

Faculty Reception Set For Tonight

The junior-senior faculty reception will be held tonight from 7:30 to 9:30 in Simmons Lounge.

All junior and senior women are invited to attend according to Audrey Brua, chairman of the WSGA coed coordinating committee, sponsor of the reception.

Faculty members and hostesses will be in formal dress although students do not necessarily have to come in formals.

One hundred and ten acceptances have been received from faculty members.

Reception Line

Guests will be greeted by Pearl O. Weston, dean of women, and her assistants, Mrs. Cordelia Hibbs, Miss Patricia Thompson, and Miss Mary Brewer, and by Barbara Sprengle and Mary Jane Woodrow, past and present presidents of WSGA.

Mary Ellen Grube, and Marilyn Williams, retiring and new presidents of WRA, Gay Brunner, and Jeannine Bell, old and new chairmen of WSGA judicial, and Audrey Brua and Esther Beck, retiring and present WSGA senior senators.

Seniors To Pour

Eight outstanding senior women will pour tea for the reception. The seniors are Eileen Bonnert, Lois Evans, Norma Glegghorn, Ruth Johnson, Helen Pond, Elizabeth Swift, Joan Wentzel, and Ella Louise Williams.

Committee members are: refreshments, Grace Porrello, and Audrey Brua; publicity, Sara Klausman and Marlene Heyman; decorations and music, Nancy Worthington, and Joanne Straley; and invitations and floaters, Jeannine Bell and Doris Sher.

Coronation Ball Date Changed

The Coronation Ball will be held in White Hall on Friday, May 11, from 9 to 12 p.m. Gene Magill's orchestra will play for the informal dance. Tickets are \$1.50 and may be obtained at Student Union or at the door.

The dance, sponsored by the Women's Student Government Association as part of May Week-end festivities, originally was scheduled to be held in the West Dormitory lounge on May 12. However, the dorm council protested that they had not known that WSGA planned to charge admission. The policy of the council is to permit use of the lounge for free dances only; therefore the ball had to be transferred to White Hall. WSGA officers said that the organization could not afford to sponsor the dance without charging admission.

In the past the May Queen was crowned at the ball. Because the dance has been changed from Saturday to Friday night this policy has to be altered.

Barbara Klopp, chairman of the dance committee, said that plans are being considered for a mock crowning. No definite plans have been made.

Alpha Chi Rho

Alpha Chi Rho fraternity recently entertained Zeta Tau Alpha sorority. The entertainment included games, skits by Ray Rachkowski, and dancing. Refreshments were served.

Chairmen Picked For Workshop

Committee chairmen were appointed for the Panhellenic workshop to be held Saturday morning at Simmons lounge at the Panhellenic Council meeting last night.

Patricia Acosta will be general chairman of the workshop. Byrne Tetley will head the committee on the Panhellenic post office which will try to get an equal number of rushees at different parties of the same sorority. Zita Kabeschat will be chairman of the finance committee.

Informal Rushing

Aviva Sare will be in charge of the informal rushing discussion. Education of rushies will be the topic of a group headed by Adell Owen. Isabella Cooper will head the membership problems committee.

Rules of rushing will be discussed by a group headed by Sally Johnson. Betty Champlin will be in charge of a panel to discuss delegates to the Panhellenic Council. Mary Turner and June Leahy will serve on the food committee.

General and group discussions will be held at the workshop.

Modified Plan

Miss Owen reported on a modified plan for rushing which will shorten the rushing period. It will be discussed at the workshop.

Virginia Miller will be chairman of the Panhellenic tea for freshmen committee.

The council voted to contribute \$10 to the displaced persons fund. The council also asked the individual sororities to contribute to the fund.

Leonides Calls Unit Plan Good

The unit plan for choosing Leonides Council representatives was termed successful by the council at its retreat Saturday afternoon.

The council felt that it was effective and could be left unchanged. Inactive units with only a few independent women may be combined. The system enables the women to have personal contact with their Leonides representatives.

Minor Changes

Leonides felt that it could make some minor changes in its election code which it copied this year from the Woman's Student Government Association. A nominating committee will prepare a slate for future elections and the date will be changed so that it will not be sandwiched between WSGA and All-College elections as it was this year.

Election results were not published this year since the council was using the WSGA election code. It was decided that the council members would take the question back to the dorms. The results of the poll will be announced later this week.

Leonides Explained

A pamphlet will be sent to all incoming freshmen which will outline and explain the functions of Leonides. Letters will be sent to independent upperclass women telling of the benefits of Leonides.

More activities will be co-sponsored with the Panhellenic council and the Association of Independent Men.

At Monday's meeting Louise Carey reported that Leonides and the Barons will co-sponsor a booth for Spring Week.

Each living unit will receive 15 cents per semester per capita to be used for entertainment. The council also voted to buy a gavel.
