

Graduate Listed In Museum File

Doris Snow Milotta, Class of 1942, who majored in fine arts, has been listed by the Metropolitan Museum of Art of New York in their file of contemporary artists.

Mrs. Milotta, whose husband is also a graduate of the College, has had several of her oil and watercolor paintings exhibited. Her most recent was a one-man show at the University of Kansas.

Mr. and Mrs. Milotta are residing in Ft. Leavenworth, Kansas, but will soon go to Paris where Mr. Milotta will join the staff of SHAPE.

Mrs. Milotta is formerly of Erie. Her husband's home town was Mt. Pleasant, Pa.

'Ambassador' --

(Continued from page two) from Sweden to the United States.

The history of this group is indeed an interesting one. In 1936 they attended the Olympic games in Berlin, and at this point Mrs. Carlquist decided to continue the group under the name "Olympic Girls." They then changed their name to the "Sofia Girls," because most of the girls came from that school in Stockholm, Sweden.

Represent Sweden

In 1939 they made their first trip to the United States to perform at the World's Fair in New York.

When the Swedes celebrated their pioneer centennial in the mid-west in 1948, Mrs. Carlquist and her group were sent to this country to represent Swedish youth.

They have also visited England, Finland, Norway, Denmark, Belgium, and France.

"This country is very nice," one of the girls stated when asked what she thought about America. "California was especially beautiful," she added.

All of the girls spoke English very well since they are required to take it for one year in grammar school and three in high school.

Return June 8

The Sofiaflickorna will be returning to Sweden on June 8, after having given 60 performances in this country.

After their performance on Thursday night, they were entertained at a reception in White Hall sponsored by the School of Physical Education and Athletics. At this time the girls had their first taste of food since morning and heartily enjoyed the punch and cookies.

Miss Elsa Haglund, graduate student in home economics, the School of Physical Education and Athletics, and Phi Epsilon Kappa and Lakonides, physical education honoraries, were responsible for getting this group of young ladies to perform here, before their appearance in Pittsburgh on Friday.

6 To Compete --

(Continued from page one) the speech department.

Joel Fleming, class of 1950, won last year's contest. Tying for second place were Peggy Fahringer, Marilyn Mahla, '50, and Barbara Schiffman, '50.

The Frizzel Contest is more than a half-century old, having been known originally as the Junior Oratorical Contest. Later it became the Sophomore Extemporaneous Speaking Contest, and more recently it has been known as the All-College Extemporaneous Speaking Contest.

It is now run as an annual contest in honor of John Henry Frizzell, first head of the Department of Speech, who retired with emeritus rank June 30, 1946 after nearly 45 years of teaching.

8300 Students --

(Continued from page one) arranged.

The Department of Music will organize a summer session band, orchestra, and chorus. Each of these groups will present a number of programs during the main summer session.

Musical Attractions

The summer artists series includes four musical attractions during the main summer session and one during the inter-session and the post-session respectively. The programs scheduled are: June 19, "Great Scenes from Shakespeare" by Joan Beckwith and Stanley Cobleigh; July 10, Virginia Morely and Livingston Gearhart, piano team; July 17, Jean Leon and Company, interpreters of native culture; July 24, Bourne Quartet, variety singers; August 2, Helen Jepson, opera singer; and August 21, Ruth Neal, ballad singer.

Class, workshop, or conference groups may arrange, through the director of recreation, for private parties or entertainment programs. A central office will be established where dormitory or other groups may draw sports equipment.

Androcles--

(Continued from page two) hat societies, are elected by the other outgoing members. Thomas Fleming and David Kleinberg are the new vice-president and secretary-treasurer, respectively.

Serves College

The charter members of Androcles list under their activities ushering at the President's inauguration last year, upholding of freshman customs, helping with orientation week, and along with the other other hat societies forming the honor guard and working with the cheerleaders with the flash cards during football games. Several members were sent to various high schools in the state in the "go-to-college" drive this semester.

The members, initiated this month, ran the food and drink stand at the Spring Week carnival last week and have changed several clauses in the constitution.

With one successful year tucked away, the Androcles members appear to have a long future of service to the Lion ahead of them.

Campus Interviews on Cigarette Tests

Number 20...THE BALTIMORE ORIOLE

Clean-up man on the baseball nine, this slugger

doesn't like to reach for 'em... wants it right over the plate.

And that's the way he likes his proof of cigarette mildness! No razzle-dazzle "quick-puff" tests for him. No one-whiff, one-puff experiments.

There's one test, he's discovered, that's right down the alley!

It's the test that proves what cigarette mildness really means.

THE SENSIBLE TEST... the 30-Day Camel Mildness Test,

which simply asks you to try Camels as a steady smoke--

on a pack-after-pack, day-after-day basis.

After you've enjoyed Camels--and only Camels--for

30 days in your "T-Zone" (T for Throat,

T for Taste), we believe you'll know why...

More People Smoke Camels than any other cigarette!
