## Local Olympic Games

Penn State's starved track fans will get a real break Saturday afternoon when the Nittany Lion trackmen compete in the Blue-White games on the Beaver Field track.

Sans a home meet schedule, Nittany coach Chick Werner and assistant Norm Gordon have come up with what looks to us like the prize package of the year as far as the spring sports are concerned.

Although the Lion track squad will not be seen in any intercollegiate competition here, Penn State track fans will probably get to see the closest and most competitive meet on the Lion schedule.

Werner has divided his squad up into two teams equally allocating the talent so that now neither he nor Gordon will go out on a limb and predict results of any particular event.

Because of the lack of dual meets this season, all records set Saturday will stand as Penn State standards, both freshman and varsity. So you can bet the boys will be out giving all they've got.

Chances are good that at least a couple of State records will be broken.

Werner expects the 440-yard mark to fall. In that event, Ollie Sax, freshman speedster, will run against the mile relay team in the persons of John Lauer, John McCall, Bill Lockhart, and Guy Kay.

Although Werner would not venture a guess as to who would win he did say that if Sax wins, the freshman record would fall and that if one of the relayers

beat Sax, it would mean a new varsity record.

"Only a downpour will keep those records from falling," he commented.

The feature attraction of the afternoon will be the running of the Mother's Day Invitation Mile, a special event dreamed up by Werner pitting Olympic runner Curt Stone against Bob Freebairn and Bill Ashenfelter. Should Freebairn or Ashenfelter beat Stone, a new record is almost bound to be set. Should Stone win, chances are good that both Freebairn and Ash will better the 4:11.6 record of Gerry Karver and still not be record holders. To set a record, you must win the race.

And that's not all. Each event should have Merriwell finishes if Werner and Gordon have stacked their cards right.

Looking over the entries for each event and the past records of each competitor, we'll have to admit that the two coaches have done an excellent job of match making.

Yes suh—track fans are in for a real treat this Saturday.

## Second Half Grid Video Proposed

DETROIT, May 9—(AP)—Telecasts of major college football games would be restricted to second half action including the band parade and between-half pageantry under a proposal advanced today as a possible solution to the TV problem of the nation's colleges.

The suggestion, which originated with officials of WWJ-TV, Detroit, was aired before the recent meeting of the Big Ten's TV Committee in Chicago.

Informed sources said the plan also has drawn the attention of the National Collegiate Athletic Association's (NCAA) Steering Committee on TV.

The NCAA created a one-year moratorium on televised football early this year, but left the door open for "a certain amount of live telecasting (which) may be studied on a strict control basis to test desired situations."

There were some indications that the Big Ten would ask NCAA sanction to experiment with the "second half" TV idea this fall. A usually well-informed source said such a request probably would be sent to Tom Hamilton, Pittsburgh's athletic director and head of the NCAA TV group.

## Ass't D.A. Says Alleged 'Fixer' Had Contacts

NEW YORK, May 9—(AP)—An alleged fixer in the New York city basketball scandal had contact with players in other parts of the country, an assistant district attorney said today.

The alleged fixer, Eli Klukofsky, alias Eli Kay, 29, was held in \$75,000 bail for a hearing Tuesday at his arraignment today.

**Involved**  
He was arraigned in felony court on a bribery charge involving three City College of New York games and five CCNY players.

At the arraignment, assistant District Attorney Vincent A. G. O'Connor said "Our investigation shows he had contact with other players not alone in New York city, but in other parts of the country."

**No Details**  
O'Connor would not elaborate, however, on whether players from other states had been bribed or whether attempts to bribe them had been made.

But O'Connor did claim that Klukofsky "was serving as a front and intermediary for others." Klukofsky was arrested April 28 outside a Miami, Fla., night club.

In their only appearance in the Rose Bowl, State lost 14-3 to the University of Southern California.

## Frosh Open Track Season With 79-52 Win Over Penn

Norm Gordon's freshman trackmen who have been toiling diligently despite the lack of actual competition, opened their telegraphic freshman meet season with a decisive 79-52 victory last week over Penn.

Time trials run on Beaver Field over a three-day period last week were matched with trials of Penn frosh to determine final standings on a time basis.

Ollie Sax scored a triple triumph in the 100, 220, 440 and finished second in the 880. His sizzling 49.4 effort in the quarter set a new frosh record. Ollie himself set the old mark of 49.7 earlier in the season.

Red Hollen accounted for a distance double victory with a 9:48 two mile and a 4:32.3 mile.

The final margin of triumph could have been much larger if frosh ineligible had counted. Ineligible Jim Finn, triple PIAA winner, did a 10 flat 100 and Harry Mitchell ran the same distance in 10.2.

Don Bagby, also ineligible, raced the mile in 4:31.6 and the half in 1:59.2. Ineligible Ed Snodgrass did the 120 highs in 15.7 and leaped 5 feet 10 inches in the high jump.

## Goodell Reaches Badminton Finals

Robert Goodell, last year's intramural badminton champion from Tau Kappa Epsilon, advanced to the finals of this year's tournament Tuesday night when he defeated Jack Pickett, Phi Delta Theta, in two straight matches 15-11, 15-9.

Goodell will meet the winner of the Dave Girard, Sigma Nu, Bill Aiken, Phi Delta Theta match. The match has been postponed until Aiken returns with the tennis team which is now on tour.

In 1889, Penn State could field only nine men for a football game with Lehigh.

## Lacrossemen Battle Maryland Club Sat.

Penn State fans will have an opportunity to witness a real lacrosse team in action when the Maryland Lacrosse Club pays the campus a visit this Saturday.

The exhibition match will begin at 2 p.m. on the golf course. The Marylanders will bring with them a squad loaded with former college stars from the lacrosse "hotbed" of Baltimore and vicinity.

Such renowned lacrosse schools as Johns Hopkins, national champion for the past three years, University of Maryland, and Loyola of Baltimore will be represented. Lion fans will recall that Loyola defeated State here earlier, 14-12, when they rushed from behind in the final quarter with eight goals to pull out a game that looked "in the bag" for State.

**Five In A Row**  
This year, the Marylanders have compiled a record which would be envied by any club. They have won five consecutive matches. Included in this impressive list of wins are Delaware University and four lacrosse clubs—College Park, Philadelphia, Mt. Washington, and Annapolis.

The Marylanders opened the season with an easy 13-2 conquest of Delaware and then proceeded to whitewash the College Park team, 17-0.

Another shutout was registered against the Philadelphians, 18-0, after which the Marylanders played their toughest game of the season against Mt. Washington. Mt. Washington had beaten the three-time national champions for the past three years. However, the Maryland club was equal to the occasion and edged Mt. Washington, 6-5.

**Another Victim**  
After that contest came another easy win. This time the Annapolis Lacrosse Club was the victim, 10-2.

Thus, in but five matches, Coach Bill Wittlesberger's crew has tallied 64 goals while limiting their opponents to a mere nine. State, on the other hand, has scored 54 goals while the opposition has tallied 42 times.

Coach Nick Thiel verified the ability of the Marylanders when he stated: "Come out Saturday and see how real lacrosse is played."

## U.S. Golf Team To Cop Walker Cup - Turnesa

BIRKDALE, England, May 9—(AP)—Willie Turnesa, captain of the United States Walker Cup golf team, drilled his charges over the bathtub fairways of the Birkdale course today and surmised that his team will be able to hang onto the cup.

But he predicted that Friday's and Saturday's struggle for the international trophy of amateur golf will be "very close."

**Edge On Greens**  
Turnesa also expressed his belief that the Americans will win—for the twelfth time in 13 contests—because "we have the edge in the play around the greens."

Turnesa is almost certain to partner with United States amateur champion Sam Urzetta of Rochester, N. Y., in one of Friday's four foursomes. Willie has not yet made up his mind whether to play in Saturday's singles or leave all those matches to his eight teammates.

**Turnesa Best**  
Turnesa proved himself the best of the Americans in today's singles drill, which went only one round instead of the two rounds the team had been playing every other day this week.

Willie shot a one-under-par 73 despite sixes on the 16th and 18th holes. His performance included holing a six iron approach for an eagle two on the tenth hole.

Although the Lion gridders won more than they lost in 1950, they were outscored, 155 to 141.
