

Lion X-Country Team Runs Trials In Preparation for NYU Dual Meet

Chillrud Cops First; Cressman 2d

While his consistent point-gatherers were working out over the Centre County golf course, Coach Chick Werner sent the remainder of his cross-country runners through a time session Tuesday night.

The Nittany Lion harriers race NYU on the Van Cortland course Saturday, and by that time Werner hopes to get more scoring depth in his lineup.

Fully aware that they are rapidly approaching the end of their dual meet season, the Lion thinclads have to make impressive team showings in their outings against NYU and Manhattan if they are to successfully defend their IC4A crown next month.

Strong Wind

With this thought in mind, Werner and his assistant, Norm Gordon, got the clocks out and set their men to work.

As the distance men set out on their five-mile jaunt, they not only had to worry about finishing the run, they had to buck a strong, stinging wind and extreme cold.

Despite such conditions, the varsity thinclads, along with the frosh candidates, turned in times better than those posted in their opening meet with Cornell and comparing favorably with the Army times two weeks ago. These contests also were run over a five-mile course.

Sophomore John Chillrud, who finished 18th against the Spartans last week, pushed across the finish line first. His time was 26:59.

At the outset of the campaign Chillrud was running up front with the veterans, but since then he had slipped somewhat. That is, until Tuesday's time trials. Chillrud has a great deal of potential which he might display against the Violets.

A mile breakdown of Chill-

John Chillrud (Wins Trial Run)

rud's five-mile winning time shows that he ran the first-mile in 4:50; the second in 5:16; the third in 5:39; the fourth in 5:33; and the fifth in 5:41.

Gehman 3d

Jim Cressman, who didn't make the MSC trip, placed second with a 27:34 timing. Cressman, like his teammate Chillrud, has been hot and cold during the season. One of these days, however, he's due to hit his stride.

Veteran Bob Gehman ran a 27:37 clocking for third place.

Sophomores Al Terrill and Don Austin placed fourth and fifth respectively to edge Skip Slocum, who finished 21st in the Spartan meet. Terrill's time was 28:24; Austin's 28:51; and Slocum's 29:23. Bob Roessler placed seventh in 29:40.

The frosh and jayvee harriers ran three miles with Ted Garrett turning in a 16:12 time for first place. Doug Moorehead copped the second spot, Phil Stell third, Henry Ford fourth, Jim Pastorius fifth, and Mike McKelvey sixth.

3 Fraternity Swim Crews Advance

Three fraternity swimming crews posted second-round wins in an all-fraternity card yesterday in the IM swimming tournament at Glennland pool.

Delta Upsilon and Phi Delta Theta collected their second wins, while Phi Kappa Sigma, after drawing a first-round bye, picked up its first.

The DU's had a slightly rough time of it with a persistent Pi Kappa Phi outfit trailing at one time, 14-12, and, even as late as the relay, were only five points ahead. Final score was 25-15.

The steady DU relay team of Bob Decker, Jim Mayes, Johnny Sherk, and Jerry Maurey got home with a good 1:06.4 clocking for the final five points and the win.

Maurey and Bud Nicholson finished one-two in the diving for DU to pass the Pi Kapps and set the stage for the all-important relay.

Decker and Maurey, DU, got home one-two in the freestyle. Decker's time was 35:6.

Pi Kapps' Bob Veit and Bob Wylie took the other two firsts, Veit's win coming in the backstroke (46:8) and Wylie's in the breaststroke (44:5).

The Phi Delt made it strictly a no-contest match with an out-gunned Sigma Pi aggregation by sweeping all four first, missing only in the diving where it finished second and third. The top-heavy score was 30-10.

Bud Coleman, football end Jim Garrity and Jack Rhoda collected the individual Phi Delt firsts. Coleman copped the freestyle (38:1), Garrity, the back stroke, (44:0), and Rhoda, the breaststroke (48:7).

Phi Kappa Sigma, making its initial '52 swim start, tromped on hapless Zeta Beta Tau, 29-3. ZBT was also in its first '52 showing. Phi Kappa Sig brought home everything except three thirds. All four contestants in the breaststroke were disqualified.

Ralph Breidenthal and Bob Bauschspices started the Phi Kappa Sig on its winning way with firsts in the freestyle and backstroke. Times were 37:9 and 47:8.

The Phi Kappa Sig relay foursome of Ernie Lanr, Dale Vonnannon, Carl Mueller, and Breidenthal captured the 120-yarder in 1:10.6. Don Martin and Bauschspices took the diving in one-two fashion to complete the Phi Kappa Sig clean sweep.

Frosh Basketball

Freshman basketball practice will begin at 4 p.m. Monday in Recreation Hall, according to John Egli, freshman coach. Freshman candidates must report to Egli in 301 Rec Hall before Monday and secure physical examination cards. Physicals will be given at the Dispensary by team physician Dr. A. H. Griess.

IM Grid--

pass from its own 48-yard line to Sigma Chi's 47 to clinch the win.

Tonight's schedule as reported by Dutch Sykes, assistant director of intramurals, is:

- 7:00 p.m. Beaver House vs. Dorm 35.
- 7:45 p.m. Dorm 30 vs. Mustangs.
- 8:30 p.m. Phi Epsilon Pi vs. Alpha Phi Delta.

Student Offers Grid Bribe

COLLEGE PARK, Md., Oct. 29 (AP)—A student who allegedly offered \$1,500 in bribes to three Maryland football players, including star quarterback Jack Scarbath, eluded a campus police net today.

College officials said the bribe offers were made to hold down the score against Louisiana State University in last Saturday's game at College Park. Maryland won 34-6 and the three players said they had been asked to keep the margin of victory to no more than 20 points.

The attempted bribe was reported last Friday by the players, but university officials kept it secret until today, on the insistence of State's Atty. Carlyle Lancaster of Prince George's County. President H. C. Curley Byrd of the university said a warrant had been issued for the sophomore student. But Lancaster and state troopers refused to make any statement about the youth's identity.

Byrd commented that "of course, he'll be dropped from the university."

Frosh Gridders to Face Experienced Penn Team

By DICK McDOWELL

If the old saying that "practice makes perfect" holds true this Saturday for Coach Earl Bruce's freshman gridders, they should have little difficulty in picking up their first win of the campaign against the Penn frosh.

However, that may not be the case. In the game of football a little experience goes a long way, and that's just what the U. of P. frosh have.

Bruce's charges have had five weeks of intensive practice without playing a regularly scheduled contest. The Penn frosh have played at least two games, defeating Columbia, 20-6, and deadlocking Princeton, 7-7.

The game with the Quakers will be played at River Field with kickoff time slated for 10 a.m. The field is located along the Schuylkill River south of Franklin Field, scene of the afternoon varsity clash.

A victory for the Nittany juniors, unimportant as it may seem, in the shadow of the contest between the varsity squads in the afternoon, would actually mean a lot.

The majority of the squad

probably will move up to varsity competition next season. The record displayed this year will strike a keynote as to what Lion fans may expect in the future.

Bruce is expected to indicate a starting lineup today.

Picking a probable lineup is difficult because the frosh mentor has been "giving every one a chance" since practice began and has been alternating freely at each position. One of the outstanding features seen thus far among the frosh gridders has been the tremendous competition displayed for each position.

Before you leave for the PENN GAME, why not bring or send the clothes you'll be wearing during JUNIOR WEEK, to BALFURD'S for a personalized dry cleaning service.
