

Betas Retain IM Swim Title, 23-18

Lynch Nips Delta Sig's Shields In Relay to Keep Championship

By GEORGE BAIREY

The swimmers from Delta Sigma Phi came a long way, but the powerful, talent-laden defending champs from Beta Theta Pi were not to be denied in their quest for their second consecutive IM fraternity swimming crown.

The Betas won 23-18, on the strength of a narrow win in the 120-yard relay, over the Delta Sigs yesterday at Glennland Pool.

As per usual, Delta Sigma Phi's "Mr. Big," Ned Shields, put on a super-stellar show. Shields, who is only a junior, edged the Beta speedster, Doby Lynch, in the 60-yard freestyle, and completely outlasted Jan Cronstedt in the diving competition.

Betas Nab Relay

Shields, swimming in the anchor-man slot on the relay, failed by a fraction of a second to catch the little Beta number-four man, Lynch, in the Delta Sig's try for all the marbles. The score was deadlocked, 18-18, before the start of the all-telling relay.

In taking the relay, the important five points, the match, and the championship, the Beta foursome of Cronstedt, Dick Cameron, Dan Fisher, and Lynch turned in a good 1:03.0 clocking. But it was all up to Lynch and Shields on the final 30-yard leg, and Lynch had just enough left to beat the oncoming Delta Sig.

Cronstedt, Ineswiller Win

Lanky Ken McGuire, Delta Sigma Phi, turned in a beautiful, surprise diving exhibition to edge Cronstedt for second and draw the Delta Sigs into the deadlock going into the relay.

The champions took a pair of firsts in the 60-yard backstroke and the 60-yard breaststroke, besides adding a second in the backstroke. Cronstedt and mate Tom Ineswiller got home one-two in the backstroke, with McGuire third. Cronstedt's time was 42.8.

Beta Charlie Turner romped in 42.1 in the breaststroke while Delta Sigs' Walt Darron and Howie Giles finished second and third.

Shields and Lynch, swimming in the middle two lanes in the freestyle, were even all the way. It took the judges' verdict to determine the winner. Shields' winning time was 33.4. Dan Fisher finished third for the champs.

Perennial Rivals

Penn State and Temple, perennial soccer rivals, clash in their annual duel at Philadelphia Saturday (Nov. 15).

Intramural Boxing Deadline Today

Today is the deadline for fraternity and independent persons planning to enter the intramural boxing tournament. No entries will be accepted after 4:30 p.m., Dutch Sykes, assistant director of intramurals, said yesterday.

An entry fee of 25 cents will be charged each individual. An organization may enter one contestant in each weight class. Independents, however, may enter as individuals and need not be members of a team.

Heinrich Leads In Total Offense

NEW YORK, (AP)—If Washington's two remaining opponents find some way to contain Don Heinrich's passing—something the others haven't been able to do—the 1952 ground gaining champion in major collegiate football still will be a T formation quarterback.

Heinrich has established a healthy lead in passing and in total offense. And the five players who are closely bunched in the total offense list some distance behind him also are T quarterbacks.

Only once since the National Collegiate A.A. statistical bureau has been compiling nationwide records has a T quarterback come out first in total yardage. That was in 1948 when Nevada's Stan Heath covered enough ground throwing the ball to outdistance the double and triple threat backs.

The NCAA statistics released today show Heinrich has gained 1,492 yards altogether. Of these 1,488 came through the air on 128 completions in 236 attempts, including 13 touchdown passes. All are nation leading figures.

BEAT RUTGERS!

Collegiate Chatter

WILLIAMSBURG, Va. (AP)—Ed Mioduszewski has become the football idol of this small colonial community.

Mioduszewski, who astounded a horde of Penn State football fans with his running when William and Mary's grid team engaged the Nittanies at Beaver Field this fall, plays quarterback for Coach Jackie Freeman's eleven. To his teammates and followers he's called "Meadows"—it saves time.

Actually, Meadows is a senior. He's played every position in the Indian backfield during his college career. As a quarterback, though, he is merely a freshman.

Yet, Mioduszewski has been lauded by coaches of opposing teams and sports writers as the greatest running quarterback in college football today. They say he can beat you by himself.

His yardage collection ranked him first in the Southern Conference last week and eighteenth in the nation. Last Saturday, he added 266 more yards and probably will improve on his national ranking this week.

Mioduszewski demonstrated his prowess last week to Virginia Tech's Gobblers, whipped them, 35-15. Afterwards, Tech Coach Frank Moseley said: "That guy's the pro type, who beat us by himself."

Somebody asked Moseley to compare Mioduszewski with Kentucky's former star, Vito "Babe" Parilli. Moseley, who coached Parilli as Kentucky backfield mentor, replied:

"Parilli could do only one thing—pass. But this Mioduszewski—you never know what he's going to do. Everything he does, he does splendidly."

Independents Post IM Cage Victories

Monday night's cage competitions at Recreation Hall produced a wide variety of scoring sprees by winning fives. The Bears advanced from their 17-2 lead at half-time to handily subdue the East, 37-25.

The contest between the Gorps and the Sponges proved to be a Robinson's absence.

Tournament play of single elimination will begin Wednesday. Two men from each fraternity may be entered.

Each match will consist of the best two out of three games with exception of the semi-finals and final round. In the latter, two round play will consist of the best three out of five advantage games.

Games will be played at Acacia, Theta Xi, Alpha Zeta, Sigma Pi, Beta Sigma Rho, and Sigma Alpha Epsilon. Four other fraternities will be named later, Robinson said. The semi-finals and finals will be played at Theta Xi.

A trophy will be awarded to the winner and runner-up. No house points, however, will be received by the winner and runner-up. House points are obtained only through participation in intramurals offered by the intramural office.

The ping-pong tournament is being operated for the first time this year through the cooperation of Robinson and the intramural office. If this tournament is successful, it will become part of the regular IM tournaments. Then house points will be received.

Stanky Fires Moore

ST. LOUIS, (AP)—A shake up in the St. Louis Cardinal coaching staff brought repercussions yesterday with the little manager, Eddie Stanky, right in the thick of it.

Terry Moore, who became a Cardinal great in the old gashouse days of the club, was fired as a coach at the beck of Stanky. And what Moore said about the little pepperpot was pointed and direct.

BEAT RUTGERS!

For supper parties, groups and clubs, call Harold 6301.
