

Workshop Suggestions To Be Aired by IFC

Ten discussion groups which met in this year's Interfraternity Council Workshop will make recommendations for consideration at the next IFC meeting, according to Robert Frame, workshop chairman.

Meeting for exchange dinners and forum-type discussion periods, these ten groups covered ten phases of fraternity life. They were

Students, Profs Offered Tours Of Middle East

Students and professors may participate in tours of the Mediterranean and Middle East next summer under the joint sponsorship of the Middle East Travel Center and the Egyptian government.

The tours, which will last from 44 to 71 days, will include a month's stay in Egypt in addition to visits to centers of ancient and modern civilization in the area.

College professors will have the opportunity to assist in conducting the tours as well as having the chance to earn free trips for themselves. Expenses will be paid for any professor who secures ten persons for the tour. Those who secure five will have the rates reduced one-half.

Tours will be available from June 23 to Oct. 15, 1953.

Additional information and travel brochures may be had by writing Abdel Fattah Kazmel, tour director, Middle East Travel Center, Room 921, 500 Fifth Avenue, New York, N.Y.

Faculty Council Elects Reede

Arthur H. Reede, professor of economics, has been elected chairman of the Faculty Advisory Council for the 1952-53 academic year.

Reede, who served as vice-chairman of the council, succeeds Mary J. Wyland, professor of education.

Other newly-elected officers are Dr. Thomas S. Oakwood, professor of organic chemistry, vice-chairman; and Dr. Ruth L. Pike, associate professor of foods and nutrition, secretary.

Retirement Statements Ready for Distribution

College employees who have contributed to the State Employees' Retirement System may pick up statements at the Security Benefits Division office, 209 Old Main.

Statements, previously mailed to employees, now will be mailed only to those employees who request them.

Crooks to Present Chem Lecture Series

Dr. Harry M. Crooks of Parke, Davis, and Co. will present a series of open lectures on "Some Recent Medicinal Chemistry" next week.

He will speak at 5:10 p.m. Monday in 119 Osmond on "Antispasmodics," at 4:10 p.m. Tuesday in 119 Osmond on "Chloromyces," and at 4:10 p.m. Wednesday in 117 Osmond on "Antibiotics."

Draft Form Deadline Is Tomorrow

Applications for the Dec. 4 Selective Service college qualification tests must be postmarked before midnight tomorrow. Applications postmarked after that time cannot be considered, Selective Service officials have said.

They may be obtained from Mrs. Sara E. Case in the Dean of Men's office in Old Main until noon tomorrow. They are to be mailed to Educational Testing Service, Princeton, N.J.

In order to be eligible to take the test, a student must intend to request deferment as a student, be satisfactorily pursuing a full-time college course, and must not have previously taken the test.

Future Test Scheduled
Students must show their Selective Service registration cards with their SS number to obtain the application forms.

Another test will be administered April 23. Applications for this later test may now be submitted. Both the Dec. 4 and April 23 tests will be given at the College.

The college qualification test score of a student is used by his local board when considering him for deferment. The results of the test are not binding on local boards, and decisions on deferment requests are left to their judgment.

Results of First Series
At present, undergraduate students may be deferred if they score 70 or more in the test or if they rank in the upper half of the male freshman class, upper two-thirds of the male sophomore class, or upper three-fourths of the male junior class.

In the first series of the tests 64 per cent made a score of 70 or better. In the second series, 59 per cent passed.

Moore's Portrait To Be Unveiled

A portrait of Dr. Bruce B. Moore, professor emeritus of psychology, will be unveiled and presented to the College tomorrow night. The presentation by more than 125 of Dr. Moore's friends will take place at a testimonial dinner at the Nittany Lion Inn.

Clear, Warmer For Penn Game

Skies over Franklin Field will be clear and the weather warmer as droves of Penn Staters invade the City of Brotherly Love for the Penn-Penn State game tomorrow. According to the College Weather Station, temperatures will rise somewhat, but there's not the slightest possibility of rain.

For those staying on campus this weekend, the weather should be good for "Halloween begging," hayrides, or scavenger hunts.

Foreign Jobs Available Now

Seniors and graduate students with backgrounds in political science, economics, public administration, international relations, and those interested in a career in foreign affairs management, may apply for the 1953 program of the Department of State.

Applications must be made before Nov. 11 for the Civil Service Commission's junior management assistant examination which will be used in the selection process.

Further details may be had from George N. P. Leetch, director of College Placement, 112 Old Main, or Dr. R. Wallace Brewster, chairman of the local selection committee, 119 Sparks.

4-H Club Panel Talk

A panel of four foreign students will compare life in the United States and life in their own countries at a meeting of the Campus 4-H Club at 7:30 p.m. Monday in 103 Agriculture.

Speech Confab Opens Today

The Speech and Hearing Clinic is sponsoring its seventh annual undergraduate conference from 1 to 5 p.m. today in 10 Sparks.

The purpose of the conference is to acquaint the 150 students enrolled in speech and hearing courses in Pennsylvania colleges with the latest developments in the field.

Conference activities include a panel discussion of new audiology centers in Pennsylvania, a tour of the speech and hearing clinic, a film "Listening Eyes," an exhibit of materials used in the treatment of hearing defects, and a social hour sponsored by Sigma Alpha Eta, speech and hearing honorary.
