

## Foggmens Oppose Juniata In Home Opening Match

Riding a two-match winning skein, Coach Sherm Fogg's tennis squad will make its 1951 home debut this afternoon when it encounters Juniata on the varsity courts.

The fray will start at 3:30.

Beating their first two opponents (Bucknell and Georgetown) by the same score, 6-3, the Foggmens will be facing the "breather" on their 13-game card, before tangling with a veteran-laden Pitt team in their second home game of the week on Saturday afternoon.

After meeting the Panthers, the Lions will host Bucknell in a return contest, and Maryland. If all fares well, the Nittany racquetmen should keep their winning streak in tact. Last season they won all seven of their home matches, while dropping three on the road.

The State netters will be playing Juniata for the first time; and in short, the Juniata men should be in for a time of their lives as they will be playing out of their class.

### Tribe Wins

In their latest match the Tribe pulled a 9-0 win over a weak Indiana STC. Juniata's netmen had dropped 13 straight since 1947. During '48, '49 they dropped the sport.

Coach Fogg expressed deep satisfaction with the performance of his star-studded aggregation in its first two conquests, and was particularly impressed with the high spirit and hustle that his charges have been demonstrating.

For the first time in his four years at the helm, Coach Fogg has that ever important "depth," and his crop of wealth is very evenly distributed, making it difficult for him to give the newcomers an opportunity to perform.

### Forrey Loses

Sophomore Bill Forrey was the first of the new hopefuls to break into the starting lineup. Forrey playing against the Bisons, dropped his two sets, 6-8, 4-6. However, his veteran opponent had to fight right down to the wire before claiming the victory, as the Lansdowne prospect registered several aces to extend the sets before losing out.

Captain Owen "Sonny" Landon will get the call to toil as the No. 1 man for State. Landon, who suffered his third setback in 23 successive matches against the Bisons last Saturday, will be raring to go.

## Penn State's Four Horsemen

BESIDE JUST WINNING the four-mile relay this Saturday in the 57th annual Penn Relays Carnival, these Lion distance men will be racing to wipe out the Carnival record for the event. This same foursome was upset last year by Penn after the Wernermen had won the event the three previous years. Seeking to erase the Indiana record of 17:16.1 are l. to r., Bill Ashenfelter, Bob Freebairn, Don Ashenfelter, and Bob Parsons.

## 4-Mile Team, High Jumpers Lions' Best Bets At Relays

If you want to wager on Penn State's chances in the Penn Relays Friday and Saturday, the best bets are the Lions' four-mile relay team and either of the twin high jump entries, Vic Fritts and Jim Herb.

Fritts, bothered by the highjumpers nemesis of inconsistency, has leaped as high as 6'8" in practice already but in last year's Relays he could only do 6'2" which failed to place. Having hit 6'3" to date, Vic may take the gold medal.

Hot and cold jumping has dogged Herb also. He hit his peak early in the indoor season with a jump of 6'7" but only needed 6'5" to take the indoor IC-4A championship. That height could win on Saturday.

On paper, 4-mile relayers are a cinch to regain the title they held for three straight years until Penn edged them last year.

### Second Last Year

Bob Parsons, Don Ashenfelter, Bill Ash, and Bob Freebairn will carry the baton for a mile each on Saturday. The same quartet took second last year.

Despite Coach Werner's natural fears about them even winning, more keen interest develops over whether or not they will break the Carnival record which stands at 17:16.1 for the four miles.

### 440 Relay

Seeking to retain the 440 relay championship for the Nittanians on Friday will be Bill Lockhart, Bill Lauer and Guy Kay. The same quartet, each running a 220, will go in the half-mile relay 40 minutes later on Friday.

Guy Kay will be running in the Friday meet opening 400 meter hurdles against the East's best.

Not up to Chuck Drazenovich's best heaves last year, Tom McDermott, Dick Cripps, and Bob Krayer will heave the shot and discuss both on Friday.

### Two Mile Run

Dud Foster and Jack St. Clair, who have both hit around 9:45 so far, are scheduled for the two mile run Friday.

In the Friday distance medley, Don Ash or Parsons will go 880, Locky or Lauer, 440, Freebairn 3/4 of a mile (Bob did the distance in 3:04.2 last night), and Bill Ash will carry the anchor baton.

Ted Roderer is listed for javelin action on Sat. as is Owen Wilkenson in the pole vault.

### Sprint Medley

The sprint medley will have Locky going 440, Lauer, 220, Kay, Polito or Kline another 220, and Bob Roessler, Dave Pierson or John McCall the anchor 880.

Roessler, Pierson, McCall, Don Ash, and Parsons are the group from which four go in the two-mile relay on Saturday.

Closing the program on Saturday, Locky, Roessler, Lauer and Kay have a one mile relay to run. Ted Mortenson, John Milsom,

Ray Steffen, 6'5" veteran center, was named "Most Valuable Player" of the 1950-51 Michigan State basketball team by vote of press and radio representatives following the team. Steffen led the Spartans in scoring all season.

Bill Kilmer and Ollie Sax exchange the baton over the mile route for frosh on Saturday.

## Favorites Set Pace

PINEHURST, N.C., April 24 (AP) —Led by the steady par shooting of defending champion Pat O'Sullivan, the favorites lived up to their billing today to get by the first round of match play in the 49th Women's North and South Amateur Golf tournament.

Joining Miss O'Sullivan, Orange, Conn., girl who plays out of nearby Southern Pines, in the upper bracket, were medalist Mary Lena Faulk, Thomasville, Ga., and such top notchers as Grace Lencyk, Hartford, Conn., Carol Diringier, Tiffin, Ohio, and Marjorie Lindsay, Decatur, Ill.

## Lacrosse Team's 4th Period Fade Surprises Thiel

The way Penn State fell apart against Loyola of Baltimore in its home-opening lacrosse contest of the year has caused much concern in the Lion coaching camp.

As Coach Nick Thiel put it: "The boys played terrific ball for three quarters. In that time, we piled up a 12-6 lead. The way we were playing practically convinced me the game was won. I didn't figure Loyola to score more than three goals in the final period the way they were playing; and even three would have been a lot. After they tied the count at 12-12, I still figured that it would take them an overtime period to lick us."

### Team Relaxed

Assistant Coach John McHugh shook his head in half disgust and half amazement and said: "The boys relaxed at a time when they should have been fighting for all they were worth. I suppose they were a little tired though."

This week Coach Nick Thiel's crew will go at the scrimmages "hot and heavy." Thiel emphasized that the Lions will also work a lot on ground balls. Practice on ground balls will better condition the Lions as this type of play involves much running.

### Wilcox Scores 5

Even though State lost, however, the Lions did exceptionally well in the offensive department. In the first three quarters, they rolled up 12 counters. John Wilcox had five of these. Paul Rafensperger also chipped in with three.

Penn State will take on the University of Pennsylvania this Saturday. The Lions should not have too much trouble with this contest as Penn had little last year and this year's squad offers little in the hope of bettering last season's mark.

### Defeated W. Chester

The Quaker city crew thus far this season has won one while dropping two. Penn defeated a weak West Chester squad, but they lost two tilts to Swarthmore and Harvard. Harvard gave the Quakers a 18-1 shellacking.

The match with Penn will be the second of four consecutive contests that the Lions will have at home. After Penn will come always powerful Syracuse and then will follow the Maryland Lacrosse club.

## Major League Attendance Drops

NEW YORK, April 24 (AP) — Blame it on the weather, TV, General MacArthur or the cost of living, but major league baseball attendance is off some 22 percent for the first week of the season.

Actually more home dates were played this year than last, 45 to 40, and there were fewer postponements, 13-8, than last spring.

The two-league total for the week was 673,306 as compared to 769,068 in 1950, a drop of 95,762. Figured on a per game basis, the percentage drop is roughly 22 percent.

American league figures show the most marked decline, particularly at Boston, Detroit and St. Louis. Both the Red Sox and Tigers are off more than 35,000 for their first three home dates.
