

West Dorms Organize Blood Drive

West Dorm Council last night began a program designed to encourage donations of blood for the campus blood drive. The Bloodmobile committee has established a quota of 60 pints for the area.

Norman Levin, blood drive committee chairman for the West Dorms, asked floor presidents to recruit donors at their next floor meetings. He said men must be over 18 years of age, and if a student is under 21, he must have his parents' written consent to donate blood.

Richard Mills, council president, appointed Ellis Patish as chairman of the West Dorm Campus Chest committee. Mills instructed Patish to arrange a plan to cover all men in the area for pledges or payments.

Discuss Assessments

Charles Brewer, West Dorm social chairman, listed preliminary arrangements for a houseparty Junior Prom weekend, Nov. 10. The council approved an appropriation of \$80 for an orchestra.

The council also discussed the possibility of recommending the removal of the \$7.50 assessment for a Student Union building. A motion was passed to request the Independent, the Association of Independent Men and Leonides bi-weekly newspaper, publish an article on the building and the possibilities for its construction. Council members could then learn the opinion of the students on the assessment. If the proposal should be passed, the council would ask the AIM representative to All-College Cabinet to request the removal of the assessment.

Cabinet does not have the power to remove the assessment. Cabinet can only recommend to the College Board of Trustees that the assessment be removed.

Mills asked Robert Fox, chair-

Eisenhower Will Be Host At Reception

The President's Reception for the faculty and administration will be held Thursday and Monday in the West Dorm main lounge. The reception is being held in two parts because of the large size of the College faculty.

President and Mrs. Milton S. Eisenhower will be in the receiving line at the reception. Administrative assistants to the President will act as hosts and hostesses.

Each reception will be divided into two parts, the first starting at 8 p.m. and the second at 9:30 p.m.

The President's Reception was an annual affair prior to the death of President Ralph Dorn Hetzel. During the interim between President Hetzel's death and President Eisenhower's appointment, no receptions were held last year for the President, however.

Members of campus hat societies will usher at the reception. Members of Mortar Board, senior women's honorary, will act as hostesses. Refreshments will be served in the West Dorm north dining hall.

Pi Lam Appeal Denied By IFC Board of Control

By DAVE PELLNITZ

The Interfraternity Council Board of Control last night unanimously turned down an appeal by Pi Lambda Phi for retraction of the four week suspension issued last week for violation of the pledging code.

At the same time, Stan Wengert, IFC president, revealed that a special Interfraternity Council meeting will be held tomorrow night so that a further appeal by Pi Lambda Phi could be presented to the entire body.

The fraternity was suspended last week from the IFC for four weeks and ordered to depledge and move out of the house the two men it had taken in who had less than a 1.0 all-College average. Kappa Sigma was given a similar suspension for violation of the pledging rules.

Wengert Denies Claims
The fraternity made the appeal on the grounds that the depledging and removal of the two men from the house would cause a financial hardship on the house which

Three Boys Steal Commonwealth Flag

The Commonwealth flag on the Old Main lawn was stolen by three young boys at 5:10 p.m. Saturday, according to Capt. Philip Mark of the campus patrol.

Mark reported that a patrolman saw the boys from the patrol office in Old Main and hurried out to catch them. However, the boys disappeared in the region of the Tavern.

"We saw a flag similar to it on a red convertible with a Michigan license, and this makes us believe that may have been one of the visitors from Michigan State," Mark said. However, if anyone knows the whereabouts of the flag, Mark asked him to bring it to the Student Union desk in Old Main, where no questions will be asked.

Draft Test Forms Due On Nov. 5

Students at the College planning to take the Selective service college qualification test on Dec. 13 must file their application so that it reaches Princeton, N.J. by Nov. 5.

Forms are available only at the local boards and must be obtained personally by the student either from the Centre County local board in Bellefonte or from another local board.

Dean of Men H. K. Wilson also said that students who have not filed form 109, which lists the scholastic standing of the student, should submit the form to A. W. Stewart, assistant registrar, 4 Willard Hall, for completion.

Classification of students by their local board is influenced by the test score.

Dean Wilson also pointed out that some students, through error, have been notified by local boards of their classification as 1-A when their class standing scores or test scores would indicate they should be considered for a class II-A (S) category. He suggested they call the matter to the attention of the local board.

Students who are required to register for selective service may do so by seeing Mrs. A. W. Case in the office of the Dean of Men, 109 Old Main, Dean Wilson said. It will not be necessary for them to go to a local board to complete registration forms.

Student Discovers Nittany Dorm Fire

A fire in Nittany Dormitory 28, believed to be caused by a lighted cigarette, was discovered by Charles Berryhill, a freshman journalism student, at 3:45 a.m. yesterday.

Berryhill, who lives in Room 21, was studying when he discovered the three cushion tops of a davenport burning. Capt. Philip Mark of the campus patrol reported that Berryhill aroused a couple other men and put out the blaze with a fire extinguisher.

Capt. Mark also said that a man went through the dormitory at 3 a.m. but did not notice any smoke. The damage was estimated at less than \$100.

Androcles to Meet

Androcles, junior men's hat society, will meet at 7 tonight in 103 Willard Hall. The business agenda includes a discussion on improvement of customs.

Nov. 12 Set As Kickoff For Campaign

The All-College elections committee last night set Nov. 15 as the date for freshman and sophomore class elections pending the approval of All-College Cabinet Thursday.

Other dates which will be recommended to cabinet are Nov. 12 for starting the campaign, Nov. 4 for holding the final nominations, and this Sunday for preliminary nominations.

Increasing the amount a party can spend in the fall elections from \$100 to \$150 and raising the total of all personal donations from \$20 to \$35 were also recommended.

It was also proposed that a reporter from the Daily Collegian be admitted to the counting of All-College and class election ballots.

The committee also announced that it plans to check party members coming into preliminary and final nomination meetings. Only clique members may vote for the final nominees. To be a clique member, a student must attend two clique meetings.

Another recommendation was to make it an automatic penalty for violation of the expenditure regulations.

News Stand May Be Closed

The West Dorm daily news stand will be forced to close if the present thefts of small change, amounting to \$50 weekly, do not stop this week, Burton Johns, manager of the Student News Agency, said yesterday.

As set up by the SNA, students can purchase daily papers in the West Dorms by putting their money in a dish, thus working it on an honor system. The system has not been working, however, for there is an average loss of \$6 to \$7 daily. This situation has existed for three weeks, and the SNA has been forced to operate at a loss.

"I would appreciate it if the residents of the West Dorms would keep an eye on the trays and act as policemen," Johns said.

The Nittany Lion Roars

FOR the cross-country and football teams and their stirring performances over the weekend.

The cat lets out a mighty howl for the near-perfect 19-41 win of his thin-clad harriers over the Spartans of Michigan State.

And the old boy roars, too, for the inspired game the grid-ders played, even though they lost. The feline licked his chops and swished his tail after Bobby Pollard's run, and still felt the same way after the game.
