Black Pitches 4-2 Win Over Yanks in Opener

BROOKLYN (AP)—Joe Black, a rookie relief pitcher who turned starter in a "shoot the works" gamble by Manager Chuck Dressen, mastered the ever-winning New York Yankees yesterday, 4-2, while the booming home run bats of Jackie Robinson, Duke Snider and Pee Wee Reese brought Brooklyn the opening day victory in the 1952 World Series.

Draft Test Applications Are Ready

Applications for the Dec. 4 and April 23, Selective Service qualification tests are now available at local draft boards.

Students who intend to take this test should ask the nearest local board for an application and bulletin of information, according to J. E. Terral, director of test administration. Applications for the December test must be postmarked by midnight Nov. 1.

To be eligible to apply for the college deferment test a student must "intend to request deferment as a student, be satisfactorily pursuing a full-time course of instruction, and must not previously have taken the Selective Service college qualification test."

At present deferment is recommended for undergraduates scoring 70 on the test or by class rank. Recommendations for deferment include the upper half of the male freshman class, the upper two-thirds of the sophomore class, and the upper three-fourths of the junior class.

Students accepted for graduate school before July 1, 1951, and graduate students admitted after July 1 who were in the upper half of their senior class or scored 75 or better on the test are recommended for deferment. It is not mandatory for local boards to follow the recommended standards.

8 Win Town Council Seats

The names of representatives and alternates in eight Town Council districts, who were elected last night, have been announced by Franklin Reese, Town Council election committee chairman.

Reese said he was very disappointed at the small turnout for the elections last night. Four wards, the second, sixth, eighth, and tenth, scheduled for election last night, are among the 17 other districts to be filled tonight. Reese said he will hold the vacant wards open for nominations until 9:30 tonight. If they are not then filled, ward chairmen will be nominated by the elections committee. Vacant alternate positions will be filled by ward chairman appointments.

Representatives elected were Ernest Gingrich, first ward; James McDowell, third ward; Franklin Reese, fourth ward; Chester Chervinski, fifth ward; Francis Mears, seventh ward; John Mallick, ninth ward; Howard Mason, eleventh ward; and David Goulden, twelfth ward.

Alternated named were Robert Hendershot, fourth ward; Norman Fischer, fifth ward; James Kradel, seventh ward; and William Shook, eleventh ward.

Student Fees Due Today, Tomorrow

Payment of student fees for the fall semester will take place from 9 a.m. to 4 p.m. today and tomorrow in the basement of Willard Hall.

Students' bills will be posted by matriculation numbers so students will be able to write their checks before entering one of the seven alphabetical lines, David C. Hogan, bursar, said. Checks are to be made payable to The Pennsylvania State College.

Payment can be made anytime during the prescribed hours, and not at a specific hour as the registration system, Hogan said.

Child Injured In Windcrest Auto Accident

Vicki Cogswell, 21-month-old daughter of Mr. and Mrs. John Cogswell of Windcrest, received a broken thigh, laceration of the head, and brush burns Tuesday night when she was hit by an automobile driven by Roland Messori of Windcrest.

She was admitted to the Centre County Hospital in Bellefonte at 8 p.m. Her condition is reported as satisfactory.

It was reported that Messori was turning his car around when he struck the child.

An open meeting of the Windcrest area was called to decide what action would be taken. George W. Smith, Windcrest burgess, is operating with the offices of the dean of men and the Campus Patrol.

Smith said that this is the first accident to occur in the seven years of the trailer camp existence.

Women's Debate Tryouts Tonight

Upperclass women candidates for the women's debate squad will try out from 6:30 to 7:30 tonight in 2 Sparks.

All upperclass women not on the team last semester and wishing to join must try out. Candidates are required to speak for five minutes on either side of the national intercollegiate debate topic, Resolved: That the Congress of the U.S. should enact a compulsory fair employment practices' law.

Robinson helped the 28-year-old Negro from Plainfield, N.J., over the rough spots.

McDougald Homers
Snider's tremendous two-run blast in the sixth, sailing a high arc over the shiny electric clock atop the right field scoreboard, was the payoff in this contest watched by 34,861, a series record for Ebbets Field.

Gil McDougald's third inning homer just made it into the hands of a spectator in the first row of the lower left field seats. Pafko made a leaping stab but lost out to the fan. Foul-line umpire Dusty Boggess ruled it a legitimate home run.

The break came without warning in the sixth. Reynolds, the 34-year-old Yankee super chief, seemed to have settled down after a wild start. Still he was missing the corners with his curve.

Black, who saw only nine pitches—all strikes—during his three brief stays at the plate, was called out to open the sixth. Cox fouled to Yogi Berra. Reese singled to right and took second when Reynolds' wild pitched.

Woodling Hits Triple
With the count 2-1 on him, Snider sent a Reynolds pitch high and far over the scoreboard to break the deadlock.

The Yanks got one run back in the eighth when Gene Woodling, out of the starting lineup because of a groin injury, hit the screen in right-center for a pinch-hit triple. Bauer's fly ball scored Woodling, cutting the gap to one run.

13 Customs Violators Sentenced

Thirteen customs violation cases, all involving women offenders, were heard Tuesday night by the Freshman Customs and Regulations Board in a series of post-customs hearings.

Offenders were charged with associating with men before dating customs were legally ended. The board ordered each violator to construct two posters for the "Keep off the Grass" campaign sponsored by Alpha Phi Omega, national service fraternity. Posters must be turned in at the Student Union desk in Old Main before noon Saturday.

Customs were lifted following the Purdue football game. James Schulte, co-chairman of the customs board, made the surprise announcement Saturday night over radio station WMAJ.

Mary Pettigout, co-chairman of the board, said the customs program achieved its purpose because of the excellent spirit shown by the freshman class, but it could have been more effective if more upperclassmen had cooperated in enforcing customs.

The customs board will hold a final meeting next week to evaluate the customs program. Standard penalties will be discussed and recommendations will be made for next year's customs program.
