

Thespians--

(Continued from page one)
gining, the number was set up with a built-in curtain-call which they knew would be coming.

"You Went and Did It Again," with Jackie Cohen and Ed Korber as Egboit and Moitle manages to work sex into a garbage can so well that they did the skit in both acts, using it to start the finale as well.

Marilyn Stewart and Joe Bird provide the acting highlight of the show with their "An Actor Prepares" skit built around a star who "lives" his movie parts 24 hours a day, even King Kong and the Invisible Man.

Mrs. Fiddlefomp

Pat Marsteller manages to carry her "Mrs. Fiddlefomp" through some weighty material in an audience satisfying way and Ed Rolf, popping in and out of several of the skits, uses "A Love Divine" and "Never Trust A Maiden" to give a real kick to the Alpine Inn number.

Although the dancing was in need of more precision in some instances, "Manhattan Mood" proved a worthy vehicle for a Mike Claysmith routine that makes up for all the rest.

Sexy Bang

The "Rip Van Winkle" number builds up plenty of interest, bogs down in the middle and then finishes with a sexy bang with the help of Kaplunka, the daughter of a naughty Dutch family. Played by Betty Richardson, Kaplunka bridges 250 years with a change of costume but no change of morals.

Dick Brugger and Miss Marsteller carry the skit through the slower lines with pleasing performances.

The best of the Lewis-Weiner songs was "Everybody's Critic," the opening number of the show.

First Exchange Dinner

Fifty freshman men from the Nittany-Pollock area and 50 women from Thompson Hall will take part in the first exchange dinner program of the year at noon Sunday.

Thomas Nelson and Frances Hurley have been appointed to serve as host and hostess for the 25 couples who will dine at the Nittany-Pollock dining hall. Frank Hartman and Margaret Lloyd will serve in a similar capacity for the remainder of the group in the West Dorm dining hall.

Sigma Alpha Epsilon

Kappa Alpha Theta was the guest of Sigma Alpha Epsilon at a spaghetti supper Wednesday night. Entertainment following the supper included singing and dancing.

Homecoming --

(Continued from page one)
been set up in the open end of the horseshoe for tomorrow's game.

Population to Double

Last fall's Homecoming Day ball game with Temple was attended by 20,782.

Many alumni are expected to pour into State College today with the rest returning tomorrow. The tremendous influx of people is expected to swell the normal population of State College from 18,000, including students, to nearly double that total.

Hotels in Philipsburg, Bellefonte, and State College are completely filled up and many more private citizens in surrounding towns like Center Hall, Boalsburg, and Pine Grove Mills have accepted boarders for this largest of Homecoming weekends.

Fine to Watch Game

An idea of the large number who couldn't even find rooming space in the borough is indicated by the fact that the Nittany Lion Inn turned down at least 1500 written requests for rooms and many hundreds over the phone.

Governor Fine and relatives will help add to the importance of the occasion by watching the game with President Eisenhower after a lunch with the President and his wife before the game.

Theta Phi Alpha

Theta Phi Alpha held a party in honor of its pledges following the pledging ceremony.
