

Between the Lions

By DAVE COLTON
Assistant Sports Editor

One of the most discussed subjects of the local hot stove league these days is what colors Farrell High School's All-State basketballer, Julius McCoy, will wear next year.

McCoy, a two-time All-Stater for Farrell's state champions, is considered one of the greatest cagers Pennsylvania has ever produced and a sure-shot collegiate prospect. Although he's short as modern centers go (6-1), he is a phenomenal rebounder and a great shot. Against some of the toughest opposition in the WPIAL "Hooks" managed to average close to 28 points per game.

But McCoy's athletic feats don't end with the hardwood sport, for he is an outstanding trackman and gridder. He was named a football All-Section back and end, and has been clocked in 9.9 in the 100 yard dash.

It's no secret that the college scouts are flocking to McCoy's door; most, no doubt, with lucrative offers. Penn State, Duquesne, and St. Francis are three local schools very-much in the running for this great athlete. Most of the Pittsburgh papers and other local sportsters believe Penn State has him sewed up—but one never knows in a situation like this.

The Pittsburgh Press said rumors are that he's coming to State, not only for basketball but football also. The Pittsburgh Post-Gazette reported that he would probably come to the Nittany Vale, since Duquesne was not interested. The Dukes already have two fine pivotsmen.

One of the Johnstown scribes believes St. Francis is still in the thick of things. Coach William Hughes managed to get Bill Wanish, All-State performer from Allentown four years ago, and last season landed Maurice Stokes, one of the top freshman players of the year. One hindrance is that the Loretto school doesn't have a track squad.

Although freshmen will be ineligible for varsity competition next season, McCoy, if he does enroll at the College, could form the nucleus of a powerful frosh quintet. And looking in the future, McCoy could team with Jesse Arnelto to form a terrific court duo.

We'll just keep our fingers crossed and hope—it's a great school, Julius, and you'd love it.

Stickmen Seek 1st Win in Home Debut Against W and L Tomorrow

One lineup change is contemplated by Coach Nick Thiel when the Penn State lacrosse team inaugurates its home season tomorrow against Washington and Lee, winner of four and loser of two.

The match is slated for 3:30 p.m. on the golf course.

Except for the attack, where Thiel may replace Dick Rostmeyer with Bob Koons, Penn State will use the same men who lost to Loyola of Baltimore (5-2) and to Navy (21-0) over the Easter vacation.

Must Improve
Koons will flank creaseman Tom Goldsworthy on the right, while Doak Walker will play the opposite side of Koons.

The attack caused State all sorts of trouble at Navy with miserable ball handling. If the Lions are to stop the Generals, the attack will have to show decided improvement.

At midfield, State will line up with Captain Bud Wolfram, who scored the only goals in the matches with Loyola of Baltimore and Navy. Wayne Hockersmith, and John Yohman. Thiel will use Tony Eagle, John Steinmuller, and Lucien Girard in the second midfield.

Thiel Undecided
Defensively, it will be Barr Asplundh, John Henry, and John Amber with sophomore Don Bell taking care of the goal tending. Bell did a commendable job against Loyola and Navy, even though the results don't show it.

As to the game itself, Thiel is undecided as to State's chances, but he rates the Generals a better stick handling team and consequently believed W&L will cause State a lot of trouble.

Play at Penn Saturday
Washington and Lee will also have an edge in conditioning, as it has already played six games, beating Oberlin, Kenyon, Ohio State, and Lehigh and losing to Maryland and the Mt. Washington Lacrosse club.

After the Penn State contest, Coach Ben Collins' crew will depart for Ithaca, N.Y., for a game Saturday with Cornell. State also will be active that day against Penn at Philadelphia.

In Penn, coached by Perc Belfield, former Penn State great in the 1930's, State will face a team that has already dropped four matches.

The Quakers have played some classy teams in losing to RPI, upstate New York titlist last year (16-2), Yale, New England runnerup last year (13-5), Swarthmore, Pennsylvania-Delaware co-champion last year along with Penn State (13-6); and Princeton, national collegiate co-champions last year with Army (16-2).

Penn Relay Outlook Dim For Nittany Trackmen

By JOHN SHEPPARD

Coach Chick Werner takes his young and inexperienced outdoor track squad to the annual Penn Relay Carnival at Franklin Field, Philadelphia, on Friday and Saturday afternoons with only dim hopes of repeating last season's four mile relay feat.

The principal reason for assuming such a stand is that this season's team is virtually composed of freshmen and sophomores who will undoubtedly make the frequent running mistakes of any non-tested track contingent.

Because Coach Werner must rely heavily on frosh and sophomores for depth, the possibility of State's four mile relay team lowering the Nittany Lion standard of 17:24.6 set by Bob Parsons, Don and Bill Ashenfelter, and Bob Freebairn last season is small.

Behind Last Year's Mark
In time trials so far, Werner's runners have been clocked as follows: frosh Lamont Smith, 4:26.8; junior Jack Horner, 4:27.9; frosh Jim Hamill, 4:29.4; soph Johnny Blood, 4:29; and frosh John Chirud, 4:29.

On paper, addition reveals a possible aggregate clocking of around 17:51, but in actual competition about five seconds would be dropped for each because of running starts and meet conditions. This would cut the time to around 17:35, which is nine seconds more than last year's record-breaking performance.

Shea in Two-Mile
A further look as to how the Werner distance men will do isn't too impressive either. According to press releases, three of the seven fastest college two-milers are among those who will be seen on Franklin Field. They are Dick Shea of Army who won the indoor IC4A championship with a 9:05.8 this year; Captain Don McEwen of Michigan who won the NCAA title in 9:04.6, and Johnny Joe Barry, Villanova's 1951 IC4A titleholder, who has a time of 9:17.9.

McEwen has too many relay chores to enable his running for personal glory. However, Shea and Barry are to compete in the two-mile race in which the former has been the victor for the last two years. Last April Shea, who went to West Point after combat action in the European Theater, set a Carnival record of 9:11.9.

Olympics --

from Southern California arrived in time yesterday afternoon to get in a short workout last night. The two Trojans who will be trying for Olympic honors are Jack Beckner and Charlie Simms. Beckner is the NCAA all-around and parallel bars champion. Simms tied for second in the all-around competition and won the horizontal bar event.

While watching the two work out last night, Wettstone, secretary of the Olympic gym committee, expressed the belief that both men would be hard to beat in the all-around event which gets under way Friday.
