AUGUSTA, Ga., Nov. 10 (AP)—President-elect Dwight D. Eisenhower—counting heavily on winning support of Democrats in Congress—is likely to get it, Sen. Burnet R. Maybank of South Carolina said today.

"While he was in the Army," Maybank told reporters, "Eisenhower repeatedly demonstrated ability to get along with the members of both parties in Congress. The situation isn't quite the same now, but I believe he will make out all right."

Maybank was in town for a housing convention being held near Eisenhower's vacation headquarters at the Augusta National Golf Club. The senator, influential in the councils of Southern Democrats said he had no plans to confer here with the President-elect.

Eisenhower spent the morning answering accumulated mail and then set out for a round of golf when the rain which had kept him indoors let up.

The general's headquarters said he had received President Truman's telegram saying Eisenhower's choice of pre-inauguration liaison representatives with the government was "eminently satisfactory."

**Lodge Named Representative**  
Truman also said he appreciated Eisenhower's promptness in naming GOP Sen. Sir Henry Cabot Lodge of Massachusetts and Detroit banker Joseph M. Dodge to the liaison post.

In announcing the appointments yesterday, Eisenhower said Lodge—who was defeated in his bid for re-election—would be his personal representative in all federal departments and agencies except the Budget Bureau. He named Dodge to that bureau.

## Lie Resigns From UN Post

UNITED NATIONS, N.Y., Nov. 10 (AP)—Trygve Lie, buffeted from one side by the Kremlin and from the other by a U.S. congressional committee, submitted his resignation as secretary-general of the United Nations today.

In an emotion-choked voice, Lie told the General Assembly he was stepping aside in hope it would help bring peace to Korea. Russia has refused to deal with Lie because of his support of the UN in Korea.

Close associates said Lie was "fed up" with the Kremlin's attacks, with alleged sniping from the U.S. Senate subcommittee headed by Sen. McCarran (D-Nev.) and with actions of the U.N.'s Budget Committee slicing big bites from expenditures Lie thinks necessary.

## CIO Post May Go To Reuther or Carey

PITTSBURGH, Nov. 10 (AP)—Walter P. Reuther and James B. Carey stood out today as the two men with the best chance to be called upon to fill labor leader Philip Murray's job as president of the Congress of Industrial Organizations.

Reuther is the fiery, dynamic head of the CIO United Auto Workers, which boasts 1½ million members.

Carey, a young, vigorous man, is head of the smaller CIO International Union of Electrical Workers.

## Hunting Season Starts As Fine Lifts Ban

HARRISBURG, Nov. 10 (AP)—Gov. John S. Fine today removed a no-hunting ban for all of Pennsylvania, effective at 7 a.m., tomorrow.

The action will enable 800,000 hunters to take to the fields and woods in quest of small game in any county of the state. The small game season, originally to have started Nov. 1, had been suspended because of a forest fire threat.

Fine previously opened 16 north western Pennsylvania counties to hunting last Saturday. His new proclamation listed the ban for the remainder of the state.

## Ex-Nazis Win Election

FRANKFURT, Germany, Nov. 10 (AP)—A surge toward the right swept several former Nazis back into local offices in three key West German state elections.

Returns from yesterday's voting indicated that the federal government—already controlled by a conservative rightwing coalition—may veer even farther right in next year's election.

### Reds Won't Budge On Prisoner Issue

UNITED NATIONS, N.Y., Nov. 10 (AP)—Andrei Y. Vishinsky said flatly today the Soviet Union will "not budge" from its demand for repatriation of all prisoners of war in Korea. He rejected two compromise proposals and renewed his appeal for a new commission to settle the Korean conflict.

An American spokesman said immediately that the UN never would consent to driving prisoners of war back to Communist countries against their will. Other delegations gloomily agreed that the Korean stalemate continued unabated and that Vishinsky had done nothing to point the way to a solution.
