

Changes Announced In College Personnel

Thirteen changes in faculty status, two changes in staff employee status, and two fellowships in the School of Mineral Industries were approved Friday by the executive committee of the Board of Trustees.

Three faculty members were appointed department heads, three faculty members were promoted, four faculty leaves of absence were granted, three faculty retirements were approved, and two staff employee retirements were approved by the committee.

Dr. Franklin B. Krauss, professor of Latin, John W. Breneman, professor of engineering mechanics, and Dr. William M. Smith Jr., professor of family relationships, were named acting department heads.

Smith Replaces Morgan

Krauss will serve as the acting head of the Department of Romance Languages, succeeding Dr. Robert J. Clements, who is on leave of absence July 1 to June 30, 1953. Breneman will serve as acting head of the Department of Engineering Mechanics until June 30. He is replacing Dr. John W. Sauer.

Smith will serve as acting head of the Department of Child Development during the absence of Dr. Winona L. Morgan until Jan. 31.

The three faculty members promoted were Margery L. Besom from assistant professor to associate professor of clothing extension, Dr. Richard G. Cunningham from project engineer to associate professor of engineering research, and Dr. J. Norton Brennan from instructor in engineering mechanics to assistant professor of engineering research.

Three Retire

Leaves of absence were granted to Dr. Paul D. Krynine, professor of petrology and chief of the division of mineralogy sedimentation; Dr. Willard E. Miller, professor and chief of the division of geography; Dr. Philip S. Klein, professor of American history; and P. Boyd Kapp, professor of engineering mechanics.

Faculty retirements approved by the board include Dr. Alfred W. Gauger, director of Mineral Industries experiment station, effective Dec. 15; Earl L. Moffitt, professor of farm management extension, effective Sept. 30; and M. Elizabeth Westgate associate professor of clothing and textiles, effective Feb. 14.

Staff retirements included Louise V. Corbin, statistical clerk in the Ellen H. Richards Institute after more than six years with the College, and Robert N. Hamilton, a carpenter who has been employed here since 1939.

Provides \$800 Fellowship

In the two fellowships established, the College accepted a grant of \$3000 from the National Carbon Research Laboratories which will establish the Union Carbide and Carbon Corporation fellowship in fuel technology. The fellowship will receive a \$2000 stipend and \$1000 will be provided to the College to cover fees and research expenses.

The National Gas Supplymen's Fund has provided \$800 to es-

Town Council Slates Elections

Town Council officers will be elected at 9:15 tonight in Willard Hall, it was decided at the organization meeting of the council last night.

The elections will follow a mixer to be held from 7 to 9 tonight in the apartment of Franklin Reese, chairman of the elections committee, who presided at last night's meeting.

The purpose of the mixer, Reese said, is to enable the members of the council to become acquainted with one another before they name their officers. Reese's apartment is located at 140 E. College avenue.

Reese also announced that eight wards still lacked chairmen to act as their representatives on Town Council. They include wards 6, 8, 10, 13, 16, 21, 22, and 25. Anyone living in these wards interested in filling the positions should contact him, Reese said.

The council voted to decide a means of filling the vacancies at the first meeting following the elections' meeting in the event that they are not filled in the meantime.

Concert Membership Drive Set

More than 100 volunteer workers attended a Community Concert membership drive meeting last night in McElwain Hall lounge.

The meeting started the current drive that will end Saturday. Previous members will be given preference. They, along with new subscribers, may obtain their tickets either from group representatives or by calling at the Student Union desk or 204 Old Main, headquarters for the campaign.

The tickets will cost \$6, covering the whole series. No individual tickets will be sold, Dr. F. R. Matson, president of the association, said.

Although the group usually waits for the completion of the membership drive to sign performers the demand for the Robert Shaw Chorale was so great that the agreement had to be closed, Matson said. The other members of the series will be chosen after the drive.

The group was also addressed by Harold Welch, eastern representative of the Community Concert Service of New York, who outlined the procedures used in arranging the series here and in other cities.

Professional Will Teach Dancing

A former Arthur Murray dancing instructress now employed by the College will teach the amateur dancing classes sponsored by Mortar Board, senior women's honorary.

Elaine Russell, secretary to Louis H. Belle, director of public information, will teach with the assistance of Mortar Board members.

In addition to teaching for a year at Arthur Murray's Philadelphia branch, Miss Russell's experience includes ten years' study of ballet, tap and toe dancing, acrobatics, and three years' private instruction for Philadelphia high school students.

Registration for the seven-week course began yesterday at the Student Union desk in Old Main and will continue until 200 persons have enrolled, George Donovan, Student Union director, said.

A charge of \$1, payable at registration, is the only fee for the course.

Classes will be held from 6:30 to 7:30 p.m. Monday through Friday in the TUB starting late this month. Students will be divided into five groups. Each group will report one night a week for seven weeks. The SU will send out post cards indicating which night the student should attend.

The course is designed for men and women students who have had no dancing experience, Donovan explained. Straight ballroom dancing will be taught, he said.

Lavie Deadline Monday For Ed School Pictures

Seniors in the School of Education may have their pictures taken for the 1953 LaVie until Monday at the Penn State Photo Shop, official LaVie photographer.

Students who do not have their pictures taken at the scheduled time will not have their pictures in the yearbook.

Physical Ed School to Hold Mixer Oct. 16

The Physical Education Student Council will sponsor an informal "Fizzy Ed" mixer from 7:30 to 9:30 p.m. Oct. 16 at the White Hall gymnasium.

The mixer, the council's first of the year, is open to physical education majors and faculty. The purpose of this initial get-together, according to council president Margaret Lamaser, is to encourage better student-faculty relationships. All physical education majors are invited to attend and meet their fellow students and faculty, Miss Lamaster said.

Ruth E. McFeeter, instructor in physical education, and Harold B. White, assistant professor of recreation, are acting as council faculty advisers for the mixer.

Refreshments will be served, Miss Lamaster said. The tentative program will include a variety of games and dancing. Further details will be decided at the council's next meeting.

Freshman representatives to the council will be elected sometime late in October, according to Miss Lamaster.

VA Office Estimates 200 Vets Enrolled

Approximately two hundred veterans of the Korean war are believed to be attending Penn State this year, according to a spokesman for the Veterans Administration office.

The spokesman, who asked not to be named, said complete figures are not available, and probably will not be known until all VA certificates of eligibility for educational benefits are turned in to the office.

The estimate was based upon the 55 certificates that had been turned in as of Wednesday, and on the known 122 veterans who applied for credits for Reserve Officer Training Corps.

Educational benefits have been extended to those who have served at least 90 days on active military duty since June 27, 1950 under Public Law 550. A date for the close of the period of entitlement will be determined later.

In order to receive educational benefits of Public Law 550, a course must be started within two years of discharge or before Aug. 20, 1954, whichever is later.

The period of time for which veterans may receive benefits is equal to one and one-half times the duration of active service. No veteran may receive benefits for more than 36 months.

Veterans will be limited to one

Forum Ticket Sales To Continue at SU

Season ticket sales for the 1952-53 Community Forum series will continue through Friday at the Student Union desk in Old Main and by faculty, student, and town representatives of the organization. Tickets are \$3.

Ticket sales have gone "very well" during the first week of the campaign, according to Dr. Gerald Stein, ticket chairman.

Additional ticket salesmen have been announced by Dr. Stein. They are Luella Heineman, Lutheran Student Association; Ruth Stufft, Roger Williams Fellowship; Eleanor Rowland, Westminster Fellowship; Charlotte Sloat, Wesley Foundation; Shirley Pritchard, United Student Fellowship; Jean Geiger, Canterbury Club; Carolyn Umbreit, Christian Science Organization; Morris Schroeder, Evangelical United Brethren Student Fellowship; Martha Darlington, Friends Meeting; Thomas Durek, Newman Club; and Stanley Bushkoff, Hillel Foundation.

Thirteen additional members of the Newman Club have signed to sell forum tickets. They are John Filbin, George Forsyth, Albert Maruskin, Edward Kittka, Albert Bertani, Dennis Donovan, Isabel Capuana, Barbara Knaff, Mary Lou Beckman, Lois Eichenlaub, Jeanette Ibbotson, Dorothy Fletcher, and Patricia Kildee.

Marjorie Maxwell is general chairman in charge of church group ticket sales.

Tickets may be purchased from any of the above persons and from a ticket table in the West Dormitory dining hall foyer. Sales will be made at this table during both the noon and evening meals. Representatives will cover dormitories, fraternities, and town residents. Dormitory counselors

State Party To Staff Two Posts

State Party steering committee has selected for the approval of the party clique Lou Weber as All-College clique secretary and Richard Bouchet as All-College clique treasurer.

The clique will hear the selections at a meeting Sunday.

The two officers were selected at a party meeting Sunday at Phi Kappa. At the meeting the group also decided to accept the Lion State Party plan for a joint Lion State Party fund-raising campaign as far as possible.

Plans made by the two parties tentatively call for the selling of a book of cartoons by Bibler. The cartoons appear in the Daily Collegian. Profits from the sale of the book would be used for the joint fund.

At the Sunday meeting the committee decided upon a steering committee membership similar to last year's, made up of clique officers, appointed chairmen of committees, and others.

Walter Sachs, who was recently selected as All-College clique chairman for State Party, announced that the steering committee approved the continuance of a cross-sectional representation on the committee.

Sachs explained that this plan established the committee with a representative from each of the eight schools and from fraternity and independent men and sorority and independent women.

Froth Ad Classes To Start Tonight

Froth business and advertising candidates and students interested in doing advertising work for the campus humor magazine will begin an eight week course of advertising study at 7:30 tonight in the Froth office in Carnegie Hall, Joseph Kline, Froth business manager, has announced.

The classes will be conducted by Kline and Timothy Eastland, Froth advertising manager, once a week for eight weeks. The classes will meet every Tuesday night.

Basic principles of advertising and advertising procedures will be studied, Kline said.

Hellenic Society

William Lefles, a graduate student, will speak at the Hellenic Society business meeting at 7 tonight in the TUB about his trip to Switzerland as an exchange student.
