

Nebraska Offense Is Tough—Patrick

Although the amazing Bobby Reynolds will be on the sidelines Saturday when the unbeaten Nebraska Cornhuskers provide Penn State Homecoming football opposition, the loss of "Mr. Touchdown" doesn't make the Nittanians' task an easy one.

Listen to Assistant Coach Frank Patrick, State's scouter

Frank Patrick (Scouter of Nebraska)

of the Cornhuskers:

"We will have to be at our best to lick Nebraska. They have a dangerous team with great potential. They play a wide open game with a powerful running offense."

The statistical facts on the Nebraska team—which has won four straight—bear out Patrick's appraisal.

Rushing 2d Best

Nebraska is 13th in the nation in total offense. The Huskers have averaged 385 yards per game against South Dakota, Oregon, Kansas State and Iowa State. Of these 385 yards, 320 of them are the result of rushing alone. This extremely high total of ground yardage ranks the Huskers second in the entire nation in rushing.

Defensively, the Midwesterners are hardly slouches. Nebraska ranks ninth in the nation in total defense, yielding 198 yards through the air and ground per game.

Against rushes alone, the Huskers have been stingy to the point of allowing the opposition only 79.5 yards per game for a fourth ranking nationally.

Spread Broke Up Game

Basically the Cornhuskers are a running team, but with John Bordogna at quarterback they have "a better than average passer," according to Patrick. Bordogna, a Turtle Creek lad, directs Nebraska's varied offense which includes the straight-T, split-T, and the spread formation.

It is the spread which Nebraska used to break the Kansas State game wide open and give the Nebraskans a 27-14 win last week.

Bordogna is 17th in the nation in individual total offense and is, in the words of Patrick, "an exceptionally good runner." Pat further commented that Bordogna runs best when pressed, which helps account for the 362 yards he has picked up on the ground this year.

Helping Bordogna out is fullback George Cifra. Pat says Cifra is "powerful, fast and the type who can go all the way." Against Iowa State Cifra took off for a 42 yard touchdown gallop.

Yet another threat in the Husker backfield is "elusive, break-away" halfback Bob Smith—no relation to State's linebacker Bob Smith.

Nebraska is further hurt by the injury to star right guard Jerry Paulson who will not start but possibly will see some action.

Along the line, right end George Mink especially impressed Coach Patrick. Pat says that Mink is the favorite target of the Bordogna aeriels.

Collegiate Chatter

Michigan State's head football Coach Biggie Munn coached the Orange in 1946. His Spartans will face Syracuse Saturday in East Lansing.

In the brief Michigan State-Syracuse football series, the Spartans have won four out of seven games.

By latest national defensive statistics, the Orange now rank sixth in the nation on rushing defense.

Since 1941 Syracuse has not defeated a Western Conference eleven. Then it licked the Badgers of Wisconsin, 27-20.

When the Orange meets Eddie Anderson's Crusaders in Archbold Stadium Oct. 25 it will be trying for a second victory. Syracuse defeated Holy Cross at Worcester the only other time they clashed.

Bedenk Scared

Joe Bedenk, Penn State baseball coach, experienced a few anxious moments when his ace righthander, Keith Vesling was injured in the Penn State-William and Mary football game. Examination disclosed a dislocation of the left elbow.

Sports Briefs

NEW YORK (AP)—Honors keep piling up on Casey Stengel. The grizzled pilot of the world champion Yankees yesterday was named manager of the year for the second time by baseball writers in an Associated Press Poll.

While it was not exactly a landslide, the 61 year old Stengel had a much easier time of it in the voting than his Yankees did in racking up their fourth consecutive world championship under his brilliant direction.

He netted more votes than the combined total of the 15 other managers. Stengel first won the poll in 1949.

Mantle Physical

MIAMI, Okla. (AP) — Baseball star Mickey Mantle, 20, will leave next Wednesday for Oklahoma City to take his third Army draft physical, his selective service board announced yesterday.

Originally classified 4F by the draft board because of osteomyelitis bone infection in his left leg, Mantle was given the same status after Army examinations at Tulsa on Aug. 11, 1951, and at Ft. Sill, Okla., the following Aug. 20.

Filipski Leads

NEW YORK (AP)—Gene Filipiski, one time Army football player now starring for Villanova, is the East's leading ground gainer with 475 yards in 64 tries. That's an average of 7.4 yards every time his signal is called.

Right behind Filipiski come Brad Myers and Burt Talmadge, the twin bulldozers for Bucknell. They have gained 445 yards and 399 yards, respectively. Bucknell, like Villanova, is unbeaten this season. Bucknell has played three games, Villanova four.

Harry Agganis, the golden Greek of Boston University, heads the Eastern passers with 44 completions in 86 tries. They netted the Bostonians 501 yards. However, Mitch Price of Columbia, has a letter average with 33 successful flips in 54 tries for 61.1 per cent.

DTD, TKE, Dorm 35, 'Jacks' Win on Grid

By ROY WILLIAMS

The Lumberjacks rolled over the inexperienced Mining Engineering Society 26-7 last night in the first of four IM football games.

In other games, Tau Kappa Epsilon eked out a 6-0 victory over Triangle. Dorm 35 defeated Lords 7-6 in an over-time thriller and Delta Tau Delta stopped Alpha Sigma Phi, 6-0.

A 55-yard pass from Bud Kiehl to Rex Bradley in the first few minutes of the game gave the Lumberjacks their first score. Kiehl passed to Jack Kennedy to register the extra point. Kiehl passed to Don Flack early in the first half to make the score read 13-0. With five minutes left in the first half McNaney scored an accurate left-handed pass to Bradley. Two plays later the same combination clicked for the Lumberjacks third six-pointer of the game.

In the second half both teams crossed the goal line. Don Flack intercepted a MES pass on his own 45 to set up another Lumberjack TD. McNaney passed to Bradley who in turn lateraled to Flack who scored the touchdown. McNaney passed to Bradley for the extra point and the Lumberjacks' final score.

TKE's Score Early

MES's, who were playing together for the first time, pushed over their only TD in the final period. George Harvan passed to Gunther Badorrek who looped an aerial to Chuck Yaloushan for the six-pointer. Ned Duncan passed to Tom Guerin to complete the scoring.

A first period score proved to be the winning margin for TKE's 6-0 victory over the Triangle.

Don McCormick heaved a 50 yard aerial to Ed Gruber to set the stage for TKE's first score. Dave Margolf tallied the score on a pass from Ben Harvey after only four minutes of playing time had elapsed.

In the second half Triangle held TKE's offense to a standstill. Paul Brobst's excellent kicking held TKE inside their own fifty for the majority of the second half.

Three-man Combo

Dorm 35 defeated Lords 7-6 in an overtime contest. Both teams scored early in the first half.

A three-man passing combination carried the ball to pay-dirt territory on a 25-yard pass play by the Lords. Ed Ritter lateraled to Frank Shlier who again lateraled to Joe Olney for the score.

The Lords almost had the game in the bag in the overtime period until Dorm 35's Art Warg caught a 25-yard pass from Joe Ludwig. The Lords couldn't move the ball out of their own territory thus giving Dorm 35 the overtime win.

DTD capitalized on a second-half pass play to defeat Alpha Sigma Phi. Carney completed a 25-yard pass play to Van Ernest for the only score of the game.

Tonight's Schedule: 7:00 p.m. Dorm 30 vs McElwain Hall; 7:45 Phi Kappa Alpha vs Acacia; 8:30 Dragons vs Centralites; 9:15 Phi Epsilon Pi vs Chi Phi.
