

Gymnastics Team Set For Syracuse Tomorrow

By BOB SCHOELLKOPF

Gymnastics Coach Gene Wettstone will probably stick with most of his regular lineup and is contemplating making only one minor change for the all-important meet with Syracuse at 2 p.m. tomorrow afternoon in Rec Hall.

The only alteration in the lineup may occur in the horizontal bar event where Wettstone might insert a senior, Earle Kerber, in the third position in place of Karl Schwenzfeier.

The Nittany gym mentor plans to keep Jean Cronstedt, undefeated in three dual meets, in the top position and Mario Todaro in his usual second spot.

The meet is expected to be the closest, event for event, of any the Nittany gymnasts have engaged in this year.

State rates the edge in the side-horse event with unbeaten Bobby Lawrence and Frank Wick carrying the brunt of the attack. Dick Shaffer, who has registered two fourths and a third for the Nittanians, will perform in the third slot.

Same Men on P-Bars

Both the high bar and parallel bars events will be close with the battle between the Lions' Cronstedt and Syracuse's Johnny Barkal.

In the p-bars Wettstone plans to keep Bill Sabo and Dave Douglas in the second and third positions, respectively. The latter finished fourth against Navy last Saturday in his first start of the season.

There is a good possibility that the Lions can take a first and second place in the flying rings. In Syracuse's last meet with Army, which the Cadets won handily, 60-37, the Orange's top ringman, Ferdie Fournies, scored only a total of 233 points for a third place.

Shultz Rates Edge

Both of State's top men on the flying rings, Jim Hazen and Tony Procopio, have registered higher point totals in Penn State's last two meets.

Schwenzfeier, recent addition to the Lion gym team, will continue to perform behind Hazen and Procopio.

Another close battle will probably develop in the rope climbing event, where the Lions' Dave Shultz rates a narrow edge. Shultz, at his best, can climb the distance in 3.9 or 4.0 seconds, while Syracuse's ace ropeman, Fournies, is close behind with a 4.1 clocking. John Baifa and Norman Yu will round out the Lions' rope climb entry.

Syracuse rates a decided edge in the tumbling event, with its sensational freshman Jimmy Sebbo, one of the few collegiate gymnasts to do a triple full twist, spearheading the attack.

The Lions will counter with Bob Kenyon, Bob Kriedler, and Owen Wilkinson on the mats.

Prepare for Syracuse

PENN STATE'S rope climbing team takes a practice climb before it meets Syracuse's rope team at 2 p.m. tomorrow in Rec Hall. The three starters are (left to right) Dave Shultz, the Lions' ace ropeman, Johnny Baifa, and Norman Yu.

gan at 47 pounds. Johnny has looked good so far in defending his Eastern title.

Sophomore lighthheavy Adam Kois (1-1-1) will take on the second Badger freshman Bob Hinds in the 178-pound go. Though only a freshman, Hinds has had plenty of experience, as his being a Golden Gloves champ at 13 will testify.

Another good battle is shaping up in the 165-pound class where

Eastern champ Lou Koszarek (2-1) meets the Badgers' rugged Ray Zale, nephew of ex-pro champ Tony Zale.

Wisconsin appears to dominate the 132 class where Hawaiian Dave Miyagawa will be the Badgers' man against Lion Sam Butler (0-1). Butler dropped a decision against Syracuse as did Miyagawa against Louisiana State, but the Badger boy has the advantage of experience.

Pi KA, Dorm 11 Fives Near League Titles

By JIM PETERS

Pi Kappa Alpha and Dorm 11 moved ever closer to IM cage league championships Wednesday night in two of 14 games played at Rec Hall.

Pi Kappa Alpha rapped Theta Kappa Phi, 43-17, for its seventh consecutive win and assured itself of at least a tie for the League F crown. Phi Kappa Tau, which defeated Zet Beta Tau by a 31-23 score, has a 6-1 slate and trails Pi Kappa Alpha by one full game.

Dorm 11 notched its sixth victory by trouncing Pottsville, 46-9, in a League C game. Wilfred Hauer led the winners with 20 points. Dorm 11 must beat the Kappas, 1-5, next Thursday to take the championship.

An interesting deadlock popped up in League E as the Junior Rovers and Trace A. C. scored victories to set up their records at six wins and no losses. The Junior Rovers topped a tough team in the Eroonies, 32-22, as Warren Gittlen tallied 15 markers. Trace A. C. walloped the Lions, 42-11. The two league leaders meet each other in their final game Monday.

The Epars entered their game with the Sea Hawks sporting a 5-0 record, but the latter team put a blotch on this slate with a close 25-24 triumph. The Sea Hawks, by winning, tied the Epars for the League A lead. Alfred Nerino led the winners with 10 points.

Delta Chi moved to within one game of first place Sigma Chi in League E by downing Triangle, 22-21, after trailing by one point at halftime.

The Bears smacked the Beaver House, 39-15, to advance in League B. The Bears trail the first place Crusaders by one game.

Tau Kappa Epsilon, last year's fraternity champion, wrapped up its season with a 5-2 mark by edging Tau Phi Delta, 21-19. Delta Sigma Phi dumped Alpha Zeta, 28-18, despite Jim Grove's 14 points for the losers. Chi Phi won its second game by tripping Alpha Chi Sigma, 19-11.

The Radads and Mustangs fought to a 31-31 tie at the end of the regulation time, but in the overtime period the Radads scored four points to win, 35-31. The Misfits, led by Bob Leahey and Dick Welty with eight points each, scored their fourth victory as against two losses by dropping the Oilers, 24-20. Dorm 26 handed Dorm 30 a 26-21 setback.

Four forfeits were recorded, the most important being the Kappas' forfeit to the Hot Rods, which moved the winners to within one game of Dorm 11 in League C. The other forfeits

Dick Button Wins Second Skating Title

OSLO, Feb. 21—(AP)—Dazzling Dick Button, king of the figure skaters, won his second Olympic championship with a masterful ice show today and became the first repeating titlist of the 1952 winter games.

The handsome, 22-year-old Harvard University senior from Englewood, N. J., completed his skating conquest with a spectacular series of improvised whirls and jumps that brought repeated rounds of applause from the small crowd of 5,000 at Bislett Stadium.

The triumph, giving the United States her fourth gold medal and strengthening her hold on second place in the unofficial team standings, brought a bright glow to a day otherwise marred by defeat and near tragedy for American forces.
