, Sigma Pi, 36 to 11. Allison captured 25 votes against Earl Baker, Chi Phi, with 13 votes and Richard Hartle, Sigma Nu, with seven votes.

Wengert is a junior in the Department of Economics and Commerce. He is from Sheffield, Pa., and is currently president of Alpha Tau Omega. Wharton hails from Johnston and is junior in the arts and letters curriculum. He is currently vice-president of Sigma Nu. Allison is also a junior in the arts and letters curriculum. His home town is Oil City and he is now president of Phi Kappa Psi.

Annual Banquet

The new officers will be installed at the annual IFC banquet to be held at the Nittany Lion Inn April 30 at 6:45 p.m. Julian Cook, banquet chairman, announced that A. R. Warnock, dean of men emeritus, will be guest speaker.

Harold Leinbach, current IFC president, reported he had discussed the discontinuance of the football spring training table with Robert Higgins, professor of physical education.

Leinbach last week announced that some houses were having trouble meeting their budgets because the College has canceled the training table for football players on athletic scholarships. Houses with budget trouble will meet with Leinbach and a report will be given at the next IFC meeting.

Emily Kimbrough

her twin daughters whom she calls A and B. In private life, Miss Kimbrough is Mrs. Wrench. One of the mishaps for which Miss Kimbrough is famous occurred in Hollywood when she and Cornelia Otis Skinner were acting as technical advisors for the film version of their best-seller, "Our Hearts Were Young and Gay."

More Than 2000 Vote On 1st Day

They Voted -- Did You?

—Collegian Photo by Stein

EDWIN BARNITZ, elections committee chairman, looks on as five students cast ballots in the opening day of voting for all-College, senior, junior and Athletic association offices. Students are William Phillips, Education; William Phillips, Liberal Arts; Charles Mathues, Liberal Arts; Kenneth Shearer, Agriculture and Kasty Saucinas, Engineering.

Forty-Five Tapped For Phi Eta Sigma

Nineteen sophomores and 26 freshmen have been tapped for Phi Eta Sigma, national freshman honorary fraternity, president David Mutchler announced yesterday.

Only first and second semester freshman are eligible for the honorary under ordinary conditions, but with Penn State's farming system, third semester sophomores are also eligible. Sophomores are given one semester on campus to prove themselves.

Vandenberg Dies At 67

GRAND RAPIDS, Mich., April 18 (AP)—Senator Arthur H. Vandenberg died tonight.

Death came quietly to Michigan's Republican senior senator after a long illness, 27 days following his 67th birthday.

Senator Vandenberg had been fighting tenaciously to regain his health since surgery Oct. 3, 1949, for removal of the upper lobe of his left lung. The operation was performed at University of Michigan hospital, Ann Arbor.

He recovered and returned briefly to his Senate duties. In April of 1950 he underwent a second major operation at Washington's Georgetown hospital for removal of a tumor from his spine.

Election Story Feature Of New 'Independent'

The Independent's fourth issue of the semester, featuring an article on the reaction of independent students to the current All-College elections, will be distributed today.

The issue also contains a feature on Doris Sher, new Leonides president, and complete details of the unusual decorative effects to be presented at the "Dimensions in Music" dance which is being sponsored by Leonides and the Barons this week-end.

Moylan Mills, editor, said William Phillips has been added to the circulation staff.

Record Vote Of 1950 May Be Surpassed

Last year's all-time record high vote seemed doomed to be erased as better than 2000 cast ballots for All-College, senior class, junior class, and Athletic association officers yesterday.

The ballot boxes will be open from 8:30 a.m. to 5:30 p.m. today.

Less than 1700 votes must be cast today to break the 1950 record high of 3671 ballots.

Today's count was 23 per cent of the total eligible voters and represented a new first-day record vote. A total of 8738 are eligible to vote.

The ballot boxes opened at 8:30 yesterday morning and remained open until 5:30 in the afternoon.

Counting of the ballots will not begin until the closing of the polls this afternoon, elections committee chairman Edwin Barnitz, said yesterday. Final results are expected by 8 o'clock.

Barnitz, "very pleased" with today's turnout, expressed hope for a "bigger turnout" today. He said more than 2300 would have to vote today in order to bring the total vote to 50 per cent of the student body.

A little more than 42 per cent voted last spring.

The positions at stake and the candidates are: James Worth, State, and Clair George, Lion, All-College president; Harry Cover, State, and Ray Evert, Lion, All-College vice-president; Thomas Jurchak, State, and William Kli-

Dean Wilson OK's Pollock Bus Proposal

The Pollock council's proposal to request hourly bus service between State College and Bellefonte was approved by H. K. Wilson, dean of men, yesterday.

"It is all right with me if the students want it," the dean told Nittany-Pollock council members Robert Faust and Henry Pitt. But he added that he felt there wasn't any demand for transportation to Bellefonte.

The proposal was brought up at the Pollock council meeting Tuesday night. At that time Pitt told the committee he had drafted a letter to the Greyhound company and the Edwards Lakes-to-the-Sea firm.

Pitt stated in the letter that there is a definite need for a bus franchise in State College. "The recreation facilities in State College," he said in the letter, "are inadequate."

Robert Stottlemyer, Pollock council member, reported Tuesday to the council that airforce personnel are moving into the area "sometime next week." He urged that the dorm presidents do all in their power to better relations with the new residents.

Washing machines for the Nittany-Pollock area will arrive next week, John Smerke of the public welfare committee reported.

Leonard Tomazin, council president, announced that extra subscriptions to popular magazines had been obtained for the TUB. He also urged the members to ask the residents in their dorms to back the current blood drive. The quota for the Nittany-Pollock area is thirty volunteers, he said.

DSPE To Show Movies

Movies of the Penn State-Nebraska football game will be shown tonight at 8 o'clock at a meeting of Delta Sigma Pi, economics and commerce honorary, to be held at Beta Theta Pi.

Sever Toretti, assistant football coach, will be the narrator.
