

Lion, MSC Harrier Duel Tomorrow Rated Tossup

Penn State Seeks Ninth Straight Dual Victory Since 1949

By JAKE HIGHTON

Penn State's national champion harriers, unbeaten in eight straight dual meets, hook up tomorrow with the last team to beat them in dual competition since 1949—Michigan State.

Although the Spartans tomorrow aren't expected to be up to the strength of their '49 team which went on to win both the IC4A's and the NCAA's, the Lions no longer have their 1950 NCAA championship team either.

Meet Tossup

Therefore, the meet must be rated a tossup. The Spartans under Coach Karl Schlademan easily defeated Purdue last week in their opener and the Lions have scored wins over both Pitt and Cornell in two outings.

Even though Purdue's Finn, Denis Johansson, copped individual honors, the Spartans bunched five runners in close-order runnerup spots to win.

MSC Captain Jim Kepford breezed four miles in 21:00 to lead his team to victory and thus establish himself as the man for the Nittanians to beat. Kepford is a two-time high school half-mile champion of Michigan and finished 12th in the NCAA run last fall.

Close Behind

Steps behind Kepford against Purdue came veteran John Walter, sophomore Ron Barr, and a freshman, Jim Arnold, with times just a shade over 21:00. Jerry Zerbe finished in 21:05 to top the fifth Spartan post. Zerbe, a veteran letterwinner, Walter, Barr, and Arnold are all capable of giving the Lions plenty of trouble.

Other probable starters for the Spartans tomorrow are two other frosh, Jack DeLang and Ed Townsend. DeLang finished ninth last week and Townsend was eighth. Two other MSC probables are letterman Wayne Scutt and Ken Barley, 11th and 12th against Purdue.

Spartan Course Flatter

Since the East Lansing course is much flatter than Penn State's, the Spartans may run into the same difficulty as a year ago when both Warren Druetzler and Zerbe failed to negotiate the long hill the second time.

Perhaps, with this in mind, Chick Werner has twice sent his Lions to Center Hills Country Club for hill running this week.

Streak --

(Continued from page six) fensive backfield and in the Spartans' "pony backfield." Dorow caught the winning touchdown pass in the Ohio State contest.

Right halfback Bill Wells, left half LeRoy Bolden, fullback Evan Slonac, and Dorow make up Michigan State's now famous "pony backfield."

Munn employs his "pony backfield" after his first team has worn the opposition down. Extremely fast, it was used to good advantage against both Ohio State and Michigan.

Wells and Slonac are sophomores while Bolden is just a freshman, Dorow is a senior. Bolden is the smallest man on the team at five feet, seven and one-half inches and 163 pounds. Wells weighs 175; Slonac 170; and Dorow 175.

Munn will probably start an offensive team of Bob and Bill Carey at ends; Coleman and Marvin McFadden at tackles; Dean Garner and Frank Kapral at guards; Jim Creamer at center; Dorow at quarterback; Don McAuliffe and Pison at halves; and Wayne Benson at fullback.

Benson, who was named outstanding player in spring practice, has been out of action with injuries but will be ready for the game tomorrow.

The Spartans will take their final workout in Philipsburg today before coming to State College for the game with the Lions.

Pigskin Pipe Dreams

Len Bartek, offensive guard, represents the football team in this week's gridiron selections. Bartek will attempt to gain on the Daily Collegian's three sportswriters who have a commanding lead over the gridgers. The sportswriters' combined average is .667 while the football team has a .585 percentage.

Opinions are divided on the LSU-Georgia, Kentucky-Villanova, and Nebraska-Minnesota games. Sports editor Ernie Moore predicts Rice to upset Southern Methodist.

Sigma Chi, KDR, DU Cop Intramural Swim Laurels

By JOHN SHEPPARD

Swimmers from Sigma Chi, Kappa Delta Rho, and Delta Upsilon outswam their opposition in the tri-dual intramural swimming meet yesterday afternoon at Glennland pool.

Although the Sigma Chi's lost only one man from last season's championship squad, they had to rely on the diving and 120 yard relay victories to proclaim them victors. Rich McQuillan swam a 37.4 time in the 60 yard free style for SC. Then, Delta Chi won the 60 yard back and breast stroke. But Dave Douglass' near-faultless diving and the combined efforts of SC's relay team enabled the Sigma Chi natators to defeat Delta Chi, 26-15.

Making a clean sweep of all first and second places, KDR romped past Sigma Alpha Mu, 31-4. It was all KDR as Bill Johnson started his team off winning the 60 yard free style in 36.2 seconds. Earl Gressinger continued to run up the count, taking the 60 yard back stroke with a 44.4 time. The KDRs easily

took the 60 yard breast stroke, diving, and the 120 yard relay event.

With Jerry Maurey spearheading the attack, Delta Upsilon stroked its way past Alpha Chi Rho, 37.2. The DUs produced a triple winner in Maurey, as the stocky wrestler covered the 60 yard free style event in 36.5 seconds, captured the diving, and swam on the winning relay squad.
