

Lions Register Six Pins In 1st Day of EJWA Tourney

Illingworth, Doug Frey Only Losers

(Special to the Daily Collegian) BETHLEHEM, Pa., March 14—Six pins highlighted the action as five Nittany Lion wrestlers moved into tomorrow's semi-final round of the Eastern Wrestling championships here tonight.

The Lions' biggest surprise came in the last quarter-final match when heavyweight Lynn Illingworth lost on a referee's decision to Dick Beyers of Syracuse. The match ended in a 2-2 draw and the referee gave Beyers the nod.

Illingworth had scored a pin in his afternoon match, dropping Joe Towle of Yale in 2:38.

The Lions chalked up three pins in this afternoon's preliminaries with 123-pounder Bob Homan, 147-pounder Don Frey, and heavyweight Lynn Illingworth the victors.

In tonight's quarter-finals, 130-pounder Dick Lemyre and 137-pounder Jerry Maurey, the Lions' fabulous sophomore duo, joined the pin club along with 177-pounder Hud Samson.

Rumseld Meets Perona
After the quarter-finals had been completed, only Doug Frey at 157 pounds and Illingworth failed to place. He lost a 6-3 decision to Princeton's Ron Rumseld.

Rumseld will meet defending champion Emil Perona of Rutgers in the semis.

After all eight men moved into the quarters, Homan got the Lions off to another good start in the evening bouts with a decisive 8-2 win over Bob McCrearey of Temple.

Scores in 2:27
Homan will meet his toughest match thus far tomorrow afternoon against Johnny Lee of Harvard. Lee placed fourth in last year's championships.

Dick Lemyre, after a default win over Fred Thomas of F&M in the afternoon, took only 2:27 to pin Leo Cirrino of Columbia.

Against Thomas, Dick had a 7-1 lead when the F&M boy was injured and the match was halted. Top-seeded Dick will meet Art Jesser of Navy in the semis.

Don Frey Wins Two
Maurey followed a 6-2 decision over Princeton's Tom Gordon with his pin of Navy's Herb Crane in 8:25. Jerry takes up tomorrow in the semis where his brother Don left off last year when he meets Bob Hartman of Columbia. Don beat Hartman in last year's finals to take the championship.

Don Frey started off by pinning Howie Henry of Virginia in 5:03 in the afternoon, and then returned to rack up a 5-0 decision over Angus MacClean of Brown.

Frey meets a rough opponent tomorrow in Ed Rooney of Syracuse, the only man to beat him in a dual meet in two years of competition.

Samson Wins
Joe Lemyre at 167 had a comparatively easy time in his opening match, gaining a 6-0 victory over Virginia's Gene Paquette, but experienced more trouble in the quarter-final bout.

He won a 6-5 victory over John Getazzus, but did so by virtue of two minutes riding time.

At 177-pounds, Hud Samson started off by taking a 6-2 decision from Les Wilson of Princeton, and then came back strong in the quarter's to pin Jim Barlow of Columbia at 4:05 with a bar arm and cross body hold.

Zaharias Still Leads In Titleholders Tourney

AUGUSTA, Ga., March 14 (AP)—Frolic loving Babe Zaharias, now a serious, studious golfer, was best in the titleholders field again today.

Her one-over par 73 and a 74 in the wind yesterday give the Babe a 147 total.

Kentucky Has Only Two Upset Losses

(Continued from page one)

Kentucky lost only two contests this campaign—upsets to Minnesota and St. Louis. Although they lost their All-American center, Bill Spivey (7-1), they found a capable replacement in Cliff Hagan. Hagan, a six-four "midget" sparked the Wildcats to one of the best seasons in history.

The Associated Press named Hagan, a junior, to its first string All-American. Other selections honored Frank Ramsey and Bobby Watson, two other stars. These veterans of NCAA play teamed with Shelby Linville and Skippy Whitaker in the Wildcat's starting lineup.

To Depend on Defense

The Lions will carry an impressive 20-4 record into the playoffs. Under their youthful coach, Gross, they compiled a 15 game winning streak and broke almost every school record. The 20 victories were the most ever recorded by a Nittany team and the winning skein was longest in school history.

The Lions will probably depend on their defense against the Wildcats. Kentucky led the nation in scoring with about 88 points a game. The Nittanies scored 67 per game against 55 for their opponents.

Jesse Arnelle, freshman star, will meet one of his toughest foes in All-American Hagan. Arnelle cracked every State record to score 448 tallies, an average of 18.5 per game. His 40 markers against Georgetown was a single game high.

Other Lion starters are Co-captain Tiny McMahan, Joe Piorowski, Herm Sledzik, Jack Sherry, and Co-captain Hardy Williams.

Playoff Tickets

College officials do not know yet whether any tickets for the playoff games will be available. Harold R. Gilbert, graduate manager of athletics, said he would probably know today if tickets can be purchased by students.

Coach Gross was philosophical when he learned his proteges would oppose top-rated Kentucky. "We may as well meet the best first," he said. "That way you learn where you stand early."

Gross saw the Wildcats in action last year in the NCAA's, but said he has no intimate knowledge of the present players.

Irv Noren Could Hit .300 — If He Remains Healthy

ORLANDO, Fla., March 14—(AP)—Appendicitis in 1950. Broken jaw and twisted knee in 1951. Irv Noren wonders what cruel tricks the fates have in store for him in '52.

"If I can stay healthy, I know I can hit .300 in the big leagues," said the 27-year-old Washington center fielder. "I'm sure I could have driven in 100 runs each year if I hadn't been out of the lineup."

Noren hasn't paid much attention to the trade rumors that he is headed for Joe DiMaggio's old job with the New York Yankees.

Pleasant Fellow

"They have treated me fine in Washington," he said. "I wouldn't care if I spent the rest of my career with the club. Sure, it's a big ball park and tough to hit home runs in. But that Yankee Stadium is the toughest outfield to play."

He is a pleasant fellow, this six-footer who roams far and wide to delight the Senators' fans. Born in Jamestown, N.Y., he moved west with his parents to settle in Pasadena, Calif., at the age of 12.

All his life Irv's father groomed him for a baseball career. Even now he manages to make a yearly trip from California to watch his son play.
