

Wandel to Head Panhel Council

Ellen Wandel of Beta Sigma Omicron will be installed as president of Panhellenic Council tonight at a Eutaw House banquet. Miss Wandel, who is vice president of Panhel, will succeed President Marlene Heyman, who will be graduated at the end of this month.

The new president has served as vice president since last April. She is a junior in home economics education, and also belongs to Future Teachers of America. She is a Froth junior promotion board member.

The Panhel presidency is rotated among the sororities, and precedence is based on the sorority's founding on campus. Delta Zeta is next in line for the vice presidency, and then the presidency. As yet, no new vice president has been announced, according to Miss Wandel. The office will probably remain vacant until April.

Guests at the banquet will be Mary E. Brewer, assistant to the dean of women, and the council's advisers, Mrs. Woodrow W. Bierly and Mrs. George W. Leffler.

Mortar Board Plans 1st Membership Poll

A poll of junior women to obtain a cross section of opinion on who should be tapped for membership in Mortar Board, senior women's honorary society, will be conducted by members of the group next semester.

The poll will be held at the same time as Women's Student Government Association elections, late in March, if WSGA approves.

Only sixth-semester women may vote in the poll, because only women in that semester are eligible for membership, according to national rules of Mortar Board.

Since one of the requirements for membership into the honorary society is an All-College average of 3 above the All-College average of junior women, a list of women scholastically eligible will be compiled and included on the ballots.

Each woman may vote for from 5 to 25 candidates, the number of members allowed at any one time by the group's constitution. The poll will serve as a guide and will not be binding in the final selection of members. Members are chosen by a unanimous vote of the active group.

The idea of a poll of junior women is a result of the chapter's recent visit to Bucknell, where a similar system is used. At present, there are eight members in the local chapter of Mortar Board.

Jean Marohnic Okay Joe?

This is one of the portraits Jean ordered for her boy friend, Pvt. Joe Pascarella, formerly a Penn State football player, if you still remember.

Jean reminds me of Tommy Thomas, another recent O.K. Joe girl. Both have that old-fashioned charm about them which isn't always found nowadays.

If you've been thinking about it, this is the ideal time to have your sorority composite done. Drop up today and see some examples.
