become so strong that it would be necessary for direct wage and price controls to be applied during the emergency period.

Committee I's minority report named uncontrolled business cycles as the basic cause of inflation and asked for the establishment of a board which would stabilize prices and wages when necessary, yet permit them to fluctuate, and stabilize the economy by a system of tax incentives.

A banquet at the State College Hotel climaxed a morning and afternoon of committee meetings. Prof. Joseph F. O'Brien, of the Speech department, was toastmaster.

A surprise feature of the banquet was the awarding of a Far Eastern-type pipe to Prof. Robert T. Oliver, head of the Speech department, as appreciation of his work with the convention. Oliver recently returned from Korea.

Delegates elected Alice Healy, of Seton Hall College, the 1952 Gavel Girl after she and the other two candidates, Marian Brodbeck, of Westminster College, and Ruth Buntich, of Mt. Mercy College, delivered five-minute speeches on "Honesty and Integrity—Are They Passe?"

Delegates will assemble at 9 a.m. today in 10 Sparks to consider and act upon the report of the committee on raising moral standards.

The convention will be adjourned after the election of officers for the 1952-53 convention.
