

Blood Drive Pledges 175

A total of 175 pledges have been received for the campus blood drive, Millard Rehburg, drive chairman, said yesterday. The drive, with a goal of 400 pledges, will end Saturday.

"The drive is progressing satisfactorily," Rehburg said, "although it is important that we reach the goal by Saturday to devote time to scheduling donations."

Lighting Effects To Be Feature Of 'Our Town'

Lighting effects will be a prominent feature when Players present Thornton Wilder's Pulitzer Prize-winning play "Our Town" in Schwab Auditorium next Thursday, Friday and Saturday.

Since the Wilder play is without scenery, proper lighting of the stage and properties is important.

Associate Dramatics Prof. Warren Smith is directing the lighting crew and its focusing on the New England Webb and Gibbs family.

The lighting crew consists of Harry Colbertson, Dennis Sherk, George Jason and Sam Mortimer.

Players' costume cast is Lynn Meyer, Marguerite Kober, Marilyn Whittaker, Polly Williams, Marjorie See, Mary Ellen Dukeman, Donna Estabrook, Joan Farrell, Marilyn Wilson and Wilma Jones.

In charge of publicity are William Raymond, Kay Brainerd, Marianne Carl, Fran Dektor, Ruth McSparran, Sally Johnson, Sally Diehl, Sorley Snyder, Mary Ann Kitzmiller and Tom Owens.

Wes Pfirman, William Durr, Evelyn Horwin and Jim Simpson form the sound crew. Props will be handled by Miss Snyder, Renee Kluger and Mary Ann Moore.

Sally Shapiro, Richard Mills and Marilyn Stewart are on the make-up crew.

Council Hears 3 Amendments

Three amendments to its constitution were proposed by the Pollock Council Tuesday night.

The new revisions would change the election of officers from a semester basis to a yearly basis. This switch would enable the officers to get more done for the area and be better coordinated, Gail Shaver, publicity chairman said.

Notices about the amendments will be placed on all dorm bulletin boards.

The next exchange dinners for Pollock dorms are being arranged for this Sunday and will include dorms 10 and 12 and the Woman's Building and cottages.

A committee was formed to propose a budget for Pollock Council. Lewis Johnson and Donald Ludwig were elected co-chairmen.

The Public Welfare committee will investigate recreational facilities for the Pollock area and see what can be done to restore them. The PUB has been closed since the beginning of the semester.

Students may request an appointment at the Psychology Clinic Annex at the rear of Women's Building. Results are ready for those in education, home economics, liberal arts and physical education.

Delta Sigma Pi sets date for annual dance. Delta Sigma Pi, commerce and finance honorary, will hold its annual "Rose of Delta Sig Dance" Jan. 12.

The queen chosen at the dance will represent the local chapter in the "Rose of Delta Sig" contest sponsored by the national office of the fraternity.

Rehburg urged all pledge recruiters and donors to turn their pledge forms in at 112 Old Main as soon as they are received so a running count may be kept on the number of donations.

He said some students between 18 and 21 have turned in pledges without filling out parent releases. He urged students to turn the two forms in at one time.

A Red Cross bloodmobile will be at the TUB on Nov. 14 and 15 to receive the donations. Students will be given a physical examination prior to donating and will be excused from all remaining classes during the day of donation.

Students may secure pledge forms at the Student Union desk in Old Main, West Dorm main lounge, 112 Old Main, TUB, and the women's dormitories.

The recruiting committee is composed of representatives from the Inter-Religious Council, Hill Foundation, Inter-Church Student Fellowship, Leonides, Panhellenic Council, Women's Student Government Association, West Dorm Council, Association of Independent Men, Interfraternity Council, and seven school councils.

The 400 goal has been broken down into IFC, 200; West Dorms, 40; Leonides, 40; Panhel, 40; WSGA, 25; AIM, 25; religious groups, 30.

At a recruitment committee meeting Monday night, no one appeared but Rehburg. He said then he felt that was due to "lack of interest and forgetfulness—a little of both." At that time only 80 pledges had been received.

Some of the blood secured in the drive will be sent directly to American forces in Korea. The remainder will be used in veterans' hospitals in this country.

Article on SU In 'Independent'

A complete run-down on the latest developments and history of the contemplated Student Union building will be featured in the second issue of the Independent, which will be distributed in the dormitories and downtown today.

The newsletter also features a personality sketch on Pete Shopa, offensive fullback for the Penn State football team.

Moylan Mills, editor, asked readers of the Independent to share their copies with other independent students. Mills said that the circulation had been raised from 1000 to 2000 but there still were not enough papers for every independent.

John Stoudt, Robert Schultz, Rae Delle Donne, Rita Bobrow, Inez Segal, and Sondra Boris have been added to the circulation staff.

Women can sign up for as many evenings as they like but only 30 are needed for each evening. Classes begin Monday and continue through Friday, with the exception of Thursday, and again on Monday, Nov. 12 through Friday, Nov. 16 with the exception of Thursday, from 6:30 to 7:30 at the TUB.

Hunters Requested To Turn in Tags

Student hunters who bag rabbits, squirrels and ruffed grouse when the small game season opens today are asked to return any tags or bands they find on these animals to 206 Forestry Building, Dr. Ward M. Sharp, leader of the Pennsylvania Cooperative Wildlife Research Unit, announced yesterday.

Wildlife workers are interested particularly in the distances these animals travel and how long they live, he said.

Several gray squirrels live-trapped and ear-tagged from August to Oct. 1949, were retrapped in March 1951. These animals had successfully eluded hunters during the 1949 and 1950 seasons.

Marking small game is part of a program to promote better hunting in the future, Dr. Sharp said.

Concert Goers To Receive Season Tickets

Permanent tickets to replace the temporary season passes now held by members of the Community Concert Association were mailed this week, Dr. F. R. Matson, president, announced yesterday.

The permanent tickets contain a separate stub for each concert and will be required for admission to the series.

A letter accompanying the tickets will explain that all concerts will begin at 8:30 p.m., that the doors of Schwab Auditorium will open at 7:45 p.m., and that there will be no reserved seats. Matson said that although there will be enough seats for members, students are asked not to save seats for their friends.

Comments and suggestions will be welcomed, he said.

The series opens this year with the appearance of the Trapp Family Singers on Nov. 16. The series will continue on Feb. 15 with the Virginia Appleton-Michael Field piano duo, the Rochester Philharmonic Orchestra on March 19, and William Primrose, violist, on April 16.

NSA to Plan For Conference

National Student Association will meet at 7 tonight in 108 Willard to discuss preliminary plans for the student government clinic, approved by cabinet last week.

Plans will be revealed for the set-up of the regional office, which William Klisanin, local chairman of NSA, heads.

Plans for the immediate program will be built around public relations work, a purchase card system which would enable students to obtain a discount in certain downtown stores, transportation arrangements for special buses during the Thanksgiving holidays, a student bill of rights, and the loyalty oath, Klisanin said.

All those interested in the work of student government through NSA are asked to attend for committee assignments.

5 Excused to Vote In Local Elections

Only five students have picked up excuse blanks for voting in the Nov. 6 local elections, according to Student Union officials yesterday.

H. K. Wilson, dean of men, announced that the blanks are still available to any student who wishes to be excused to vote.

"The number of students on campus who are 21 is decreasing," Wilson said, "and that may be one of the reasons for the poor turnout."
