## Ike Hits Stevenson's Tactics As 8 State Primaries Start

While votes were counted in a chain of eight primary elections across the nation last night, Gen. Dwight D. Eisenhower delivered a major address in Indianapolis, calling upon the voters to end government by "fearmongers, quack doctors and bare-faced looters."

In Wisconsin, voters passed on the stormy record of Sen. Joseph R. McCarthy. Other elections were held in Arizona, Colorado, New Hampshire, Minnesota, Utah, Vermont and Washington.

In his prepared address, Eisenhower, the GOP presidential nominee, said his Democratic opponent, Gov. Adlai E. Stevenson of Illinois, was "using every trick in the book to get himself off the hook of the present administration's record."

"When the hand-picked heir wants no part of the heirlooms, why should we?" Eisenhower asked.

The general went down the line for Sen. William E. Jenner, appealing to Indiana voters to spare no effort to get Jenner and the whole GOP ticket elected.

**Adlai Sees Red Threat**  
Eisenhower thus backed the Indiana senator although Jenner has called Gen. George C. Marshall a "living lie" and a "front man for traitors." Eisenhower himself has defended his old commander and has praised Marshall as "A perfect example of patriotism."

Stevenson, meanwhile, told an audience in San Francisco that the danger of Soviet conquest of Asia is the greatest threat to the free world. And he said Russia holds the key to when taxes and defense spending can be cut in this country.

**GOP Disunity Cited**  
Stevenson also said in his prepared address that Eisenhower actually endorsed the administration's foreign policy in his speech at Philadelphia last Thursday night.

The Republicans are disunited in the field of foreign policy as they are in other fields, Stevenson said.

"How, then," he asked, "can a disunited party unite the country for the hard tasks that lie ahead? I don't think it can."

Gov. Allan Shivers of Texas urged a state convention of Democrats yesterday to put Adlai E. Stevenson's name at the top of the ballot in November without endorsing either him or the national Democratic party platform.

## U.S. Announces Atomic Tests

WASHINGTON, Sept. 9 (AP)—Defense Department and Atomic Energy Commission announced today a new series of atomic weapons tests will be held at the Eniwetok proving grounds in the mid-Pacific this fall.

The announcement said the new tests will be "toward the development of atomic weapons."

However, there have been reports that at least some preliminary form of the hydrogen "hell" bomb, reputedly a thousand times more powerful than the nuclear fission weapon, might be tried out.

The announcement said that "only official observers of the United States government and members of the task force will be present at the tests."

This appeared to rule out attendance of such foreign observers as those from Great Britain, which is now preparing to carry the first test of the British-made atomic bomb in Australia.

### Political News

By The Associated Press  
Gov. Adlai E. Stevenson will campaign along whistle stops between San Francisco and Los Angeles.

Gen. Dwight D. Eisenhower will return to New York headquarters from Indianapolis to get set for a swing through Midwest and visit Washington, D.C., en route to New York.

Sen. Richard Nixon, Republican vice presidential nominee, will work at his campaign headquarters in Washington.

Sen. John J. Sparkman, Democratic vice presidential nominee, will visit Kansas State Fair at Topeka.

## West Germany To Pay Israel For Nazi Deeds

JERUSALEM, Sept. 9 (AP)—The Israeli Cabinet yesterday approved an agreement with West Germany whereby that country will pay \$821,000,000 in reparations for Nazi persecutions of Jews.

West Germany's Cabinet approved the agreement earlier at Bonn. Within an hour after Bonn had approved the draft treaty on reparations, Israel Premier David Ben-Gurion called a special meeting of his Cabinet for similar action.

Foreign Minister Moshe Sharett tomorrow will fly to Luxembourg where he and West German Chancellor Konrad Adenauer will sign the treaty today.

The pact provides for the delivery by Germany to Israel within the next 14 years of goods worth 714 million dollars. West Germany also will pay 107 million dollars to world Jewish organizations.

### Ohio Woman Killed

CHAMBERSBURG, Pa., Sept. 9 (AP)—Mrs. Royal H. Johnson of Conneaut, O., was killed and her husband seriously injured in an auto-truck accident today on the Pennsylvania Turnpike.

State police of the Bedford barracks reported Mrs. Johnson, about 58, was killed instantly.

## Politics, Wealth Hit By Egyptian Edict

CAIRO, Egypt, Sept. 9 (AP)—Egypt's military premier, Maj. Gen. Mohammed Naguib, served an ultimatum on the country's political parties today to purge themselves and framed a drastic division of landed wealth.

Moving promptly to consolidate the power he seized in a dramatic acceptance of the premiership Sunday, the army commander enlisted the support of two of Egypt's strongest politicians.

Mustapha Nahas, titular leader of the powerful Wafdist party, declared in a statement that the "movement of the gallant army should be given full support, especially as it has no aim but the welfare of the country."

Nahas, the former premier who was ousted for failing to keep order during Cairo's disastrous fire riots last January, spoke up after nearly a score of his party's most influential men had been jailed in the army's anti-corruption roundup Sunday.

Two smashing pieces of legislation were agreed upon at a sunset-to-dawn meeting of Gen. Naguib's new Cabinet to implement the Army's reform movement.

One provided for virtual dissolution of Egypt's political parties as they now exist and their reorganization.

The other legislation provides for the expropriation of more than one-eighth of Egypt's six million arable acres and distribution of the seized land in small parcels to the peasants.

### 90 Die as Boat Upsets

BELGRADE, Yugoslavia, Sept. 9 (AP)—The ferryboat Nis turned over in the Danube River today with 90 persons reported drowned. The Belgrade radio estimated 30 escaped.

Strong winds, rain and hail struck the little craft at the confluence of the Sava and the Danube, an area of swift currents, 10 minutes after she headed from Belgrade for the suburb of Zemun in clear, hot weather.

The sinking of the Nis trapped some persons in the cabins and washed others to death from the deck.

## 53 Arrested In Alleged Visa Racket

DETROIT, Sept. 9 (AP)—U.S. immigration authorities nabbed 53 Canadians here today on charges of fraudulently obtaining visas to enter this country.

Fifty other aliens are expected to be rounded up later in an investigation of an alleged visa racket.

Under instructions of Atty. Gen. McGranery, the Detroit office of the Department of Justice will begin immediate grand jury presentations in all cases.

U.S. Dist. Atty. Philip A. Hart said, "As soon as the immigration people bring the cases to us, we will present them right away." He said he expected to present a few cases to the grand jury starting tomorrow.

In Washington, McGranery said he expected Hart to present evidence of the parts played by Roy H. McBride, Windsor, Ont., bank official, and two "visa consultants," Mrs. Marguerite M. Prest and Mrs. Aline Steigerwald, in obtaining passports for Canadians.

Windsor adjoins Detroit on the Detroit River.

False statements as to financial worth are alleged to have been made by the Canadians to gain entry to the United States.

All but three of the Canadians arrested today provided bond for their immediate release or were paroled pending final decision in their cases.
