

# Griffith Named New Secretary Of Ed Council

Gwen Griffith, fifth semester education major, was elected secretary-treasurer of the Education Student Council Tuesday night. She will be responsible for publishing "Edits," the School of Education newsletter. Nancy Nelsen was selected as senior substitute member.

The council approved a motion to interview professors in the School of Education regarding the faculty rating system. The rating system is a method already in use in which students are requested to evaluate their education courses.

The education student-faculty tea tentatively set for Wednesday has been postponed. The council voted instead to accept the invitation of Dr. Charles M. Long, head of the Department of Education, to discuss problems of education at his home. The informal meeting will be held at 7 p.m. Wednesday at 523 Sunset road.

# Coed Awarded Annual Architecture Prize

Cynthia Palmer, fifth semester architecture major, has been awarded the annual American Institute of Architects prize by the central Pennsylvania chapter. The prize amounts to \$100.

The award is made to the student in the Department of Architecture who has made the highest grades during the sophomore year.

# Guild to Offer 'Family Tree'

A selection from Hildegarde Dolson's "We Shook the Family Tree" will inaugurate the Radio Guild series "Call Card" at 9:45 tonight on WMAJ. The series was begun last year.

The program will be presented every Thursday at this time. It will include short stories, poetry, and scenes from plays.

Sally Lowry will be guest reader for tonight's production. Other members of the cast include Jay Murphy and Mary Ann Honess. Madeleine Sharp is production director; James Bloxham, sound and music, and Frank Hutchinson, engineer.

# IFC May --

(Continued from page one) cards accompanying the magazine are already being returned.

A list containing approximately 1500 names of freshmen expressing an interest in fraternities will be distributed to all houses by Nov. 15, he said.

The IFC safety committee under Richard Rostmeyer has distributed pamphlets and forms for all houses. Recommendations of the committee are that houses appoint three-man safety committees, that these committee members attend College-sponsored classes in safety, and that each house send an inspection report three times a year.

# LUCKIES TASTE BETTER!

They're made better to taste cleaner, fresher, smoother!

Take a Lucky from a newly opened pack and carefully remove the paper by tearing down the seam from end to end. Be sure to start on the seam. In tearing don't crush or dig into the tobacco. Then, gently lift out the cylinder. See how free Luckies are from air spaces — "hot spots" that smoke hot, harsh and dry—from loose ends that spoil the taste. Note that Luckies' long strands of fine, mild tobacco are packed firmly to draw smoothly and evenly—to give you a cleaner, fresher, smoother smoke. Yes, Luckies are made better—to taste better! So, Be Happy—Go Lucky! Get a carton today.

# SPECIAL NOTE!

## College students prefer Luckies in nation-wide survey!

Nation-wide survey based on actual student interviews in 80 leading colleges reveals more smokers prefer Luckies than any other cigarette—and by a wide margin. No. 1 reason given—Luckies' better taste. Survey also shows Lucky Strike gained far more smoker in these colleges than the nation's two other principal brands combined.
