Houses to Prepare Lawn Exhibitions

The highlight of Homecoming Weekend preparations in fraternities this week rests on a lawn display that each house will prepare as part of the welcoming program for alumni.

Arranging the displays to coincide with the Homecoming theme, "Nittany Lion Harvest Time," fraternities will complete and exhibit the displays Friday afternoon before the judging Friday night.

A trophy will be presented to the winning fraternity.

The displays will be judged according to appropriateness to the theme, originality, eye-catching appeal, amount and quality of work involved, and general artistic worth.

No Living Creature

According to the lawn display regulations released by the Interfraternity Council, a maximum of \$25 has been set for each display. They must be maintained in complete form until noon Sunday unless damaged beyond repair by weather or vandalism.

Use of living creatures, human or animal will be forbidden. Recordings of either, however, will not be cause for disqualification.

Judging of lawn displays will begin at 7 p.m. Friday, regardless of weather conditions. Judges are Wilmer E. Kenworthy, director of student affairs, H. K. Wilson, director of the Department of Intermediate Registration, and Carl A. Zoretich, art instructor.

Winner Receives Cup

Any infraction will be cause for revocation of any award or recognition given to the house involved.

Chi Phi won the award last year. The prize was the Permanent Alumni Association Rotating Trophy. Previously, the cup had to be won three years in succession for permanent possession. However, the cup will be retired to this year's winner, according to James Carrigan, IFC lawn display chairman.

Senior Hurt In Collision Near Philly

Robert Bethea, 22, seventh semester pre-law major, received a slight concussion early Sunday morning in a two car collision in which one woman was killed and eight other persons were hurt.

The accident occurred at the intersection of the Concord Pike and Mt. Lebanon Church road, six miles north of Wilmington, Del.

Gertrude Gruhler of Philadelphia was killed in the crash. Joseph Hupf, driver of the car in which Miss Gruhler was riding, and three others in the car were injured.

Bethea was a passenger in a car driven by James Nelms of Downingtown. Patricia Bethea, Shirley James, and William Martin were injured while riding in the Nelms car. Miss Bethea is the Penn State student's sister.

Police believe the accident occurred as the Nelms car was on the way home from the University of Delaware-West Chester Teachers' College football game. Miss Bethea and another passenger in the Nelms car are students at West Chester. The collision took place about 1:45 a.m. Sunday.

Two ambulances were at the scene of the accident. The injured were taken to the Delaware and Memorial Hospitals, both in Wilmington.

According to earlier reports in the Philadelphia Inquirer, Bethea received a fractured skull. Later reports from Bethea's fraternity, Kappa Delta Rho, indicated the Penn State senior received a slight concussion. Bethea is from Thorndale.

AIM to Discuss Autumn Ball, LaVie Fees

The Association of Independent Men's Board of Governors will hold a special meeting at 8 p.m. tomorrow in 102 Willard to make further plans for the Autumn Ball and to discuss the suggestion that freshmen be assessed for LaVie, William Shifflett, AIM president, has announced.

The dance, sponsored jointly by AIM and Leonides, independent women's organization, will be held Saturday in Recreation Hall as the independent Homecoming Weekend. Music will be by Jack Huber.

All-College Cabinet on Thursday approved for the first time the suggestion presented by Douglas Schoerke, LaVie editor, that freshmen be assessed \$2 per semester for the yearbook. Schoerke told Cabinet that LaVie would incur a \$4452 deficit if it produced a book of the same quality as last year's.
