Ceiga to Give Organ Concert On Sunday

The second in a series of faculty recitals will be held at 4 p.m. Sunday in Schwab Auditorium with George Ceiga, chapel organist, giving an organ concert.

The recitals were begun by Ceiga during World War II, to provide Sunday afternoon recreation for students and soldiers stationed at the College.

The series was expanded after the war to include other members of the Music department.

The seven selections to be played include "Tocatta" (Frescobaldi); "Chorale in B minor" (Frank); "Three Movements from Concertos" (Felton); "Adagio" (Mozart); "A Meditation on 'Brother James' Air'" (Darke); and "Prelude and Fugue in B minor (The Great)" (Bach).

The arrangement of "Tocatta" is by Dr. Edward Eigenschenck, a member of the faculty of the American Conservatory of Music.

The "Chorale in B minor" is one of many chorales which got their form from the Roman Catholic church music called Gregorian after Pope Gregory.

"Adagio" was written by Mozart for the glass harmonica, an instrument consisting of a set of rotating musical glasses, improved and perfected by Benjamin Franklin.
