Sax, Gehman — Promising Trackmen

Track fans will get their first chance to see two promising Penn State athletes in competition this afternoon during the Blue-White games on Beaver Field.

The two runners are Bob Gehman and Ollie Sax from whom Coach Chick Werner is expecting big things in the next few seasons.

A sophomore, Gehman has been dubbed by Werner as "the best sophomore miler Penn State's ever had." The strange thing about it is that Gehman never ran the mile in competition until the Navy meet last weekend.

Against the strong Middle competition, Gehman turned in a 4:22 mile. The first mile Horace Ashenfelter, one of Penn State's most formidable track alumni, ever ran was a 4:31. Bill Ashenfelter did a 4:25 in his first attempt.

Bob probably won't shave his time down to Gerry Karver's 4:11.6 for a while yet, but he's got two more seasons in which to accomplish it.

Sax, a freshman, could very well develop into one of State's greatest sprint men. He came to Penn State from Kearney, N. J. High School with the national high school 440 record in 1949 of 48.3.

In his first frosh meet against Penn, Sax copped the 100 and 440 yard dashes, setting a new frosh

record in the 440 with a time of 49.4.

It will be interesting to see what Sax will turn in this afternoon in the 440 when he competes against State's mile relay team, John Lauer, John McCall, Bill Lockhart, and Guy Kay who will each run the quarter-mile.

Rumor has it that one of the Nittany Lion coaches will move over to one of State's biggest rivals to accept a head coaching job at that school in the near future. Nothing official yet — just rumor.

Look for two or at least one of Penn State's lacrosse players to be selected to play in the annual North-South game at the end of the season. One of them is a goalie and the other a midfielder.

Don't be surprised if a few varsity sports and possibly all the freshman sports are minus schedules when the new sport season rolls around next year. A drop in enrollment could very well bring a swing of the ax.

Here's hoping all the events in the Blue-White track games this afternoon end in four-way ties so that more than a handful of men will be eligible to win letters during this abbreviated season.

Rain Cancels Colgate Contest

Rain, no game. That's the whole story of the Penn State-Colgate baseball encounter which was scheduled yesterday for the Hamilton, N.Y., diamond.

More rain is predicted today in Syracuse for the Lions' double-header listed with the Orange nine this afternoon.

Bill Everson with a record of 1-1 is Coach Joe Bedenk's probable pitching nominee for the first game against the New Yorkers and portsideing Owen Dougherty (4-1) is likely to get the call in the nightcap.

The Lion sluggers will be swinging to increase their season log of 5 wins and 2 defeats.

The Colgate contest is a complete washout as no attempt will be made to play it off.

Bowlers Roll 300,299 Games

ST PAUL, Minn., May 11 (AP)—A perfect 300 game and another of 299 were bowled in the American Bowling Congress tournament today.

Vincent Lucei of Trenton, N.J., turned in the perfect score in the second game of his doubles match. The 299 was posted by Howard Rommell of Sturgis,

Mich., also during doubles competition.

The 300 game was the eleventh perfect score in ABC tournament play. The last previous 300 was rolled by Leo Rollick of Huntington Park, Cal., in doubles competition in 1946. The 299 game is the 14th in ABC history.

Campus Interviews on Cigarette Tests

Number 19...THE WEASEL

"Who do they think they're kiddin'?
I invented double talk!"

No wonder he blew his stack! All this double talk about quick cigarette tests was a flagrant infringement on his patent rights! They couldn't fool this character with "one-puff"—"one-whiff" experiments. Millions of smokers have reached the same conclusion—there's just *one* real way to prove the flavor and mildness of a cigarette.

It's the sensible test—the 30-Day Camel Mildness Test—which simply asks you to try Camels as your steady smoke... on a pack-after-pack, day-after-day basis. No snap judgments needed! After you've enjoyed Camels—and only Camels—for 30 days, we believe you'll know why...

More People Smoke Camels than any other cigarette!

U.S. Golfers Take 2-0 Lead In Cup Match

BIRKDALE, England, May 11 (AP)—Four fighting finishes that left the British hanging on the ropes gave the United States a 2-0 lead at the end of the first day of the 13th Walker Cup golf match today.

Brilliant afternoon play reversed the morning picture almost completely. The Americans won two matches in which they were trailing at the half-way point and they halved the other two. Halved matches do not count in Walker Cup scoring.

Must Win Four
The United States must win any four of tomorrow's eight singles matches to clinch the cup which the British have owned only once since 1922. Great Britain must win six of the matches for victory.

Willie Turnesa, the American captain and a favorite with the British galleries, partnered young Sam Urzetta, the U.S. amateur champion, to the biggest victory of the day, a 5 and 4 verdict over

John Morgan and Jimmy Bruen. Dick Chapman and Bob Knowles, one down at noon time, defeated Alex Kyle and 20-year-old Ian Caldwell, one up.

Frank Stranahan and Bill Campbell, apparently certain losers when trailing three down after 18, finished all square against Ronnie White and Joe Carr.

Charlie Coe and Jim McHale broke even against Cecil Ewing and John Langley. They were all square at lunch and were still square at 27 and 36 holes.
