STATE COLLEGE, PA., THURSDAY MORNING; JANUARY 17, 1952

PRICE FIVE CENTS

'Heiress' Will Bring Tale of Love, Deceit

Fire Fund Drive Ends Under \$300

Less than \$300, about one-fifteenth of the reported damages, was collected during the drive for funds to aid Gentzel fire victims which ended yesterday.

Marvin Krasnansky, head of the fire fund committee, said he was "disappointed" with the response to the drive, and especially with fraternity donations.

The final total reported by the Student Union office at the end of the drive, 5 p.m. yesterday, was \$298.62.

This total includes \$21.77 from fraternities, reported yesterday morning. Collections from boxes that were placed in town and on the campus totaled \$23.04, turned in at the SU desk yesterday.

Other donations reported in the final day were Alpha Zeta fraternity, \$6, and Delta Delta Delta sorority, \$5.

After the fire late in November, 14 students listed losses in the assistant dean of men's office. Their total losses were recorded as \$4638, some part of which was covered by insurance.

Less than \$70 was donated since the return from Christmas vacation and \$234.28 was collected before the vacation. The collection period was extended to Jan. 4 by Krasnansky.

Coeds to Enter Slippery Rock Debate Meet

Four members of the women's debate squad will travel to Slippery Rock State Teachers College Feb. 1 to compete in the Slippery Rock Tournament, according to Lois Pulver, outgoing manager of the team.

The four women making the trip are Guyula Woodward and Margaret Crooks, affirmative, and Sarah Laurie and Susan Holtzinger, negative.

The debate question at the tournament is the same as the national debate topic for the year: Resolved—That the federal government should adopt a permanent program of wage and price control.

Fourteen teams from Pennsylvania, New York, and Ohio are competing in the contest.

Miss Pulver also announced that candidates who wished to try out for next semester's debate squad should meet in 2 Sparks at 6:30 p.m. Feb. 5.

Freshman Class Plans Meeting for Feb. 12

A freshman class meeting will be held Feb. 12, it was decided Tuesday night at a meeting of freshman class officers.

The officers set up an agenda for the February meeting, and discussed campus projects related to the class.

TODAY'S WEATHER

COLDER WITH LIGHT RAIN

By BETTIE LOUX
When "The Heiress" makes her debut at 8 tonight in Schwab Auditorium, Players will be bringing to the stage a poignant tale of love and deceit in a 19th century period atmosphere.

The play will run through Saturday night. Under the direction of Walter H. Walters, dramatics instructor, the play concerns Catherine Sloper, sincere, plain heiress, who falls passionately in love with an attractive fortune-hunter, Morris Townsend. The attitude of Catherine's domineering father toward

Tickets for Players' production of "The Heiress," which opens at 8 tonight in Schwab Auditorium, are on sale at the Student Union desk in Old Main.

Prices are 60 cents for tonight and one dollar for Friday and Saturday night performances.

the match leads to a decision which alters her entire life.

The play, written by Ruth and Augustus Goetz, was suggested by Henry James' novel, Washington Square.

The role of the heiress will be played by Kathryn Scheetz, whose last role with Players was Angelina Eposito in "The Gentle People."

Charles Schulte will portray the father who cannot help but compare his retiring daughter to his beautiful, deceased wife. Schulte is also costume supervisor for the production. An eighth-semester senior, he designed the costumes for "Tartuffe," current Center Stage show, and appeared in last year's "Time of Your Life."

Fran Stridinger will be seen as the frivolous aunt, Lavinia Penniman, who, while in mourning, manages to further her niece's romance.

Carl Wagner has the part of the lover, Morris Townsend.

In supporting roles are Isabella Cooper as Maria; Yvonne Voigt as Elizabeth Almond; Arthur Chadwick as Arthur Townsend; Regina Friedman as Marion Almond, and Betty Lou Morgan as Mrs. Montgomery.

Technical director is Mesrop

Fashion Model

JEAN MASTIN, who will model in a fashion show at the State Farm Show tonight. Miss Mastin is Potato Blossom and Belle Hop Ball Queen.

Prexy to Detail Salary Raise On Monday

President Milton S. Eisenhower will explain forthcoming salary increases to College personnel at two meetings Monday in Schwab Auditorium.

A letter from the President's office to deans, department heads and administrative officers yesterday explained that the President will outline "actions which are now possible."

The President said Tuesday after hearing of the \$17,500,000 appropriation to the College that salary increases would be forthcoming for both faculty and non-faculty employees.

The President said that the appropriation, the highest in the College's history, would be used also to offset the loss of federal and other revenue and to meet higher maintenance costs.

The limited seating capacity of Schwab Auditorium will make the two meetings necessary, the letter said.

Resident instruction, research, and extension faculty were invited to the first meeting at 3:15 p.m. and non-faculty personnel to the second meeting at 4:15 p.m.

Lions Win Eighth Trip Gettysburg

Special To The Daily Collegian

GETTYSBURG, Pa., Wed., Jan. 16—(AP)—Penn State's cagers were terrific tonight as they steamrollered over Gettysburg 85-70 for their sixth consecutive victory and eighth of the season. The Lions ran up their highest total of the year to give them an 8-1 record.

It was the same old story—big jumping Jesse Arnelle was too much for the hapless Bullets. Arnelle, six-five, freshman, bucketed 11 field goals and six fouls for 28 points—his high for the season. He now has a season total of 151 points in nine games.

Coach Henry Bream of the Bullets called State "a better team than LaSalle when they went to the tournament in Madison Square Garden two seasons ago." Bream also claimed Arnelle was "one of the best players I have ever seen."

Herm Sledzik was State's second highest scorer with 21 points on ten field goals and a foul. Set-shot artist Ronnie Weidenhammer also hit his season's high with 18 tallies on eight field goals and two fouls. The Kutztown frosh made eight of 11 set shots.

Gettysburg made the opening bucket but were never ahead after that. The Lions led 28-16 at the end of the first quarter.

The Bullets rallied for 28 points

in the second quarter and pulled to within three points, 47-44, but Arnelle bucketed two points to move the Lions' halftime lead to 49-44.

Arnelle controlled both backboards during the game, and the largest crowd of Gettysburg's season thrilled to his excellent performance.

George Hare scored 20 points for the Bullets, while teammate Warren Watson was runnerup with 12.

Boxscore		Gettysburg	
Penn State	85	Gettysburg	70
Sledzik	21	Hare	20
Piorokowski	20	Watson	12

Automobile Lot May Be Built In Hort Woods

A proposed 181 car parking lot that would consume one sixth of Hort Woods has been designed as the first step in a long-range plan that would make the woods a natural park, Walter W. Trainer, supervisor of lands construction, said yesterday.

Trainer presented the plan to the Agriculture Student Council Tuesday night saying construction could begin within two months. The council approved the plan.

The proposed lot would be constructed along Beaver Field between Curtin road and Park avenue and would necessitate the removal of 79 trees along the fringe of Hort Woods, Trainer said. However, the Forestry department has inspected the trees in that area, he said, and has classified only 13 of the trees "good risks." The remaining trees would have to be removed sometime in the future anyway, Trainer continued, because they are in poor condition or diseased.

Long-Range Plan

The new parking plan, revised from a previous plan to allow for future developments, would help alleviate the parking problem on campus. Trainer said only student, staff, and faculty cars would be allowed to use the area. He said visitors would be permitted to use the lot during football games.

Trainer, who is head of the College Hort Woods committee, said the long-range development plan for the woods will include planting new undergrowth in the area and elimination of diseased trees. The new management program would be handled by the Forestry department.

The long-range plans would also provide for picnic areas and limited landscaping to aid in beautification of the woods, Trainer added. He said the area around the parking lot would be landscaped and trees would be planted about the area.

Must Be Presented

Under Trainer's plan, as outlined to the Agriculture Student Council, construction might be completed by summer vacation. The new project would include a macadam road from Curtin road to Park avenue, but the lot would consist temporarily of cinders.

Before the plan may be put into construction stages, Trainer said, it must be presented to President Milton S. Eisenhower and

Eisenhowers Plan 'Open House' For New Grads

President and Mrs. Milton S. Eisenhower will have an "open house" from 10 a.m. to 12 noon, Jan. 29, in the president's office, 203 Old Main, for students who will receive degrees that afternoon. David E. Olmstead, senior class president, will join the Eisenhowers in receiving graduates and their parents.

About 500 candidates for graduate and baccalaureate degrees will be invited. The invitation does not include students who will receive degrees in June because of the large number involved.

Assisting with the arrangements is a committee consisting of Sara Shoemaker and Jane Stieber.

BX in TUB Open Today and Tomorrow

The used book agency in the TUB will be open today and tomorrow to accept books to sell next semester, Frank Kelly of the BX board of control announced.

The agency will be open from 10 a.m. to noon and from 1:30 to 4:30 p.m. on both days. There will be a service charge of 20 cents for each book sold.

KAPsi's House Is Unavailable

Members of Kappa Alpha Psi, the newest fraternity at Penn State, discovered this week that the house which they intended to rent for the fraternity is not available.

Members of the fraternity had planned to rent a house on W. College avenue, but the owner of the house told them Monday that because of Office of Price Stabilization rent price limitations they could not rent the house.

The owner said that an OPS rule limits the rental price to a fraternity of a house with less than 25 rooms. The W. College avenue house has less than that number.

The owner of the house now plans to rent it to individual students on a room-rent basis. McKinley Lardlaw, a Kappa Alpha Psi member, said that the fraternity will continue to look for a house.

Kappa Alpha Psi was granted its local charter by the Senate committee on student welfare in May 1951 and was accepted into the Interfraternity Council last November. Kappa Alpha Psi will seek recognition from the national organization, which was founded at Indiana University in 1911, in April of this year. The national group at present has 67 chapters.

The local fraternity has nine members, with Barton Fields, a junior in science, as president.

112th Squadron Departure Seen

Indications are that the 112th Aircraft Control and Warning Squadron of State College will leave for Grenier Air Force base, Manchester, N.H., by the end of the week.

The loading of a van, which began yesterday, will continue today on the armory grounds behind the campus. Maj. John E. McHugh, commanding officer, said that the trucking company should have the equipment at the New England base, 500 miles away, by the weekend.

It is known that the 112th has closed its bank account in State College. Twelve men have already left for the Manchester base.

The majority of the men will travel by car, while the others will go by train. The 112th will not take along the vehicles which it has been using. They have been assigned to the depot in Chambersburg.

Increase in Price Planned by CDT

The Centre Daily Times' price will increase from four to five cents for a single copy as of Feb. 1.

Weekly home delivery prices will increase to 26 cents, monthly to \$1.12, with yearly subscriptions going up to \$3.

Subscriptions at the old rate will be honored until Feb. 1. Those subscriptions which have been paid in advance will hold at the old rate until expiration.
