 CLAIR GEORGE (right), David Lewis, and Joseph O'Brien, faculty adviser to the debate teams, admire the trophy which the men's debate team won in the Eastern Intercollegiate Debating Tournament held last weekend. The team won first place from among the 30 colleges and universities participating in the debates.

All American Not Expected To Oppose Site

All American Airways is not expected to take a stand on the site of its services in Centre County before the Civil Aeronautics Board, the Associated Press reported at the opening of CAB hearings yesterday in Washington.

The airline is seeking authority to continue its feeder service through the Middle Atlantic States and discussion on the service point for Centre County is expected to come up since the county board of commissioners indicated last week that it would send a representative to take an active part in the hearings.

The commissioners are supporting the Black Moshannon site near Philipsburg as opposed to the State College Air Depot, which has served the area in the past.

Intercollegiate Concert

Tickets for the fifth annual Intercollegiate Band Concert to be held April 19 in Recreation Hall went on sale yesterday at the Student Union desk in Old Main, James W. Dunlop, host for this year's festival, has announced. The tickets are \$1 each.

In 1948 there were 32,259 deaths from automobile accidents.
