

# Panhel Council Elects Officers

By LYNN KAHANOWITZ

A revised constitution was unanimously approved and officers were elected by Panhellenic Council last night.

Patricia Wertz, Delta Gamma, was elected recording secretary over Ona Lee. Sally Diehl, Zeta Tau Alpha, defeated Nancy Graham and Lynn Olev for corresponding secretary. Mary Martin, Gamma Phi Beta, won over Gwen Griffith and Janet Melzer for treasurer.

The offices of president and vice president are rotated annually among the sororities in the order of their founding on campus. Marlene Heyman, Phi Sigma Sigma, will be the new president and Ellen Wandel, Beta Sigma Omicron, will replace Miss Heyman as vice president.

### Limits Pledge Period

The new officers will be installed at the Panhel banquet on April 22.

The revised constitution terms a coed a pledge as soon as she accepts a sorority's bid and limits the period she may remain a pledge to one year. One who breaks a pledge is ineligible to pledge another sorority for one calendar year from the date the pledge was broken.

A pledge who has not obtained the average necessary to be initiated may become a social pledge. Marilyn Levitt, Panhel president, said social pledges will be discussed at a later meeting.

### Serve One Year

The new official Panhel delegates will be the president and rush chairman of each sorority. Jane Stieber pointed out that a president can delegate any of her powers including her seat on council. The present delegates are rush chairmen and assistant rush chairmen.

Byrne Tetley proposed an amendment that each delegate would serve for one year, the rush chairman taking office when she is elected by her sorority and the president when Panhel changes officers. The council will vote on the amendment at the next business meeting.

Miss Levitt appointed Eleanor Hennessy as the Panhel editor for the IFC-Panhel newsletter and Bettie Loux to edit the Panhel rushing booklet.

Five awards of \$50 each were granted for improvement in scholarship from the Rugh scholarship fund to Ralph Fries, senior in mineral preparation engineering; Don Harrison, senior in ceramics; Joseph Hutta, junior in geology and mineralogy; David Kern, sophomore in metallurgy, and Richard ViDanoff, freshman in ceramics.
