

# Hillel Building Opens Friday With Sabbath Eve Services

Sabbath Eve services will inaugurate the opening of the new Penn State Hillel Foundation building at 224 S. Miles street, Rabbi Benjamin Kahn, director, has announced.

The construction of an addition to the building, as well as the remodeling of the house on the estate, at a cost of approximately \$200,000, has been completed, and some furnishings and equipment have been installed. The formal dedication of the building, however, will be Nov. 8 and 9, Rabbi Kahn said.

The building will house all activities of B'nai B'rith, the Penn State unit of the national organization devoted to cultural, religious, and counseling services among Jewish students of American universities.

The building contains a synagogue and auditorium which can seat about 800 people, a student lounge, classrooms, a library, music room, kitchen, offices, recreation room, and an apartment for the caretaker.

The Sabbath Services at 8 p.m. Friday will be the first of a series of events to take place at the foundation this weekend. A welcome mixer will be held at 8 p.m. Saturday for new and old students.

An informal record concert will be held at 2:30 p.m. Sunday and a film program will be held at 7:15 p.m. Sunday.

Funds for construction of the building came from B'nai B'rith lodges throughout Pennsylvania. Furnishings were provided by the women of the organization.

A Building Fund corporation has been formed with Albert M. Cohen as president.

The foundation was founded in State College in 1935 with about 300 Jewish students enrolled at the College. Now there are more than 1000 Jewish students on the Penn State campus. Rabbi Kahn came to State College to direct the foundation in 1940.

The former Hillel building, located at 133 W. Beaver avenue, is now occupied by the First Church of Christ, Scientist, of State College.

Officers of Hillel are Stan Goldman, president; Leonard Krieger and Sara Bassel, vice presidents; Carol Perlmann, secretary; and Esther Swimmer, treasurer.

## WRA Sports Rally Scheduled Tonight

Freshman women will learn of the activities and recreation facilities of the Women's Recreation Association at the WRA sports rally scheduled for 6:45 tonight in White Hall.

Jack Huber and the orchestra will play for the starlight dance for all freshmen which begins at 8:30 p.m. in front of Old Main.

Representatives of Leonides, independent women's organization, and Panhellenic Council, the governing body which unites the activities of the 19 campus sororities, will explain the activities of these groups to frosh women at 6:45 p.m. tomorrow in Schwab Auditorium.

THE NEW Hillel Foundation, recently completed at a cost of \$200,000, is now open for inspection prior to a formal opening scheduled for November. The new building is located at 224 South Miles street.

# Romance on Highway Curbed by State Laws

By BARRY FEIN

An interesting bit of information for romantically inclined college students is that it is illegal to park on the highway of any state except Georgia, Maryland, West Virginia, and the District of Columbia.

There are interesting differences in the motor vehicle laws of other states, too. For instance, you may drive a car at the age of 14 in New Mexico, drive as fast as "reasonable and proper" in Michigan, and need not report an accident in Ohio.

Twenty states have higher gasoline taxes than Pennsylvania's 5 cents. Louisiana has the highest tax—9 cents a gallon. Missouri's 2-cent tax is the lowest.

Twenty-two states have higher maximum speed limits than Pennsylvania, 11 have no speed limit, and three have lower speed limits.

Hand signals are required in all states, all have highway patrols, and all permit spotlights.

The District of Columbia has the lowest speed limit, 25 mph. Top speed in Massachusetts is 40 mph.

Headlights need not be dimmed when approaching another car in Alabama or New Hampshire, but they must be in every other state.

### Blue Key to Meet

Blue Key hat society will hold its first meeting of the semester at 7 p.m. tomorrow in 103 Willard.

# Fall Sorority Rushing Will Begin Saturday

Fall semester rushing starts Saturday for 19 sororities with all upperclasswomen but no freshman women eligible for the program, Janet Herd, Panhellenic Council rushing chairman, announced yesterday.

Registration will take place from 8 to 11 a.m. Saturday in Atherton Hall lounge with a meeting in 121 Sparks at 1 a.m. to acquaint rushees with the procedure to be followed.

All rushees must have a 1.0 All-College average.

Procedure is set up by Panhellenic Council, the governing body of the sororities.

Open Houses, during which rushees may visit all the sororities they wish, will be held from 1:15 to 5:15 p.m. both Saturday and Sunday. Rushees will wear suits or date dresses and hose.

Final registration will take place from 8 to 12 a.m. Monday in Atherton lounge.

Coke dates, to which rushees will wear regular school clothes, will start Tuesday and last through Sept. 19 with hours being from 1 to 5 p.m. and 6:30 to 7:30 p.m. each day.

At Homes will be held from 2 to 5 p.m. Sept. 21. A rushee may stay no longer than an hour in each sorority. The At Homes are similar to Open Houses, but the rushee must receive an invitation and both sorority members and

rushees will wear dresses, hose, and heels.

Parties, which take any form from pirate raids to square dances, will be held from Sept. 22 through Sept. 25. An invitation to a party means that the sorority from which the invitation came will also be at home to the rushees for coke dates any time from 1 to 5 p.m. on the days that parties are being held. Regular school clothes will be worn to these coke dates.

Formal Coffee Hours will be held Sept. 26 at an hour to be announced later by Panhel Council. Preferential cards may be filled out Sept. 26 after the Coffee Hours if the rushee feels that she has made her choice. Otherwise, the rushee may fill out the preferential bids on Sept. 27 from 8 to 12 a.m. in 105 Old Main.

Bids will be distributed at 5 p.m. Sept. 27 and ribboning will take place at 6:30 p.m. the same day.
