

# Red Troops Attack Allied Defense Line

TOKYO, Thursday, May 17—(AP)—Waves of Chinese Reds struck American forces along a 10-mile front in east-central Korea Wednesday.

Whether it was the expected Communist offensive remained to be seen but one officer said "it looks pretty big."

### BULLETIN

U. S. EIGHTH ARMY HEADQUARTERS, KOREA, Thursday, May 17—(AP)—Massed Communists pressed their second spring offensive in Korea today against the mountainous center. They forced a general allied withdrawal.

There were no immediate reports of a Red penetration.

The attacks were heaviest just east of Chunchon, which is 45 miles northeast of Seoul. They began at 10 a.m. (7 p.m., EST Tuesday) with heavy mortar fire and small arms.

### Assaults Intensified

The action slackened at 1:30 p.m. then the assaults were intensified at nightfall.

An allied officer said two Red Chinese armies faced UN forces in the Chunchon area.

Field dispatches from U.S. Eighth Army headquarters reporting the Chunchon assault were delayed several hours by censors.

Other reports reaching Eighth Army said Reds also struck south-west of Inje, on the eastern front. Inje is four miles north of the 38th parallel and 75 miles northeast of Seoul.

Latest reports from the front indicated the allies were holding their ground.

In all, the Reds hurled six jolting night attacks at suspected soft spots in allied defenses in central and eastern Korea Wednesday.

# FEPC Bill Voted By House Unit

HARRISBURG, May 16—(AP)—The House labor relations committee, prodded by Gov. John S. Fine, approved a bill today banning discrimination in jobs in Pennsylvania because of race, color, or creed.

The measure would create a fair employment commission in Pennsylvania and set up machinery to assure equality in employment opportunity. The committee's action sent the bill to the House for a vote.

"It is high time in Pennsylvania to give our people the God-given right of equality, regardless of race, creed, or color," the Governor wrote Chairman W. Stuart Helm (R-Armstrong) as the committee met.

Similar legislation was bottled up in both House and Senate committees in the 1947 and 1949 sessions.

The bill would also prohibit discrimination from membership in labor unions.

On the tax front, the House appropriations committee clamped down on appropriations to operate the state government for the next two years in an apparent move to force a solution of the Governor's deadlocked tax program.

Appropriation bills for the 1951-53 biennium were stymied when the Republican Senate majority rejected the Governor's flat income tax of one-half of one per cent, the key measure in his \$163,000,000 tax program.

The House, which passed the bill only after a second vote, has since stood pat on that. Neither, also, has there been any move in the Senate to resolve the situation.

### Heck Named President Of Industrial Group

Lewis Heck has been elected president of the Industrial Relations Research Association for the coming year.

Other officers elected at the meeting are Robert Lansberry, vice-president; John Carter, secretary; and Joseph Arteritano, treasurer.

# Acheson Intends To Keep Office

WASHINGTON, May 16 (AP)—Dean Acheson, target of hot fire from critics of the Truman administration, declared today that he "enlisted for the duration" and intends to remain as Secretary of State as long as the President wants him.

Acheson also said today the important thing is to persuade a majority of the United Nations members that Red China, defying the UN in Korea, must not be permitted to shoot its way into the peace league. He pointed out that only in the Security Council can membership be controlled by veto, the other UN agencies operating on majority rule.

Acheson was asked to clarify America's attitude toward the British-Iranian dispute over Iran's move to nationalize the British owned oil industry. Acheson said the United States was urging British and Iranians to work the problem out together, using moderation and avoiding extreme measures.

## News Briefs

### WHEAT TO INDIA

WASHINGTON, May 16—(AP)—The Senate today approved a bill authorizing the shipment of 2,000,000,000 tons of grain to famine-threatened India on a 100 per cent loan basis.

The \$190,000,000 loan is repayable at low interest rates over a period of more than 30 years.

A similar measure is scheduled to come before the House tomorrow. Its fate there is uncertain in the fact of strong opposition.

### NEW STEEL CUT PLANNED

WASHINGTON, May 16—(AP)—The Government was reported today to be planning a new cut in the use of steel for automobiles on July 1, for a total reduction of possibly 35 per cent under 1950.

A new type limiting order also is under study which, some officials said, would encourage auto manufacturers to concentrate their output on smaller, lighter models rather than the heavier and costlier ones.

### UN ARMS EMBARGO

NEW YORK, May 16 (AP)—United States delegates looked forward tonight to a big debate in the United Nations on a proposed global embargo against shipments of arms, ammunition, and war materials to Red China. They appeared confident it would be approved by a thumping majority.

### SOFT DRINK TAX

HARRISBURG, May 16—(AP)—The House received a new bill today to continue Pennsylvania's soft drink tax as a move to avoid a flat income tax.

Rep. Joseph P. Rigby (R-Allegheny), the sponsor, said that re-enactment of the soft drink tax will help to raise funds to avoid levy of the proposed one-half of one per cent flat income tax.

### Prof Named Scribe At PPA Meeting

—Dr. William U. Snyder, associate professor of psychology, was elected secretary of the Pennsylvania Psychological Association for a two-year term at the annual business meeting, May 5.

Other members of the College staff elected to new positions are Dr. Lester F. Guest and Dr. Bruce V. Moore, both members of the executive board.

Dr. Robert G. Bernreuter was appointed chairman of the legislative committee for next year and Dr. Moore, the nominating committee. Dr. Guest headed the program committee for this year's meeting.

### First Aid Course To Begin Tonight

A special instructors' training course will begin at 7 p.m. today in 202 Willard for those who would like to become first aid instructors. David W. Russell, chairman of the State College chapter of the American Red Cross, announced yesterday.

Those completing the course, conducted by Dr. Arthur L. Harnett, professor of physical education, will become accredited first aid instructors of the local chapter.

Persons qualified to enroll in the course are those holding standard and advanced first aid certificates.

### Pitt Chemistry Head To Speak Tonight

Dr. Alexander Silverman, head of the chemistry department at the University of Pittsburgh, will speak at 7:30 tonight in the Mineral Industries art gallery. His topic will be "Some Recent Developments in American Glass Manufacture."

The lecture is sponsored by the Pennsylvania chapter of Keramos, national ceramic honorary society.

### Eisenhower To Speak At Ag Coffee Hour

President Milton S. Eisenhower will be the main speaker of the Agriculture Student Council coffee hour from 3 to 5 p.m. at the live stock pavilion today, Robert Free, chairman, announced yesterday.

Refreshments will be served and the session is open to all agriculture students, staff, and faculty.

# Bradley's Refusal To Disclose Talk Halts Mac Query

WASHINGTON, MAY 16—(AP)—The inquiry into Gen. Douglas MacArthur's ouster exploded today among Senators over their power to force Gen. Omar N. Bradley to tell what was said at a meeting with President Truman last April 6. The White House talk was about firing the Far East commander.

The dispute shoved aside Bradley's testimony on the Korean War.

It brought angry talk that the White House may be "pulling an iron curtain" down on the testimony—and counter charges that the Republicans may be "trying to sabotage" the Asia policy inquiry because they don't like the way the testimony is going.

### Vote Today

The Senate armed services and foreign relations committees—conducting the hearing—will vote at noon tomorrow, on whether to try to force Bradley to reveal the White House conversation. All the signs are that Bradley will be upheld in his refusal.

Chairman Russell (D-Ga.), the inquiry chairman, said the question will be: "Whether or not a congressional committee has the power to compel an adviser of the President of the United States to disclose the details of a conversation he had with the President on a confidential basis."

No witnesses are expected to be heard tomorrow but Maj. Gen. Hoyt Vandenberg, Air Force Chief of Staff, is slated to testify Friday at 9 a.m.

### Assassination Plot Stopped By Iranian Officers

TEHRAN, Iran, May 16 (AP)—Police arrested the No. 2 man of the fanatical Fedeyan Islam religious society in a gun fight today and charged him with plotting the assassination of Premier Mohammed Mossadegh.

The arrest and a newspaper campaign threatening a Moslem holy war against Britain built up pressure for the speedy seizure of the rich Anglo-Iranian oil company under the nationalization law.

All newspapers printed alarmist reports—not confirmed by the British government—that Britain is planning to send parachute troops to Iran to hold her southern oil fields. A nationalist paper accused Britain of aiming at partition of the country with Russia.

### Big Four Deputies Reach No Decision

PARIS, May 16 (AP)—The Big Four foreign ministers' deputies dined through two and a half hours of talk at their 53rd meeting today. Results: zero.

The deputies are trying to agree on an agenda for a meeting of the foreign ministers.

Andrei Gromyko, Russian deputy foreign minister, accused the western delegates of trying to get Russia to accede to western grounds for the meeting. Ernest Davies of Great Britain replied that this was perfectly true and was reasonable because the western grounds were reasonable.

### Soaring Prices Wage Line Threat—Tobin

WASHINGTON, May 16—(AP)—The wage line simply cannot be held if living costs keep soaring, Secretary of Labor Tobin told Congress today.

Secretary of Agriculture Brannan conceded that some livestock feeders "are going to get hurt" by the beef price rollback but he backed up the order and disputed claims that it will "jeopardize production." He gave his views while cattlemen were filing new complaints of a "squeeze" and an investigation of reports of illegal slaughtering was getting underway.

Secretary of Commerce Sawyer put in a warning that the United States is scraping the bottom on some important defense materials, including copper and zinc.

### Isenberg Elected Adviser To Scarab

Melvin W. Isenberg, assistant professor of architectural engineering, has been elected adviser to Scarab, national architecture fraternity.

The president, David Margolf, appointed the following committee chairmen for next year: awards, Ray Sipe; membership, Harold Becker; traveling sketch exhibit, Daniel Kistler; pledging, Gifford Albright; alumni records, James Smithgall; yearbook, Paul Kuhnle; and promotion, Jack Webb.

### NAACP Discusses Atlanta Convention

The National Association for the Advancement of Colored People at a recent meeting discussed the NAACP convention to be held in Atlanta, Georgia.

The National convention will be held from June 26 to July 1. No members will attend the convention as delegates of the club, although several will attend.

### Treble Singers Elect

The Treble Singers recently elected officers for next year. They are president, Margaret Morgan; secretary-treasurer, Bette Agnew; governing board, Madeline Sharp, Rita Case, Jane Mason, and Jean Mastin.
