

# AIM Requested to Cease 'Independent' Publication

By BILL JOST

Thomas Kidd, parliamentarian, moved last night that the Association of Independent Men cease publication of The Independent Newsletter, and then moved that discussion be postponed until the following meeting.

Kidd gave no reasons for the motion at the meeting. It was not voted upon and no discussion was held. Melvin Rubin, chairman of the publications committee, changed Kidd's second motion to read that no action would be taken until the publications committee has had time to make a complete report. This motion passed.

## Chest Drive Donations Hit \$2900

Approximately \$100 has been collected by faculty-administration solicitors for the Campus Chest, according to A. H. Imhof, chairman of faculty-administration solicitations.

These donations have raised the Chest total to approximately \$2900.

The faculty-administration drive, which started Monday, will end Saturday. The student drive will also end Saturday.

Imhof released the names of solicitors yesterday for one school and a department. In the School of Mineral Industries they are Dr. T. F. Bates, division leader, and solicitors H. A. McKinstry, R. W. Lindsay, N. R. Thielke, H. B. Charmbury, J. J. Schanz, J. P. Miller, E. A. Walker, A. H. Mel-drum, R. Roy, G. F. Deasy, A. W. Asman, Patricia A. Lambert, and D. C. Jones.

In the Department of Chemistry they are Dr. R. G. Ascah, leader, and solicitors Mrs. Ruth L. Beaver, Dr. C. Haas, Phillip Williams, and Prof. Mary L. Wil-lard.

## Tannehill Gets Alumni Office

Ray S. Tannehill of Bryn Mawr, vice president in charge of revenue and finance of the Bell Telephone Co. and the Diamond State Telephone Co., has been appointed vice chairman of the Penn State Alumni Fund Council.

The appointment was made yesterday by John M. Spangler, general chairman of the council, who will organize the College's first alumni fund.

The council will encourage annual contributions from the 45 thousand living alumni to finance projects not covered by state appropriations or regular College income.

A 1923 graduate, Tannehill received his B.A. degree in commerce and finance. While at the College he was a member of Sigma Chi and Delta Sigma Pi, professional commerce fraternity.

## Tentative Schedule For UN Trip Made

Tentative plans for a trip to the United Nations Dec. 11 to 14 have been released by the Education Student Council and the Political Science department. The trip is designed to give students a first hand view of the UN and allied agencies in action and a chance to speak with officials and delegations.

"The actual observation makes it into a laboratory course in international affairs and makes the program more practical because of the first hand experience," Dr. Elton Atwater of the Political Science department said.

Before leaving campus, the group will be briefed by several persons who have already visited the UN. One of the scheduled speakers is Dr. John Ferguson of the Political Science department.

The group will leave by chartered bus Dec. 11 and return Dec. 14. Absences will be excused. After arrival in New York City registration will take place at the Hotel Diplomat, followed by a guided tour of the UN. Free time in the evening can be used for sightseeing or the theater.

Friday's schedule starts with a group conference, followed by a visit to a UN committee meeting or Assembly, depending on which is in session. At 11 a.m. the group will meet with Elmore Jackson, an observer for the American Friends, to discuss "What is Meditation and Negotiation?" A visit to the UN Assembly has been planned for Friday afternoon.

Visits have been planned with various national delegations for Saturday morning. Lunch will be eaten at the cafeteria of the International House, followed by a discussion led by Dr. Herrick B. Young, executive director.

Sunday morning's activities include joining the Friends' Group to discuss "The Role of the College Student in Efforts Toward Negotiation." The group will leave for State College at 1:30 p.m. Sunday.

A \$2 registration fee must be paid by Dec. 5; the deposit will be applied to transportation. Applications can be made at the PSCA office in 304 Old Main, with Dr. J. H. Moyer in 207A Burrowes, or Dr. Atwater in 100 Sparks.

## College Gets Portrait

A portrait of Dr. Bruce V. Moore, who retired Oct. 1 as professor and head of the Department of Psychology, has been presented to the College by friends, colleagues, and former students of Dr. Moore.
