

Trustees Elected For New Terms

Mrs. Ethel Sparks Sparks, of Riverton, N.J., daughter of former president Edwin Erle Sparks, has been elected to the Board of Trustees of the College for a three-year term.

Mrs. Sparks, a graduate in the Class of 1916, was one of three newcomers whose selection was announced Saturday after an official count of the alumni vote. The other choices, also for three-year terms, were Ben C. "Casey" Jones, of Pittsburgh, and Clarence G. Stoll, of Gloucester, Va. Jones was graduated in 1919, Stoll in 1903.

Nine Terms

Mrs. Sparks, who is married to Carvel Sparks, also a graduate of the College, was one of the first two women elected to the Executive Board when the Alumni Association was reorganized in 1930. She served nine terms on the Board and was vice-president from '32 to '34.

Stoll, who retired as president of Western Electric Co. in 1947, was one of the first five alumni to whom Distinguished Alumnus Awards were presented at Honors Day in May.

Jones, assistant manager of lines for West Penn Power Co. in Pittsburgh, is now serving his 20th consecutive term as a member of the Alumni Council, and his third term as president of the Alumni Association. He has long been identified with the development of the athletic program at the College.

New Member

The only new member elected to the Board of Trustees by dele-

gates from State agricultural and industrial societies was Albert J. Nesbitt, of Holmesburg.

Re-elected for three-year terms were John N. Forker, Pittsburgh; Kenzie S. Bagshaw, Hollidaysburg; and Fred E. Bittenbender, Shickshinny.

The fourth incumbent, J. A. Boak, of New Castle, was not a candidate for re-election.
