Checker Club Ties Clearfield In First Game

The Penn State and State College Checker Club, unbeaten and untied last year, was tied 2½ to 2½ by the Clearfield Checker Club in the first game this year played in the recreation room of Hamilton Hall.

It was a five board match with four games being played at each board.

On board one, Dan Frank and W. Swope, of State, collaborated to win over T. R. Boyd of Clearfield. Theodore Yudacufski, president of State's club, defeated Doyle Iansberry of Clearfield for State's two wins.

S. S. Skinner and O. Haney of Clearfield defeated State's Leonard Goodman and Robert Higa-shida on boards two and four.

Board five showed a draw as H. D. Achenbach, Clearfield, equalized State's George Romer and James Broad.

Plans are underway to arrange another match with Clearfield at Clearfield, Yudacufski, president of State's club, announced yesterday.

GOP Cuts --

(Continued from page one) of the College will be serious and a means will have to be found to meet the deficit.

A GOP senator, who preferred to remain nameless, said that while before the Senate group Tuesday, President Eisenhower pointed out that Penn State salaries were lower than most in the area and that recent increases in buildings has demanded more money for maintenance.

Finances at the College are operated through a State appropriation on a biennial basis. The last appropriation was in 1949, when about \$11,000,000 was received.
