# Local Religion Groups Will Welcome Freshmen

By LAVONNE ALTHOUSE

Local religion groups of all faiths will center the themes of their weekend programs on welcoming freshmen.

**Canterbury Club** (Episcopal) will hold a mixer in the church parish hall from 7:30 to 9:30 tonight. There will be square dancing and refreshments will be served. The group will begin its regular weekly program soon.

Regular Sabbath Eve services will be held in the new Hillel Foundation building at 8 tonight, with Rabbi Benjamin Kahn officiating. Other weekend activities for Hillel will include a "Welcome Mixer" at 8 a.m. tomorrow, a record session at 2:30 p.m. Sunday, and a film, "Charlie Chaplin Film Festival," at 7:15 p.m. Sunday. All activities will be held at the foundation.

"Introducing LSA" will be the theme of the **Lutheran Student Association** meeting at 6:30 p.m. Sunday at the student house, with the LSA student council in charge of the program.

On the social side again, the **Newman Club** will hold an informal party for Catholic students at 7:30 p.m. Sunday at Phi Kappa.

**Roger Williams Fellowship** will hold a fellowship supper in the University Baptist Church basement at 5 p.m. Sunday. After the supper, old and new students will tour the almost-completed church school and student building behind the church.

A "get-acquainted" supper is also planned by **United Student Fellowship**, to be held at 5 p.m. Sunday in the basement of the Faith Reformed Church.

**Wesley Foundation** (Methodist) has both a social and a religious program planned for the weekend. A "Fall Fling" with square dancing is scheduled for tonight, beginning at 7:30 p.m. in the Wesley gym. After a fellowship supper at 5:15 p.m. Sunday, the Rev. Gail Norris of Trinity Methodist Church, Lock Haven, will address the group on "The Wesley Way."

**Westminster Foundation** is planning a get-acquainted breakfast at 9 a.m. Sunday at the Presbyterian Church. Dr. Nagesh Wadekar from India will address the group at its meeting 6:30 p.m. Sunday.

All Protestant student groups have special Sunday school classes for college student which meet at 9:30 a.m. each Sunday. There is a Catholic mass in Schwab Auditorium at 9 a.m. each Sunday and an interdenominational Chapel service at 11 a.m. Hillel holds Sabbath eve at 8 p.m. services each Friday.

For information regarding the location of churches, students should check the religion section of the freshman student handbook.

Unless otherwise specifically stated, all activities of these and other local religion groups will always be open to the public.

**Sorority Petition Group**

A group will form on campus this year to petition the formation of Pi Beta Phi sorority on campus at the end of a year. Mrs. C. R. Carpenter, a member of Pi Beta Phi at Stanford University, will be adviser to the group.

## Marsteller Trains In Navy Reserves

Patricia Marsteller, junior in secondary education, recently completed the basic phase of the Naval Reserve Officer Candidate Program for women held at the U.S. Naval Training Center, Bainbridge, Md., during July and August. Approximately 150 coeds from 84 campuses in 33 states and the Canal Zone participated in this year's program.

When Miss Marsteller completes the advanced phase of the ROC (W) program and receives her degree, she may be commissioned an ensign in the Naval Reserve.

The ROC (W) program, now three years old, is patterned after a similar summer program for college men. The coed candidates are given a listening knowledge of naval history and law, gunnery, and navigation. They are specially trained for work in naval administration and communications, the fields to which graduates of the ROC (W) program are usually assigned.

## Panhellenic Plans Philanthropic Work

As part of the philanthropic program of the Panhellenic Council, Marlene Heyman, president, has asked all sororities to name one or more members to sign up with the Penn State Christian Association for this type of work.

These activities will begin when the formal rushing period is over and will include wrapping bandages, writing skits to be presented in the homes for the aged, and reading for blind and partially blind students and townspeople.

Sandpaper is considered a by-product of the meat packing industry because of the large amount of glue used in its manufacture.
